Howbeit, they thought it all	best	, in the avoiding of all	2, 33/23

it was either needless or	bootless	. Wherefore if she should needs	2, 41/5

But the Duke of Gloucester	bore	him in open sight so	2, 24/23
than his own mother that	bore	him. No man denieth, good	2, 35/17

And thereupon all the Council	came	unto the Star Chamber at	2, 33/26

And over that, of the	Cardinal's	faith she nothing doubted, nor	2, 41/7

as were secret with his	chamberers	, that after this abominable deed	2, 87/10
a noble man, then Lord	Chamberlain	, against whom the Queen specially	2, 11/1

the Lord Hastings, then Lord	Chamberlain	, with many other noble men	2, 44/18
special favour of the Lord	Chamberlain	, in good authority, and much	2, 45/28
And of truth, the Lord	Chamberlain	of very trust showed unto	2, 46/19
himself clear. Then the Lord	Chamberlain	, as he that for the	2, 47/26

all quickly bestowed in divers	chambers	, except the Lord Chamberlain, whom	2, 49/11

Archbishop of York, then Lord	Chancellor	, the Bishop of Ely, the	2, 44/17
him Archbishop of Canterbury and	Chancellor	of England, whereunto the Pope	2, 91/14

I shall be ready to	change	it upon your better advices	2, 27/18
of this manner of sudden	change	, and what thing should him	2, 47/19

But all this nothing no	change	made in the people, which	2, 75/30
man would marvel whereof that	change	grew. And surely the occasion	2, 89/6

body that you would have	changed	, but if you would have	2, 55/25
death, with God's mercy, well	changed	his life. This man, therefore	2, 91/17

he laid heinously to her	charge	the thing that herself could	2, 54/21

no less move us to	charity	than the respect of fleshly	2, 12/17

so friendly and so familiar	cheer	, and sent venison from thence	2, 5/17
made that night much friendly	cheer	between these Dukes and the	2, 17/16
present with this last night's	cheer	, in so few hours so	2, 18/12
him to be of good	cheer	, all should be well enough	2, 20/4
he, be ye of good	cheer	. For I assure you if	2, 22/6
is more tenderly like to	cherish	him than his own mother	2, 35/16
he shall be so well	cherished	and so honourably entreated that	2, 27/12
of her stuff into Sanctuary,	chests	, coffers, packs, fardels, trusses, all	2, 21/21
must needs have been their	chief	defence. For Richard the Duke	2, 6/2
either party laboureth to be	chief	, flattery shall have more place	2, 11/28
the best, and at last	chief	and above the best. Of	2, 12/27
himself and other lords, the	chief	of his band, wrote unto	2, 17/3
things they devised. But the	chief	thing and the weighty of	2, 59/18
less honour to Markham, then	Chief	Justice, that left his office	2, 70/17
worshipful citizens of this the	chief	city of this realm, join	2, 74/24
with all the aldermen and	chief	commoners of the city, in	2, 77/8
considered that it was the	chiefest	duty of a king to	2, 81/21
certain other men and also	chiefly	to the duke of Buckingham	2, 42/27
where the Lord Chamberlain's power	chiefly	lay. But surely great pity	2, 45/30
bide there, then, if a	child	will take sanctuary because he	2, 33/4

to surmise in King Edward's	child	, that would he should be	2, 59/33
not long before, got with	child	. Wherefore the King's mother objected	2, 64/25
so kindly get her with	child	. This examination solemnly taken, when	2, 65/6
that realm that hath a	child	to their King. Wherefore so	2, 74/18
would have been that his	child	had succeeded him. Howbeit, if	2, 92/11
you among yourselves in a	child's	reign fall at debate, many	2, 13/15
flight? and heaviness, bewailing her	child's	ruin, her friends' mischance, and	2, 20/26
thing so sore against my	child's	honour and theirs also, that	2, 36/20
warn you well, is no	child's	office, and that the great	2, 74/16
faithfulness haply would suffice. But	childhood	must be maintained by men's	2, 11/21
therein, though it be a	childish	fear, yet is there at	2, 33/7

had been to his noble	children	(having in themselves also as	2, 5/24
indeed he did) while his	children	were young. And they deem	2, 8/29
considering the youth of his	children	, albeit he nothing less mistrusted	2, 10/16
while the youth of his	children	should lack discretion of themselves	2, 10/19
profitable advertisement to do the	children	good, he called some of	2, 10/25
leave you, such be my	children	like to find you. Which	2, 11/15
peace under your cousins, my	children	, if God send them life	2, 13/11
never heard erst? of sanctuary	children	. And therefore, as for the	2, 33/9
folk most necessary about your	children	; and so would all the	2, 35/19
but with their peers, or	children	could not play but with	2, 38/19
their uncle? Each of these	children	is other's defence while they	2, 41/28
the Protector had both the	children	in his hands, he opened	2, 42/24
Edward himself, or in his	children	, or both, so that he	2, 59/20
a widow and hath already	children	, by God's Blessed Lady, I	2, 64/10
which he pretended King Edward's	children	to be bastards, But that	2, 66/12
nor were not the very	children	of the Duke of York	2, 66/20
the Prince and all his	children	bastards that were begotten upon	2, 66/23
declared he that commonly those	children	lacked that grace, and for	2, 66/31
Elizabeth Lucy, and so his	children	bastards. And besides that, neither	2, 67/15
reckoned very surely for the	children	of the noble Duke, as	2, 67/24
of their wives and their	children	, that them were liefer to	2, 72/15
made open unto you, the	children	of King Edward the Fourth	2, 73/15
unto King Edward and his	children	, that so much more regarded	2, 78/27
any wise put the two	children	to death. This John Green	2, 83/18
Dighton, about midnight (the silly?	children	lying in their beds) came	2, 85/17
noble Princes, these innocent, tender	children	, born of most royal blood	2, 86/15
look that I should in	choice	of a wife rather be	2, 63/32
forbear mine own liberty in	choice	of my own marriage. As	2, 64/2
all this realm beside in	choosing	them so good a king	2, 74/29
was made the only man	chosen	and thought most meet to	2, 24/27
said that he was specially	chosen	by God and in manner	2, 68/6
affinity, if the Sacraments of	Christ's	Church bear that weight with	2, 12/15
all men, that we be	Christian	men, this shall I leave	2, 12/9
if the Sacraments of Christ's	Church	bear that weight with us	2, 12/15
of God and of the	Church	, the goods of a sanctuary	2, 32/29

could get out of the	church	lightly to any place, but	2, 56/9
to him, and the more	circumspectly	to see to his surety	2, 41/11
soon, her husband an honest	citizen	, young and goodly and of	2, 55/9
five hundred horse of the	citizens	in violet, received him reverently	2, 24/19
profitable than to you, the	citizens	of this noble city. For	2, 69/16
yet specially ye here, the	citizens	of this noble city, as	2, 72/18
incline if ye, the worshipful	citizens	of this the chief city	2, 74/24
thence so freely into the	city	, that no one thing, in	2, 5/18
he conveyed upward towards the	city	. But anon the tidings of	2, 20/17

about as specially in the	city	, the people diversely divining upon	2, 22/17
King approached near to the	city	, Edmund Shaw, goldsmith, then Mayor	2, 24/16
thence, accompanied him into the	city	, which he entered the fourth	2, 24/21
at the elbow of the	city	, the other in the very	2, 30/30
and from thence through the	city	honourably into the Tower out	2, 42/21
lord's death swiftly through the	city	, and so forth farther about	2, 52/23
substantial men out of the	City	unto the Tower ; and at	2, 52/27
to be made through the	city	in the King's name, containing	2, 53/13
highly desirous, should frame the	city	to their appetite. Of spiritual	2, 58/19
all the commons of the	city	gathered before them, after silence	2, 69/7
the citizens of this noble	city	. For why, that thing that	2, 69/16
and Mayor of this noble	City	: who is of you either	2, 70/22
the citizens of this noble	city	, as well for that among	2, 72/18

Earldom of Hereford, which he	claimed	as his inheritance and could	2, 44/4
as the title which he	claimed	by inheritance was somewhat interlaced	2, 89/11
in a great anger, he	clapped	his fist upon the board	2, 48/27
the chamber. Thereupon a door	clapped	, and in come there rushing	2, 48/29
the crown, George, Duke of	Clarence	, was a goodly noble prince	2, 7/2
helping forth his brother of	Clarence	to his death: which he	2, 8/23
brother's death, the Duke of	Clarence	, whose life must needs have	2, 9/2
whether the same Duke of	Clarence	had kept him true to	2, 9/3
himself nor the Duke of	Clarence	were lawfully begotten, nor were	2, 66/19
himself, nor the Duke of	Clarence	, among those that were secret	2, 67/23
of body mighty, strong and	clean	made: howbeit in his latter	2, 4/17
as a goodly continent Prince,	clean	and faultless of himself, sent	2, 54/25
nigh to approach priesthood in	cleanness	as he doth in dignity	2, 62/28

which every man wist himself	clear	. Then the Lord Chamberlain, as	2, 47/25
unto the people with a	clear	and a loud voice in	2, 69/10
wedding till these same were	clearly	purged and the truth well	2, 64/32
solemnly taken, when it was	clearly	perceived that there was none	2, 65/7
else his head had been	cleft	to the teeth: for as	2, 49/4

with that, divers of the	clergy	that were present, whether they	2, 32/27
these had they John Shaw,	clerk	, brother to the Mayor, and	2, 58/22

for the common custom of	close	and covert dealing, men had	2, 82/28
desiring that in the most	close	and covert manner he might	2, 88/7

Lord Rivers understood the gates	closed	and the ways on every	2, 18/9

her stuff into Sanctuary, chests,	coffers	, packs, fardels, trusses, all on	2, 21/21
gave the boar for his	cognisance	, this dream made so fearful	2, 50/6
flattery gave that judgment. What,	Coke	, your own worshipful neighbour, alderman	2, 70/21
in conclusion, when that no	color	could fasten upon these matters	2, 54/20
put them in duress? without	colour	will let as little to	2, 36/30

point could be none other	colour	but to pretend that his	2, 59/26
enforced to the uttermost. The	colour	and pretext whereof cannot be	2, 59/34
ground the Protector built his	colour	, by which he pretended King	2, 66/11
their pleasure. And for the	colourable	proof thereof, such of the	2, 24/3
of both the parties, were	come	in presence, the King, lifting	2, 11/9

as it were likely, to	come	to a field, though both	2, 23/22
be with her, if she	come	thence and bide in such	2, 29/6
as it hath done) to	come	in question, while either Party	2, 30/11
and reive and kill, and	come	in again, as though those	2, 31/15
also none can have. Men	come	not to sanctuary as they	2, 32/12
not to sanctuary as they	come	to baptism, to require it	2, 32/13
Queen and these lords were	come	together in presence, the Lord	2, 34/6
as yet intend not to	come	forth and jeopard myself after	2, 36/23
lust to play for sickness,	come	out of sanctuary out of	2, 38/17
sanctuary when he may not	come	to it. For taken out	2, 40/4
a door clapped, and in	come	there rushing men in harness	2, 48/29
were tokens of things to	come	, why, thinketh he not that	2, 50/14
my lord, I pray you	come	on. Whereto talk you so	2, 51/8
fain to leave off and	come	down in the midst. Doctor	2, 59/3
which he durst never after	come	abroad. But the friar forced	2, 59/6
in my way when I	come	to take orders : for I	2, 64/18
words the Protector should have	come	in among the people to	2, 68/1
doctor, fearing that he should	come	ere his sermon could come	2, 68/10
come ere his sermon could	come	to those words, hasted his	2, 68/10

we bear you we be	come	to break unto you of	2, 69/12
fetch, that thing we be	come	hither to bring you, without	2, 69/19
of this land, devolved and	come	unto the most excellent Prince	2, 74/1
and of body that shall	come	therewith to whomsoever so well	2, 74/14
honest, which was so new	come	into that office that he	2, 75/24

these words: Dear friends, we	come	to move you to that	2, 76/3
the Protector made difficulty to	come	out unto them but if	2, 77/16
though he would not yet	come	too near them till he	2, 77/28
none the less so far	come	in question that some remain	2, 82/20
knew it, could never since	come	to light. Very truth is	2, 86/9
of six hundred horse, was	come	, on his way to Londonward	2, 88/18
him word to rise and	come	ride or he would make	2, 89/19
but also wooed him to	come	and had him from thenceforth	2, 91/3
faithfully promised there should never	come	hurt and peradventure more good	2, 92/21
spoken, for it shall never	come	near their ear. In good	2, 93/12
of the people cast a	comely	rud? in her cheeks (of	2, 54/32
voice, gesture and countenance so	comely	and so convenient, that every	2, 75/12

into which none honest man	cometh	to lie; which honourable preacher	2, 73/8
the same message for his	comfort	, who he thought had more	2, 20/7
thought had more need of	comfort	, as one to whom such	2, 20/7
him whose special pleasure and	comfort	were to have his brother	2, 25/23
Grace it were as singular	comfort	to have his natural brother	2, 34/12
specially tendered) not only great	comfort	and honour to the King	2, 34/23
at his liberty, to the	comfort	of them both, than here	2, 35/24
but to many a man's	comfort	and relief. Where the King	2, 56/15
many others put in good	comfort	to affirm that she was	2, 65/1
put him in the best	comfort	he could. But forthwith was	2, 85/4
better. But for all this	comfortable	courtesy of the Duke of	2, 20/10
Duke bide here: it were	Comfortable	for them both that he	2, 38/12
and dismayed, whom the Archbishop	comforted	in the best manner he	2, 21/29

towards which the Dukes were	coming	up, that they might peradventure	2, 23/19
about him. Thus many things	coming	together, partly by chance, partly	2, 45/8
the Tower ; and at their	coming	, himself, with the Duke of	2, 52/27
blood long but, the truth	coming	to light, the rightful inheritors	2, 67/3
came; whom when he beheld	coming	, he suddenly left the matter	2, 68/12
going to the field or	coming	from thence. And peace long	2, 71/23
lack of other issue lawfully	coming	of the late noble Prince	2, 73/30
doubted and partly distrusted the	coming	of such number unto him	2, 77/18
Grace the intent of their	coming	without his displeasure, without which	2, 77/32

always the occasion of his	coming	, and so keeping himself close	2, 92/1
death King Edward (albeit he	commanded	it) when he wist it	2, 7/14
gathered before them, after silence	commanded	upon great pain, in the	2, 69/7
thereunto	commanded	by the Mayor, made rehearsal	2, 75/26
show a proof thereof, he	commanded	that one Fogg, whom he	2, 81/32
letter, by which he was	commanded	to deliver Sir James all	2, 84/22

abuse the name of his	commandment	to any of our undoing	2, 15/17

and lodgings about, giving them	commandment	to make themselves shortly ready	2, 17/25
thereof nothing pertained, without especial	commandment	of the King, secretly sent	2, 22/31
unto by the most dread	commandment	of the King's Highness and	2, 53/30
fail me and at my	commandment	will do nothing for me	2, 83/27
as he had given him	commandment	. After which letter delivered and	2, 84/24
in his custody, by the	commandment	of King Richard, Doctor Morton	2, 90/18
consider, he shall no less	commend	his wisdom where he avoided	2, 4/15
to thy master, man, and	commend	me to him, and pray	2, 50/22
In which marriage many more	commend	the maiden's fortune than the	2, 62/13
benevolence and good will, the	Commissioners	so much of every man	2, 69/32
his life many things unnaturally	committed	. None evil captain was he	2, 7/30
did openly pardon all offences	committed	against him. And to the	2, 81/31
in the Tower, for treason	committed	against the most famous Prince	2, 86/10
himself, yet since the law	committeth	to me the custody of	2, 39/3
thereunto, no possessions or other	commodities	depending thereupon, but only as	2, 62/10
discommodity of discord and the	commodities	of concord and unity, he	2, 81/28
should counsel for their own	commodity	and rather by pleasant advice	2, 10/24
our profit, or with the	commodity	of any man else, except	2, 15/7
methinketh it were as great	commodity	to them both as for	2, 35/3
he might to his own	commodity	. Then it was agreed that	2, 43/35
king, and unto yourselves special	commodity	, to whom his Majesty shall	2, 74/30
unto your great weal and	commodity	, we require ye that ye	2, 76/31
more hearty favour among the	common	people, which oftentimes more esteem	2, 5/20
their private grudges into the	common	hurt, irritating and provoking men	2, 23/17
yet much part of the	common	people were therewith very well	2, 24/14
and determined that, since the	common	mischief could not be amended	2, 43/34
purpose, caused at length not	common	people only, that wave with	2, 45/9
the Coronation, but after the	common	manner fell to flattery after	2, 59/9
bodies in jeopardy besides the	common	adventure of open war, which	2, 71/9
of inheritance, according to the	common	law of this land, devolved	2, 74/1
the hand. Which thing the	common	people rejoiced at and praised	2, 82/1
but that yet, for the	common	custom of close and covert	2, 82/28
all the aldermen and chief	commoners	of the city, in their	2, 77/8
the King's kindred (as women	commonly	, not of malice but of	2, 7/7
what a sort there be	commonly	therein, of them whom willful	2, 30/26
matrimony, then declared he that	commonly	those children lacked that grace	2, 66/31
the place where the doctors	commonly	stand, in the upper storey	2, 68/23
that near here about was	commonly	his most abiding. And yet	2, 72/21
loving obedience; among themselves, the	commons	in good peace. The lords	2, 4/30
assembled about him, all the	commons	of the city gathered before	2, 69/6
singularly abound, the nobles and	commons	also of this realm, and	2, 74/5
Mayor, made rehearsal to the	commons	of that the Duke had	2, 75/27
of this realm and the	commons	of other parts might have	2, 76/4
said unto the lords and	commons	: Since we perceive well that	2, 79/29
your election, the nobles and	commons	of this realm, which we	2, 80/3

unsearched. Then was there great	commotion	and murmur, as well in	2, 22/16
together in making some great	commotion	for his deliverance, whose hope	2, 54/1
he wist the contrary, these	commotions	were somewhat appeased, but specially	2, 23/26
many other noble men to	commune	and devise about the Coronation	2, 44/19
to stay his horse and	commune	a while with a priest	2, 51/6
which they might seem to	commune	what was best to do	2, 75/18
now this Duke glad to	commune	with him, fed him with	2, 91/21
as though neither had ever	communed	with other thereof before, when	2, 80/22
King Richard arose (for this	communication	had he sitting at the	2, 84/14
and after secret meeting and	communication	had, eftsoon departed. Whereupon at	2, 88/19
by the process of their	communications	the Duke's pride now and	2, 91/23
These lords so sitting together	communing	of this matter, the Protector	2, 47/2
set the lords fast in	communing	, and thereupon, praying them to	2, 47/11
was too strait for both	companies	. And as soon as they	2, 18/30
of themselves, assembled in sundry	companies	and went flockmele? in harness	2, 22/20
with the King in wanton	company	. Her kindred also bore him	2, 11/4
sequestered in manner from their	company	and attendance, of which every	2, 14/25
utterly amove ^o from the King's	company	all his mother's friends, under	2, 16/2
good speed, with a sober	company	. Now was the King in	2, 17/7
found the King with his	company	ready to leap on horseback	2, 18/28
lighted adown with all their	company	about them, to whom the	2, 19/1
Sanctuary, lodging herself and her	company	there in the Abbot's place	2, 21/2
tender youth, take in the	company	of ancient persons, but in	2, 26/9
noble presence, in whose continual	company	he shall be so well	2, 27/11
keep him, some of that	company	had haply secret instruction incontinent	2, 34/1
have his natural brother in	company	, as it was their both	2, 34/13
ye require, were in the	company	of the King, his brother	2, 35/1
Wales far out of your	company	, your Grace was well content	2, 35/31
and kept him much in	company	. And undoubtedly the Protector loved	2, 46/11
his realm, by his evil	company	example	2, 53/23
well and write, merry in	company	, ready and quick of answer	2, 56/3
with other noblemen in his	company	, unto Spain, to intreat? and	2, 60/7
lords came down, and the	company	dissolved and departed, the more	2, 77/2
of a great and honourable	company	, to move a great matter	2, 77/15
that be in every point	comparable	with her. And therefore I	2, 63/26
knowledge not begun for naught,	comparing	this manner present with this	2, 18/12
of chance standing by, and	comparing	the shortness of the time	2, 54/10
they worthy to have that	compass	and imagine the destruction of	2, 47/22
Lord Rivers, his uncle, had	compassed	to rule the King and	2, 19/10
should send back again and	compel	to return any man that	2, 18/3
be whom any favourable necessity	compelled	to go thither. And then	2, 30/25
they were sure to be	compelled	to no larger proof than	2, 66/14
third time take it as	compelled	thereunto by his own will	2, 80/31
history of Perkin in any	compendious	process by itself. But in	2, 83/2
countenance, arrogant of heart, outwardly	compinable	? where he inwardly hated, not	2, 8/8

heart so much mischief to	conceive	. Richard, Duke of York, a	2, 6/12
openly taken in his falsely	conceived	treason, and also lest the	2, 53/32
Henry before deprived, the Protector	conceived	such indignation that he rejected	2, 89/13
Richard had any such opinion	conceived	, he would never have suffered	2, 90/8
unto Spain, to intreat? and	conclude	a marriage between King Edward	2, 60/8
of their enemies. Upon this	concluded	, the Duke of Gloucester, understanding	2, 16/3
the Protector and his Council	concluded	that this Doctor Shaw should	2, 66/16
had of old foreminded this	conclusion	, or was now at erst	2, 9/21
be long ere any good	conclusion	go forward. And also while	2, 11/27

And therefore, as for the	conclusion	of my mind, whoso may	2, 33/10
unto her, for a final	conclusion	, that he would no longer	2, 40/12
chamberlain to destroy him in	conclusion	, when that no color could	2, 54/20
the matter to very good	conclusion	. Now happed it that in	2, 60/11
for a word. And in	conclusion	she showed him plain that	2, 61/23
nothing lasteth always; for in	conclusion	King Edward returned, and with	2, 66/1
Protector this for a final	conclusion	, that the realm was appointed	2, 79/16
merchants, the artificers, and in	conclusion	all kind of men, but	2, 81/24
surety to rest in your	concord	. For it sufficeth not that	2, 11/19
discord and the commodities of	concord	and unity, he made an	2, 81/28
she most hated, as that	concubine	whom the King, her husband	2, 48/17
presuming to touch a King's	concubine) left her up to him	2, 55/19
too good to be his	concubine	. The King, much marvelling of	2, 61/25
say that he had three	concubines	which in three divers properties	2, 56/6
meant towards the young babe,	condescended	in effect that, if he	2, 33/22
any longer to continue, have	condescended	and fully determined to make	2, 74/8
was more esteemed, yet that	condition	in the end of his	2, 5/9
now in the more beggarly	condition	, unfriended and worn out of	2, 56/30
be a King with that	condition	, to forbear mine own liberty	2, 64/2
than him, from whose virtuous	conditions	, he said, also, that King	2, 67/26
but nothing of kin in	conditions	. Then said the King merrily	2, 84/18
whom he was of secret	confederacy	in that purpose, a mean	2, 51/4
the conspiracy or rather good	confederation	between the Duke of Buckingham	2, 87/22
to say the truth, she	confessed	that they were never ensured	2, 65/2
and he were examined and	confessed	the murder in manner above	2, 86/12

to put on for their	defence	such harness as came next	2, 53/5
A sanctuary serveth always to	defend	the body of that man	2, 31/28
which that place that may	defend	a thief may not save	2, 38/4

done, or for that she	delighted	to be sued unto and	2, 56/22
unto me, so here I	deliver	it unto you, to the	2, 22/10
by good means induced to	deliver	him. Which thing the Archbishop	2, 27/23
with her good will to	deliver	him, then thought he, and	2, 27/27
the more she feareth to	deliver	him, the more ought we	2, 29/13
much the more farther to	deliver	him. Truly, Madam, quoth he	2, 37/11
farther that you be to	deliver	him, the farther be other	2, 37/12
if ye finally refuse to	deliver	him, I verily think they	2, 37/18
if she were content to	deliver	the Duke to him and	2, 40/13
she deemed it best to	deliver	him. And over that, of	2, 41/6
All this notwithstanding, here I	deliver	him, and his brother in	2, 41/32
which he was commanded to	deliver	Sir James all the keys	2, 84/22
if she refuse, in the	deliverance	of him, to follow the	2, 29/9
some great commotion for his	deliverance	, whose hope now being by	2, 54/1
his pride to his own	deliverance	and the Duke's destruction. The	2, 90/21
that she could not be	delivered	of him uncut ; and that	2, 7/25
that noble Prince, your husband,	delivered	it unto me, so here	2, 22/10
Chancellor of England, which had	delivered	up the Great Seal to	2, 25/2
Seal taken from him and	delivered	to Doctor Russell, Bishop of	2, 25/4
a sanctuary man should be	delivered	in payment of his debts	2, 32/30

that, if he were not	delivered	, he should be fetched. Howbeit	2, 33/23
procure her son to be	delivered	into his hands in whom	2, 40/22

heaviness till this traitorous death	delivered	them of that wretchedness. For	2, 85/9
her, to require her the	delivery	of him, that he might	2, 34/17
wise frustrated and his appointments	deluded	. And she said also that	2, 62/8
highly that his embassy was	deluded	that for very anger and	2, 65/14
not ill taken, nor any	demand	of the Duke's uncourteously rejected	2, 90/15
end that themselves would alone	demean	and govern the King at	2, 24/2
and there should he be	demeaned	? according to his estate. And	2, 34/19
in late days so covertly	demeaned	, one thing re tended and	2, 82/26
But forasmuch as this Duke's	demeanour	ministreth in effect all the	2, 6/8
for that they reckoned this	demeanour	attempted not so specially against	2, 22/25
faithful Council, both for his	demerits	, being so openly taken in	2, 53/31
went in countenance and pace	demure	, so womanly, and albeit she	2, 54/30
when she perceived, she virtuously	denied	him. But that did she	2, 61/16
that bore him. No man	denieth	, good madam, quoth the Cardinal	2, 35/17
subtle wit of the Protector,	deny	that he ever opened his	2, 43/2
thing that herself could not	deny	, that all the world wist	2, 54/22
right secret at these days	deny	this and many right wise	2, 90/2
to leap on horseback and	depart	forward, to leave that lodging	2, 18/28
purpose not as yet to	depart	hence. And as for this	2, 37/8
the contrary, he would forthwith	depart	therewithal, and shift whoso would	2, 40/16
the Cardinal more ready to	depart	than some of the remnant	2, 40/25
Pottier that King Edward was	departed	. By my troth, man, quoth	2, 9/12
soon as the King was	departed	, the noble Prince his son	2, 13/31
miles thence, early ere he	departed	. So was there made that	2, 17/15
were openly with great courtesy	departed	and the Lord Rivers lodged	2, 17/18
and by, after the messenger	departed	, he caused in all the	2, 21/16
her the Great Seal, and	departed	home again, yet in the	2, 22/12
Council in the Star Chamber,	departed	into the Sanctuary to the	2, 33/28
Lord Stanley and he had	departed	with divers other lords and	2, 46/3
him for a little while,	departed	thence. And soon, after one	2, 47/12
beauty of one long before	departed	by her scalp? taken out	2, 55/29
and the company dissolved and	departed	, the more part all sad	2, 77/2
time called) and the people	departed	, talking diversely of the matter	2, 80/18
meeting and communication had, eftsoon	departed	. Whereupon at Northampton the Duke	2, 88/19
that after his Coronation they	departed	, as it seemed, very great	2, 89/3
less he in fair manner	departed	. But surely some right secret	2, 90/1
most loving and trusty manner,	departed	at Gloucester. But soon after	2, 90/17
out of his realm, whereupon	depended	great strength to his estate	2, 62/4
no possessions or other commodities	depending	thereupon, but only as it	2, 62/10
people should be content to	depose	the Prince and accept the	2, 59/17
ambitious mind and device to	depose	the Prince and take himself	2, 78/33

sake the Sixth, whom he	deposed	, was well assuaged, and in	2, 4/4
well witting that if he	deposed	the one brother, all the	2, 25/14
King Edward the Fourth had	deposed	King Henry the Sixth and	2, 60/3
was before by King Edward	deposed	and that much what by	2, 65/28
Edward, revenging his father's death,	deprived	King Henry, and attained the	2, 6/29
realm, by traitorous tyranny taken,	deprived	of their estate, shortly shut	2, 86/17
line of King Henry before	deprived	, the Protector conceived such indignation	2, 89/12
that was after Earl of	Derby	, wisely mistrusted it, and said	2, 45/13
histories, then began he to	descend	into the praise of the	2, 67/8
his right and title lawfully	descended	unto him, and to the	2, 78/20
since he hath nothing by	descent	held by knight's service, the	2, 38/29
desire it nor malice to	deserve	it, whose life or liberty	2, 33/13
ask it nor malice to	deserve	it. And therefore they reckon	2, 37/16
was. But my son can	deserve	no sanctuary, and therefore he	2, 38/2
God I meant it, could	deserve	but thank. And yet taken	2, 93/15
my mind, whoso may have	deserved	to need it, if they	2, 33/11
now being by his well	deserved	death politically repressed, all the	2, 54/2
but for their own evil	deserving	. And nevertheless, if we loved	2, 28/26
them destitute, and the execrable	desire	of sovereignty provoked him to	2, 5/29
of. But this shall I	desire	you to remember, that the	2, 12/12
pestilent serpent is ambition and	desire	of vainglory and sovereignty, which	2, 12/22
that neither hath wisdom to	desire	it nor malice to deserve	2, 33/13
also had experience that the	desire	of a kingdom knoweth no	2, 41/24
in his country, the only	desire	whereof was the allective? that	2, 46/26
that she rather kindled his	desire	than quenched it. And finally	2, 61/17
thus, taking counsel of his	desire	, determined in all possible haste	2, 61/28
point to incline to their	desire	. For in all other nations	2, 78/30
of Gloucester, advertised of his	desire	, caused him in the dead	2, 88/9
which his life was most	desired	; whose love of his people	2, 5/23
honour if she as much	desired	as our dishonour, and as	2, 28/30
after that, upon like pardon	desired	and obtained, he showed aloud	2, 79/15
with the Duke of Gloucester,	desiring	that in the most close	2, 88/6
my Lord Protector is so	desirous	to have him in his	2, 35/35

the night next ensuing to	destroy	them, devising before and preparing	2, 84/26

sovereignty provoked him to their	destruction	which, if either kind or	2, 6/1

his utter spoil and undeserved	destruction	, only for that it happed	2, 70/27

such cause in himself, he	determined	upon the surety of his	2, 18/17
that if she finally were	determined	to keep him, some of	2, 34/1
to serve her, nor place	determined	, nor persons appointed, all things	2, 40/29

peaceable possession of the realm,	determining	himself to marry, as it	2, 60/4

labour and study in the	device	of some convenient pretext for	2, 59/15
the Queen. According to this	device	, Doctor Shaw the Sunday after	2, 66/25

he, I will not to	dinner	till I see thy head	2, 49/13
made so much haste to	dinner	: which he might not go	2, 49/16
But the Protector immediately after	dinner	, intending to set some colour	2, 52/25

Which, an if he had	discretion	to require it if need	2, 32/18
indifferently examined and by other	discretions	ordered, and either judged or	2, 23/14
that for very anger and	disdain	he at his return assembled	2, 65/15
hearty favour in that he	disdained	not to marry with one	2, 63/12

the first sickness, with which	disease	nature, being forlaboured, forwearied and	2, 35/12
a while been so sore	diseased	, vexed with sickness, and is	2, 35/6
Duke of Gloucester sent a	dish	from his own table to	2, 20/3
that judgment, than to the	dishonesty	of those that either for	2, 70/19
it redoundeth greatly to the	dishonour	both of the King's Highness	2, 26/16
as much desired as our	dishonour	, and as much regard took	2, 28/30
as it was their both	dishonour	, and all theirs and hers	2, 34/14
sanctuary man, to their both	dishonour	and obloquy: since there is	2, 35/25
the rushes, all desolate and	dismayed	, whom the Archbishop comforted in	2, 21/28
place, all the lords much	dismayed	and sore marveling of this	2, 47/18
cannot play their parts, they	disorder	the play and do themselves	2, 81/10
a very blemish, and high	disparagement	to the sacred majesty of	2, 62/27
Free was he called of	dispense	and somewhat above his power	2, 8/4
whom he thought to kill;	dispiteous	and cruel, not for evil	2, 8/10
their unnatural uncle and his	dispiteous	tormentors. Which things on every	2, 86/20
what wretched end ensueth such	dispiteous	cruelty. For first to begin	2, 86/24
time as he died, the	displeasure	of those that bore him	2, 4/3
stretch and extend to the	displeasure	of very many, and was	2, 4/24

of all men, and high	displeasure	of God, if the privilege	2, 27/30
he may lawfully, without any	displeasure	to Saint Peter, take her	2, 33/1
to the importable? grief and	displeasure	of the King's royal Majesty	2, 34/11
of babble, sometimes taunting without	displeasure	and not without disport. The	2, 56/4
relief. Where the King took	displeasure	, she would mitigate and appease	2, 56/16
truth, for fear of his	displeasure	. But the other point, concerning	2, 59/31
for some fear or some	displeasure	, were not out of peril	2, 71/26
that he knoweth in avoiding	displeasure	of my noble Lord Protector	2, 73/26
of their coming without his	displeasure	, without which pardon obtained they	2, 78/1
way. Wherewith he took such	displeasure	and thought that the same	2, 83/23
give the Duke occasion of	displeasure	or the Duke the Protector	2, 90/6
as also for their both	disport	and recreation: which thing the	2, 34/26
without displeasure and not without	disport	. The King would say that	2, 56/5

his presence should refrain evil	disposed	persons from the boldness of	2, 14/8
with him; for he was	disposed	utterly no longer to bide	2, 49/32
war, as to which his	disposition	was more meetly than for	2, 8/1
state of things and the	dispositions	of men were then such	2, 43/26
that he would no longer	dispute	the matter. But if she	2, 40/12
they should have space to	dispute	and digest the matter and	2, 58/8
possession, I purpose not to	dispute	his title. But for the	2, 93/19
the Duke, not able to	dissemble	their sorrow, were fain at	2, 77/4

enough. And he thanked the	Duke	, and prayed the messenger to	2, 20/5
this comfortable courtesy of the	Duke	of Gloucester, he sent the	2, 20/10
beheaded. In this wise the	Duke	of Gloucester took upon himself	2, 20/15
full of boats of the	Duke	of Gloucester's servants, watching that	2, 22/14
lords to believe that the	Duke	of Gloucester was sure and	2, 23/4
of his reign. But the	Duke	of Gloucester bore him in	2, 24/23
and wealth of the young	Duke	himself, the King's most honourable	2, 27/1
to the King and the	Duke	his brother honourable, and a	2, 27/20
Nay, womanish frowardness ! quoth the	Duke	of Buckingham, for I dare	2, 28/20
his hands. Verily, quoth the	Duke	, I think you say very	2, 32/32
breaketh no sanctuary. When the	Duke	had done, the temporal men	2, 33/20
but also to the young	Duke	himself, whose both great wealth	2, 34/24
yet more convenient that the	Duke	of York were with the	2, 35/23
is not honourable that the	Duke	bide here: it were Comfortable	2, 38/11
were content to deliver the	Duke	to him and to the	2, 40/13

last she took the young	Duke	by the hand, and said	2, 41/13
him had received this young	Duke	, they brought him into the	2, 42/13
and also chiefly to the	duke	of Buckingham. Although I know	2, 42/27
that many thought that this	Duke	was privy to all the	2, 42/29
Protector's friends said that the	Duke	was the first mover of	2, 42/31
opened his enterprise to the	Duke	until he had brought to	2, 43/3
matter, and specially to the	Duke	, who being won to his	2, 43/7
matter was broken unto the	Duke	by subtle folks and such	2, 43/9
and that with repenting the	Duke	should nothing avail, for there	2, 43/17
had he spials? for the	Duke	and trains? to catch him	2, 43/24
Besides these requests of the	Duke	, the Protector of his own	2, 44/6
But the Protector and the	Duke	, after that that they had	2, 44/15
truth the Protector and the	Duke	of Buckingham made very good	2, 46/10
their coming, himself, with the	Duke	of Buckingham, stood harnessed in	2, 52/27
suddenly destroyed him and the	Duke	there the same day in	2, 53/2
the Lord Protector and the	Duke	of Buckingham, sitting in the	2, 53/17
inherit the crown by the	Duke	of York, and the Prince	2, 59/21
King Edward himself nor the	Duke	of Clarence were lawfully begotten	2, 66/19
the very children of the	Duke	of York, but begotten unlawfully	2, 66/20
of the Lord Richard, late	Duke	of York, calling him father	2, 67/8
King Edward himself, nor the	Duke	of Clarence, among those that	2, 67/23
the children of the noble	Duke	, as those that by their	2, 67/25
very face of the noble	Duke	, his father. This is, quoth	2, 67/30
express likeness of that noble	Duke	. Now was it before devised	2, 67/32
very face of the noble	Duke	of York, his father. This	2, 68/18
express likeness of the noble	Duke	, whose remembrance can never die	2, 68/20
the Protector, accompanied with the	Duke	of Buckingham, went through the	2, 68/22
the Guildhall in London the	Duke	of Buckingham, accompanied with divers	2, 69/2
in the Protector's name, the	Duke	stood up and (as he	2, 69/8
the most excellent Prince, Richard,	Duke	of Gloucester, now Protector of	2, 73/11
the late noble Prince, Richard,	Duke	of York, to whose royal	2, 73/31
son of the fore-remembered noble	Duke	of York. Which thing well	2, 74/3
to show us. When the	Duke	had said, and looked that	2, 74/34
word answered thereunto. Wherewith the	Duke	was marvelously abashed and, taking	2, 75/4
that counsel drew about the	Duke	and said that the people	2, 75/19
the commons of that the	Duke	had twice rehearsed them himself	2, 75/27
been men amazed. Whereupon the	Duke	rounded unto the Mayor and	2, 75/31
they said. And when the	Duke	and the Mayor saw this	2, 76/24
may. Wherefore, friends, quoth the	Duke	, since that we perceive it	2, 76/28
that came thither with the	Duke	, not able to dissemble their	2, 77/4
according to their appointment, the	Duke	of Buckingham, with divers noblemen	2, 77/12
other gentlemen. And thereupon the	Duke	sent word unto the Lord	2, 77/13
good or harm. Then the	Duke	when he had showed this	2, 77/20
they meant. And thereupon the	Duke	of Buckingham first made humble	2, 77/29
to be grieved. When the	Duke	had this leave and pardon	2, 78/9

Upon this answer given, the	Duke	, by the Protector's licence, a	2, 79/12
most dear father, Richard, late	Duke	of York, to which title	2, 80/2
rather good confederation between the	Duke	of Buckingham and many other	2, 87/23
whereupon the King and the	Duke	fell out is of divers	2, 87/24
folk diverse wise pretended. This	Duke	, as I have for certain	2, 88/1
informed, as soon as the	Duke	of Gloucester, upon the death	2, 88/2
like secret trust with the	Duke	of Gloucester, desiring that in	2, 88/6
of his master. And the	Duke	of Gloucester, advertised of his	2, 88/8
with farther message from the	Duke	, his master, within few days	2, 88/15
departed. Whereupon at Northampton the	Duke	met with the Protector himself	2, 89/1
whence, as soon as the	Duke	came home, he so lightly	2, 89/4
I heard say that the	Duke	, a little before the Coronation	2, 89/8
required of the Protector the	Duke	of Hereford's lands, to which	2, 89/9
distrust of other that the	Duke	verily looked to have been	2, 89/24
the Protector had of the	Duke	, and in what peril the	2, 90/5
and in what peril the	Duke	stood if he fell once	2, 90/5
the Protector would give the	Duke	occasion of displeasure or the	2, 90/6
occasion of displeasure or the	Duke	the Protector occasion of mistrust	2, 90/7
Very truth it is, the	Duke	was an high-minded man, and	2, 90/10
they saw it, that the	Duke	, at such time as the	2, 90/11
the mean to set this	Duke	in his top,? joined gentlemen	2, 91/7
drifts; whereby, perceiving now this	Duke	glad to commune with him	2, 91/21
lead him. For when the	Duke	first began to praise and	2, 92/2
no farther. Then longed the	Duke	sore to hear what he	2, 92/17
am I then?' The	Duke	laughed merrily at the tale	2, 93/10
to less. Then longed the	Duke	yet much more to wit	2, 93/16
lives. But forasmuch as this	Duke's	demeanour ministreth in effect all	2, 6/8
suchlike being beaten into the	Duke's	mind, brought him to that	2, 43/29
the Protector should have the	Duke's	aid to make him King	2, 44/1
lawful son should marry the	Duke's	daughter, and that the Protector	2, 44/3
he showed everything as the	Duke's	words and no part his	2, 75/29
hall a bushment? of the	Duke's	servants and Nashfield's, and others	2, 76/16
indignation that he rejected the	Duke's	request with many spiteful and	2, 89/13
nor any demand of the	Duke's	uncourteously rejected, but he both	2, 90/15
his own deliverance and the	Duke's	destruction. The Bishop was a	2, 90/21
process of their communications the	Duke's	pride now and then balk	2, 91/23
gone from Northampton, when these	Dukes	of Gloucester and Buckingham came	2, 17/8
much friendly cheer between these	Dukes	and the Lord Rivers a	2, 17/16
the Lord Rivers lodged, the	Dukes	secretly with a few of	2, 17/20
were unready. Now had these	Dukes	taken also into their custody	2, 17/28
other license, forasmuch as the	Dukes	themselves intended, for the show	2, 18/5
sea. All which things these	Dukes	wist well were done for	2, 19/16
whom he heard that these	Dukes	were gone back with the	2, 21/10
attempted by them against the	Dukes	of Gloucester and Buckingham, put	2, 23/7
matter were, not by the	Dukes	only, but also by all	2, 23/12

Coronation – towards which the	Dukes	were coming up, that they	2, 23/19
specially by that that the	Dukes	of Gloucester and Buckingham were	2, 23/27
contrived the destruction of the	Dukes	of Gloucester and Buckingham and	2, 23/32
proof thereof, such of the	Dukes'	servants as rode with the	2, 24/4
Wit, if they were so	dull	that they could nothing perceive	2, 40/20
there was no man so	dull	that heard them but he	2, 80/23
letted to? put them in	duress	? without colour will let as	2, 36/29
till it were achieved, yet	durst	he no further attempt as	2, 25/13
so undevout a King that	durst	that sacred place violate, or	2, 28/7
so holy a Bishop that	durst	it presume to consecrate. And	2, 28/8
tyrant yet so devilish that	durst	presume to break? And I	2, 37/31
other lords there present, he	durst	lay his own body and	2, 40/14
so terrible words, that he	durst	no further break. And of	2, 46/18
the world, into which he	durst	never after come abroad. But	2, 59/6
so greatly increased that she	durst	somewhat the more boldly say	2, 61/21
matter that either the Bishops	durst	not, or the King would	2, 64/31
him home and never after	durst	look out for shame but	2, 68/28
without which pardon obtained they	durst	not be bold to move	2, 78/1
turn, we write it in	dust	: which is not worst proved	2, 57/6
that, under pretext of her	duty	to Godward, she devised to	2, 64/22
that it was the chiefest	duty	of a king to minister	2, 81/21
Shore's wife (for her husband	dwelled	not with her) and spoiled	2, 54/15
the house of one Pottier,	dwelling	in Red Cross Street without	2, 9/10
peaceably enjoyed it until his	dying	day, and in such plight	2, 66/6
a wind in every man's	ear	. But the Protector immediately after	2, 52/24
shall never come near their	ear	. In good faith, Sir, said	2, 93/13
then Lord Howard, and after	Earl	of Surrey. And Katherine, which	2, 3/13
Lord Stanley, that was after	Earl	of Derby, wisely mistrusted it	2, 45/12
sent over in embassy the	Earl	of Warwick, with other noblemen	2, 60/5
Spain. In which thing the	Earl	of Warwick found the parties	2, 60/9
After which done, and the	Earl	of Warwick being in his	2, 60/24

her boon. But when the	Earl	of Warwick understood of this	2, 65/13
spoken. In which meantime the	Earl	of Warwick took out of	2, 65/26
by the power of the	Earl	of Warwick, which was a	2, 65/29
Easter Day field, slew the	Earl	of Warwick with many other	2, 66/3
the quiet possession of the	Earldom	of Hereford, which he claimed	2, 44/4
Stony Stratford eleven miles thence,	early	ere he departed. So was	2, 17/15
made her answer, part in	earnest	, part in play merrily, as	2, 63/2
it should be in mine	ears	ere it were well out	2, 45/20
ran the blood about his	ears	. Then were they all quickly	2, 49/5
tedious flattery that no man's	ears	could abide them. Penker in	2, 59/2
you will, if ye anything	earthly	regard either God or your	2, 13/22
so lovingly, that they, nothing	earthly	mistrusting, brought the King up	2, 17/5
joyous and amiable manner, nothing	earthly	knowing nor mistrusting as yet	2, 19/5

any man should for anything	earthly	enterprise to break the immunity	2, 28/10
spiritual also, thinking none hurt	earthly	meant towards the young babe	2, 33/21
I dare put no person	earthly	in trust with his keeping	2, 35/8
be beheaded, and without other	earthly	guilt but only that they	2, 58/1
reckoned the amity of no	earthly	nation so necessary for him	2, 63/10
among themselves, nor in none	earthly	nation so deadly and so	2, 71/12
govern them, whom no man	earthly	can govern against their wills	2, 79/31
the hope of gay apparel,	ease	, pleasure, and other wanton wealth	2, 55/15
of truth not well at	ease	, and that both to King	2, 90/14
of kindred, they might, peradventure,	easily	have been trapped and brought	2, 15/11
ere this. Why not as	easily	as they have done some	2, 15/12
the thing that the more	easily	made her incline unto the	2, 55/12
such manner as they might	easily	perceive it bootied not greatly	2, 61/32
brought, and there, in the	east	end of the hall, where	2, 69/4
St. Mary's Hospital at the	Easter	after. But certain is it	2, 59/11
had, at Barnet on the	Easter	Day field, slew the Earl	2, 66/3
them that were of themselves	easy	to kindle, and in especial	2, 15/27
she well trusteth, it is	easy	to perceive that frowardness letteth	2, 29/11
and secret to his friend;	easy	to beguile, as he that	2, 52/20
known taxes but, under an	easy	name of benevolence and good	2, 69/31
King, and thereby feeling him	easy	to fall out if the	2, 91/25
approached near to the city,	Edmund	Shaw, goldsmith, then Mayor, with	2, 24/16
whom they made of counsel	Edmund	Shaw, knight, then Mayor of	2, 58/16
KING	EDWARD	, of that name the Fourth	2, 3/1

Wakefield slain, leaving three sons,	Edward	, George, and Richard. All three	2, 6/25
authority, and impatient of partners.	Edward	, revenging his father's death, deprived	2, 6/28
of Malmesey; whose death King	Edward	(albeit he commanded it) when	2, 7/14
self night in which king	Edward	died, one Mistlebrook long ere	2, 9/8
showed unto Pottier that King	Edward	was departed. By my troth	2, 9/12
with his own blood. King	Edward	in his life, albeit that	2, 10/10
Ye remember, I trow, King	Edward	himself, albeit he was a	2, 15/4

from the death of King	Edward	kept Shore's wife, on whom	2, 48/20
beside the body of King	Edward	, whose both souls our Lord	2, 49/24
had been accused unto King	Edward	by the Lord Rivers, the	2, 51/19
allege bastardy, either in King	Edward	himself, or in his children	2, 59/20
To lay bastardy in King	Edward	sounded openly to the rebuke	2, 59/24
Edward's marriage. After that King	Edward	the Fourth had deposed King	2, 60/2

at Saint Albans? against King	Edward	. And little while enjoyed he	2, 60/22
where she was delivered of	Edward	, the Prince, of whom we	2, 65/25
which was before by King	Edward	deposed and that much what	2, 65/28
always; for in conclusion King	Edward	returned, and with much less	2, 66/2
the people that neither King	Edward	himself nor the Duke of	2, 66/18

verily the wife of King	Edward	, and so the Prince and	2, 66/22
he declared then that King	Edward	was never lawfully married unto	2, 67/13
And besides that, neither King	Edward	himself, nor the Duke of	2, 67/23
he said, also, that King	Edward	was far off. But the	2, 67/27
you, the children of King	Edward	the Fourth were never lawfully	2, 73/15
love he bore unto King	Edward	and his children, that so	2, 78/27
upon the death of King	Edward	, came to York and there	2, 88/3
solemn funeral service for King	Edward	, sent thither in the most	2, 88/4
and the Prince, while King	Edward	had the King in prison	2, 90/26
the crown and not King	Edward	. But after that God had	2, 92/8
to lose it and King	Edward	to reign, I was never	2, 92/9
So was I to King	Edward	faithful chaplain, and glad would	2, 92/10
he long time in King	Edward's	life forethought to be king	2, 8/26
him straight after of King	Edward's	death. But others again, which	2, 43/1
never obtain it in King	Edward's	time. Besides these requests of	2, 44/5
devised to surmise in King	Edward's	child, that would he should	2, 59/33
long before done about King	Edward's	marriage. After that King Edward	2, 60/2
by which he pretended King	Edward's	children to be bastards, But	2, 66/12
the realm was appointed? King	Edward's	line should not any longer	2, 79/17
suffer in any wise King	Edward's	line to govern them, whom	2, 79/31
ye have heard, after King	Edward's	death first taken by the	2, 91/5
marriage between him and King	Edward's	daughter, by which his faith	2, 91/8
was well assuaged, and in	effect	quenched, in that that many	2, 4/5
this Duke's demeanour ministrerth in	effect	all the whole matter whereof	2, 6/9
the same party, and, in	effect	, every one as he was	2, 14/14
the young babe, condescended in	effect	that, if he were not	2, 33/22
is the whole sum and	effect	of this our present errand	2, 72/31
shall make his Grace so	effectual	report that we doubt not	2, 76/30
titles possible take for most	effectual	: we be content and agree	2, 80/4
ourselves hath been so great	effusion	of the ancient noble blood	2, 71/20
bloods together hath been the	effusion	of great part of the	2, 73/20
secret meeting and communication had,	eftsoon	departed. Whereupon at Northampton the	2, 88/19
great hurt afore, that we	eftsoons	fall not in that occasion	2, 13/8
out of danger ere day.	Eh	, good lord, quoth the Lord	2, 50/10
twenty years, one month, and	eight	days, died at Westminster the	2, 3/3
Seventh and mother unto the	Eighth	; Cecily, not so fortunate as	2, 3/9
her nephew, King Henry the	Eighth	, in very prosperous estate, and	2, 3/17
men also and some lords	eke	, to mark the matter and	2, 45/10
specially, the one at the	elbow	of the city, the other	2, 30/29
his doublet sleeve to his	elbow	upon his left arm, where	2, 48/10
and slipper? youth underpropped with	elder	counsel, which neither they can	2, 11/23
tender age considered of the	elder	of them both, but specially	2, 35/4
and benevolently minded towards his	election	. Wherein, dear friends, what mind	2, 74/33
title is now joined your	election	, the nobles and commons of	2, 80/3
of June, after this mockish	election	, then was he crowned the	2, 82/9

with him at Stony Stratford	eleven	miles thence, early ere he	2, 17/14
one hour, between ten and	eleven	, he returned into the chamber	2, 47/15
of York, two years younger;	Elizabeth	, whose fortune and grace was	2, 3/7
petition to the King, Dame	Elizabeth	Gray, which was after his	2, 60/13
her father. Howbeit, this dame	Elizabeth	, herself being in service with	2, 60/17
whereas the only widowhood of	Elizabeth	Gray, though she were in	2, 62/24
he should marry one dame	Elizabeth	Lucy, whom the King had	2, 64/24
King was sure to dame	Elizabeth	Lucy and her husband before	2, 64/29
and openly testified. Whereupon dame	Elizabeth	Lucy was sent for and	2, 64/33
feast and honourable solemnity married	Elizabeth	Gray, and her crowned Queen	2, 65/9
mother; and that also dame	Elizabeth	Lucy was verily the wife	2, 66/22
before God, husband unto dame	Elizabeth	Lucy, and so his children	2, 67/15
living his very? wife dame	Elizabeth	Lucy) was never lawfully married	2, 73/17

the commodity of any man	else	, except only the immoderate advancement	2, 15/7
any one man alone, or	else	that if she finally were	2, 33/32
would remember their imprisonment); or	else	, if they were put to	2, 43/14
reverence towards his King, or	else	of a certain kind of	2, 48/22
fell under the table, or	else	his head had been cleft	2, 49/3
I know, which few know	else	as yet, and more shall	2, 52/5
much moved the Protector, which	else	, as every man may wit	2, 79/25
he must take it or	else	he and his both go	2, 79/28
though he pay for nothing	else	. And yet must he be	2, 80/29
reckon himself at home, and	else	had he been put in	2, 92/25
more expedient to keep him	elsewhere	. Which in this well appeareth	2, 35/28
thence: and to convey him	elsewhere	neither had she time to	2, 40/28
cause. And if ye cannot	elsewhere	, then may you leave him	2, 42/4
that had not been wont	elsewhere	to be so stiffly said	2, 61/26
Lord Chancellor, the Bishop of	Ely	, the Lord Stanley, and the	2, 44/17
said unto the Bishop of	Ely	: My lord, you have very	2, 47/6
Richard, Doctor Morton, Bishop of	Ely	, who, as ye before heard	2, 90/19
realm, he sent over in	embassy	the Earl of Warwick, with	2, 60/5
of Warwick being in his	embassy	about the fore-remembered marriage, this	2, 60/24
it so highly that his	embassy	was deluded that for very	2, 65/14
days, albeit he was sore	enamoured	upon her, yet he forbore	2, 55/22
pitied her but also waxed	enamoured	on her, and taking her	2, 61/7
liberty uncorrected. And for this	encheason	? the Prince was in the	2, 14/6
of his execution might have	encouraged	other mischievous persons, partners of	2, 53/33
goods as their persons greatly	endangered	, either by feigned quarrels or	2, 70/31
therein to do his uttermost	endeavour	. Howbeit, if she could be	2, 27/25
at no lack of my	endeavour	, but the mother's dread and	2, 28/18
he would do his uttermost	endeavour	to set the realm in	2, 79/7
within two hours after. Thus	ended	this honou able man, a	2, 52/16
shameful sermon. After which once	ended	, the preacher got him home	2, 68/26
slaughter, till his own destruction	ended	it. But as he finished	2, 82/15

one man might well wish,	ended	them so godly that his	2, 91/16
would have said, because he	ended	with the King and there	2, 92/18
brought him to an unhappy	ending	: which he was now put	2, 53/29
without recreation and play cannot	endure	, nor any stranger for the	2, 34/28
that he never after could	endure	to look aright on King	2, 89/15
Henry. But the Duke, not	enduring	so long to tarry, but	2, 6/21
therewithal the King, no longer	enduring	to sit up, laid him	2, 13/24
estate: no fear of outward	enemies	, no war in hand, nor	2, 4/27
or the envy of his	enemies	, his brother against him. For	2, 7/4
under the name of their	enemies	. Upon this concluded, the Duke	2, 16/3
not all in keeping from	enemies	or ill viands, but partly	2, 26/7
that I am with their	enemies	better beloved than they? When	2, 37/4
be some abroad so deadly	enemies	unto my blood, that if	2, 41/22
is turned: now stand mine	enemies	in the danger (as thou	2, 52/11
at any time the King's	enemies	, which was at one time	2, 71/6
him good that all the	enemies	he had, except the devil	2, 84/12
this young King in our	enemies'	hand, which without his witting	2, 15/16
hacked and hewn of his	enemies'	hands, harried on horseback dead	2, 87/5
was no warning, but an	enemious	? scorn. The same morning ere	2, 50/32

would I not my mortal	enemy	were. The Lord Cardinal, perceiving	2, 40/7
and open to of his	enemy	, and secret to his friend	2, 52/20
crowned Queen that was his	enemy's	wife and many time had	2, 65/10
his natural strength so sore	enfeebled	that he despaired all recovery	2, 10/15

so many perceive that this	errand	was not one man's mind	2, 33/31

Protector and now King . . . And	even	there he left, saying that	2, 92/14
which never asked little, but	everything	was hawsed? above the measure	2, 70/4
his tale that he showed	everything	as the Duke's words and	2, 75/29
greedy appetite was insatiable and	everywhere	over all the realm intolerable	2, 72/6
and ornately, and nevertheless so	evidently	and plain, with voice, gesture	2, 75/11
many things unnaturally committed. None	evil	captain was he in the	2, 7/30

of his presence should refrain	evil	disposed persons from the boldness	2, 14/8

as the sea or their	evil	debtors have brought in poverty	2, 30/8
perceive towards the child any	evil	intended. The Queen with these	2, 40/23
as that he was an	evil	counsellor to the King's father	2, 53/21
of his realm, by his	evil	ungracious	2, 53/23
because they were not so	evil	. For men use, if they	2, 57/4
use, if they have an	evil	turn, to write it in	2, 57/5
in their lives heard so	evil	a tale so well told	2, 75/13
thick. And as the thing	evil	got is never well kept	2, 82/13
the other, taking it in	evil	part, sent him word to	2, 89/19
Whereupon he rode on with	evil	will, and that notwithstanding, on	2, 89/20

both Dighton and he were	examined	and confessed the murder in	2, 86/12
And as simple as that	example	is, yet is there less	2, 33/6
ungracious	example	, as well in many other	2, 53/24

lest the delaying of his	execution	might have encouraged other mischievous	2, 53/33

between you, not always for	great	causes. Sometimes a thing right	2, 12/5
well: ye never had so	great	cause of hatred as ye	2, 12/8
occasion we have taken so	great	hurt afore, that we eftsoons	2, 13/8

men of honour and of	great	power, the one by long	2, 15/30

you. And here is the	Great	Seal, which in likewise as	2, 22/9

suddenly had yielded up the	Great	Seal to the Queen, to	2, 22/30
of lowliness, that from the	great	obloquy in which he was	2, 24/25

which had delivered up the	Great	Seal to the Queen, was	2, 25/2

much harm, and you to	great	reproach. For lo, here is	2, 41/18
own mind promised him a	great	quantity of the King's treasure	2, 44/7
were it that before such	great	things, men's hearts of a	2, 44/25
power chiefly lay. But surely	great	pity was it that he	2, 45/30
And therewith, as in a	great	anger, he clapped his fist	2, 48/27
fist upon the board a	great	rap. At which token given	2, 48/27

well passed, it gave him	great	pleasure to talk with him	2, 51/29

the being there of a	great	and honourable company, to move	2, 77/14
honourable company, to move a	great	matter unto his Grace. Whereupon	2, 77/15
With this there was a	great	shout, crying, King Richard! King	2, 80/16
day the Protector, with a	great	train, went to Westminster hall	2, 81/12
in the ground, under a	great	heap of stones. Then rode	2, 85/29
Then rode Sir James in	great	haste to King Richard, and	2, 86/1
the murder, who gave him	great	thanks and, as some say	2, 86/2
royal blood, brought up in	great	wealth, likely long to live	2, 86/16
departed, as it seemed, very	great	friends at Gloucester. From whence	2, 89/3
rejected, but he both with	great	gifts and high benefits, in	2, 90/16
Bishop was a man of	great	natural wit, very well learned	2, 90/22
adverse fortune, had got by	great	experience, the very mother and	2, 91/19
of flesh fled away a	great	pace. The fox, that saw	2, 93/4
more esteem and take for	greater	kindness a little courtesy than	2, 5/21

that sometimes without small things	greater	cannot stand. And verily it	2, 26/15

The other two were somewhat	greater	personages, and nevertheless of their	2, 56/10
had not reckoned it a	greater	thing to make a king	2, 65/33
uncomely. He was of youth	greatly	given to fleshly wantonness: from	2, 4/20
hardly refraineth. This fault not	greatly	grieved the people, for neither	2, 4/22

King's affection towards her so	greatly	increased that she durst somewhat	2, 61/19

which peradventure we not so	greatly	needed but that the lords	2, 76/3
great and stately of stomach,	greedy	and ambitious of authority, and	2, 6/27
I see some men so	greedy	without any substantial cause to	2, 37/10
all men know, the King's	greedy	appetite was insatiable and everywhere	2, 72/5
he brought forth into the	green	beside the Chapel within the	2, 49/20
Whereupon he sent one John	Green	, whom he specially trusted, unto	2, 83/15

therefore; with which answer John	Green	, returning, recounted the same to	2, 83/22

what indifferent : where his advantage	grew	, he spared no man's death	2, 8/12
if any were, it rather	grew	of riot and unreasonable waste	2, 69/27
would marvel whereof that change	grew	. And surely the occasion of	2, 89/6

hath within these few years	grown	in this realm, I pray	2, 13/1
there is so much mischief	grown	. For lack of which lawful	2, 73/22
of those that bore him	grudge	for King Henry's sake the	2, 4/4
to maintain, a long continued	grudge	and heartburning between the Queen's	2, 9/28
should turn to the great	grudge	of all men, and high	2, 27/30
loveth me so little to	grudge	at that I love, nor	2, 63/31
of his honour, murmur or	grudge	of the world, he would	2, 72/10
against whom the Queen specially	grudged	, for the great favour the	2, 11/2
better; albeit his heart somewhat	grudged	that he was not afore	2, 48/1
truth nor, turning their private	grudges	into the common hurt, irritating	2, 23/17
the Protector had provided privy	guard	for himself, so had he	2, 43/23
law maketh his mother his	guardian	. Then may no man, I	2, 38/30
law give a child a	guardian	only for his goods and	2, 39/4
since man's law serveth the	guardian	to keep the infant, the	2, 39/26
by the appointment of a	guardian	. I would not be a	2, 64/1
were hard I ween to	guess	. And if some folks' friendship	2, 15/9
like as though men should	guess	the beauty of one long	2, 55/29

to take upon him the	guiding	and governance of this realm	2, 74/10

beheaded, and without other earthly	guilt	but only that they were	2, 58/1

guiltless? As though they were	guilty	! In that I am with	2, 37/4
a mind that knoweth itself	guilty	is in a manner dejected	2, 82/4
slain in the the field,	hacked	and hewn of his enemies'	2, 87/5
harried on horseback dead, his	hair	in despite torn and tugged	2, 87/6
long as he had but	half	his prey in his hand	2, 25/13
thought his strength more than	half	increased. The matter was broken	2, 43/8
time and other more than	half	the realm. Thus were neither	2, 71/7
this realm that scarcely the	half	remaineth, to the great enfeebling	2, 71/21

if the matter were well	handled	, he craftily sought the ways	2, 91/25
were their craftmasters in the	handling	of such wicked devices, who	2, 43/10
He slew with his own	hands	King Henry the Sixth, being	2, 8/14

be afeard to set their	hands	to the amendment: as though	2, 31/4
wise men would set their	hands	to, it might be amended	2, 31/18
with the labour of his	hands	. Verily, quoth the Duke, I	2, 32/32
put him in the Protector's	hands	, that hath his brother already	2, 39/28
to be delivered into his	hands	in whom they should perceive	2, 40/22
if she with her own	hands	betook him to them of	2, 41/12
him, to keep into your	hands	, of whom I shall ask	2, 41/33
both the children in his	hands	, he opened himself more boldly	2, 42/25
her sons into his own	hands	, then he opened the rest	2, 43/5
and to set his gracious	hands	to the redress and amendment	2, 78/15
and hewn of his enemies'	hands	, harried on horseback dead, his	2, 87/5

the bigamy, let the bishop	hardly	? lay it in my way	2, 64/17
in the field bold and	hardy	, and nevertheless no farther than	2, 4/13
wiliest, the third the holiest	harlot	in his realm, as one	2, 56/8

that there could be none	harm	towards him in that Council	2, 46/5

they came for good or	harm	. Then the Duke when he	2, 77/20

yet well foreseeing that many	harms	might grow by their debate	2, 10/18
lawful hurt. For against unlawful	harms	, neither Pope nor King intended	2, 31/30
companies and went flockmele? in	harness	, and many also, for that	2, 22/21
no marvel though some were	harness	, which at the breaking up	2, 24/6

would rather have had their	harness	on their backs than to	2, 24/13
come there rushing men in	harness	, as many as the chamber	2, 48/29

on for their defence such	harness	as came next to hand	2, 53/5

other lord that he should	harp	no more upon that string	2, 36/33
hewn of his enemies' hands,	harried	on horseback dead, his hair	2, 87/5

he caused in all the	haste	all his servants to be	2, 21/16
he found much heaviness, rumble,	haste	and business, carriage and conveyance	2, 21/20
And therewith, in all the	haste	, he sent his servant for	2, 47/9
the Protector made so much	haste	to dinner: which he might	2, 49/15

sent by the Protector to	haste	him thitherward, with whom he	2, 51/3

after dinner in all the	haste	an herald of arms, with	2, 53/11
paper and scribbled forth in	haste	at adventure. So that upon	2, 54/9
cast,? foul cast away? for	haste	. And a merchant answered him	2, 54/12
desire, determined in all possible	haste	to marry her. And after	2, 61/29
for a word spoken in	haste	cruelly beheaded, by the misconstruing	2, 70/14

whither he made all that	haste	; and he answered, ' In	2, 93/5

of Buckingham, and Richard, Lord	Hastings	and Chamberlain, both men of	2, 15/29
at this meeting the Lord	Hastings	, whose truth towards the King	2, 23/3
these persuasions of the Lord	Hastings	, whereof part himself believed, of	2, 23/25

and said unto the Lord	Hastings	that he much disliked these	2, 45/13
My lord, quoth the Lord	Hastings	, on my life, never doubt	2, 45/17
in whom if the Lord	Hastings	had not put so special	2, 45/33
good semblance unto the Lord	Hastings	, and kept him much in	2, 46/11
possible to win the Lord	Hastings	into their part. But Catesby	2, 46/16
motions might with the Lord	Hastings	diminish his credence, whereunto only	2, 46/21
the rule that the Lord	Hastings	bore in his country, the	2, 46/26
favoured her. But the Lord	Hastings	was in his mind better	2, 47/32
Protector said to the Lord	Hastings	: I arrest thee, traitor. What	2, 48/31

good lord, quoth the Lord	Hastings	to this messenger, leaneth my	2, 50/10
there met he with one	Hastings	, a pursuivant of his own	2, 51/15

And therefore he said, Ah,	Hastings	, art thou remembered when I	2, 52/2
name, containing that the Lord	Hastings	, with divers others of his	2, 53/15
and when he was with	hasty	rapping quickly let in, he	2, 9/11
of malice but of nature,	hate	them whom their husbands love	2, 7/7
them, if each of you	hate	other. If they were men	2, 11/20
to think that we should	hate	the King's noble brother, to	2, 28/28
beloved than they? When they	hate	them for my sake! In	2, 37/5
to pity them and to	hate	the Protector and his part	2, 57/30
intent that no man should	hate	him for fear, and that	2, 81/26
outwardly compinable? where he inwardly	hated	, not letting? to kiss whom	2, 8/9
of all women she most	hated	, as that concubine whom the	2, 48/16
many good folk, also, that	hated	her living and glad were	2, 55/3
whom he had long deadly	hated	, should be brought then before	2, 81/33
not untoothed whether men of	hatred	report above the truth, or	2, 7/27
places and get him steadfast	hatred	. He was close and secret	2, 8/6
the other maketh, and for	hatred	of each of other's person	2, 11/25
had so great cause of	hatred	as ye have of love	2, 12/8
other so much love as	hatred	both unto the Queen's party	2, 15/32
so wounded his heart with	hatred	and mistrust that he never	2, 89/15
said it was done in	hatred	and despite of him. And	2, 89/22
of them lived in such	hatred	and distrust of other that	2, 89/23
been to his noble children (having	in themselves also as many	2, 5/25
impugned, but for their destruction,	having	more regard to their old	2, 16/20
been long secret with him,	having	experience of the world and	2, 57/24
his coming home to Brecknock,	having	there in his custody, by	2, 90/18
asked little, but everything was	hawsed	? above the measure: ameracements? turned	2, 70/5
the table, or else his	head	had been cleft to the	2, 49/3
dinner till I see thy	head	off. It booted him not	2, 49/13
within the Tower, and his	head	laid down upon a long	2, 49/22
afterwards his body, with the	head	, interred at Windsor, beside the	2, 49/23
near the place where his	head	was off so soon after	2, 51/15
axe hung over his own	head	. In faith, man, quoth he	2, 52/9
might hap to break his	head	, and worthy, for marring of	2, 81/5
first set upon the Protector's	head	, his eye could not abide	2, 90/12
sight thereof, but wryed? his	head	another way. But men say	2, 90/13
horn that is in thine	head	. ' No, marry, '	2, 93/9
the loss of so many	heads	. But since things past cannot	2, 13/6

the one was then in	health	, and the other is now	2, 35/33
the ground, under a great	heap	of stones. Then rode Sir	2, 85/29
told him so? He shall	hear	him ask it an he	2, 38/22
and was also loath to	hear	, he said unto her, for	2, 40/11

marvelous case is it to	hear	either the warnings of that	2, 49/25
as thou mayest hap to	hear	more hereafter), and I never	2, 52/12
every man laughed at to	hear	it then so suddenly so	2, 54/23
cry and a joyful to	hear	, every man with one voice	2, 76/27
they would be loath to	hear	, then must they needs seek	2, 79/23
himself, as ye shall hereafter	hear	, slain in the the field	2, 87/4
longed the Duke sore to	hear	what he would have said	2, 92/17
his bedside, of whom he	heard	that these Dukes were gone	2, 21/10
And verily I have often	heard	of sanctuary men, but I	2, 33/8
sanctuary men, but I never	heard	erst? of sanctuary children. And	2, 33/9
found him so fast, and	heard	him speak so terrible words	2, 46/18
when the King beheld and	heard	her speak, as she was	2, 61/5
again that ye have already	heard	of him that can better	2, 73/1
every man much marvelled that	heard	him, and thought that they	2, 75/13
never had in their lives	heard	so evil a tale so	2, 75/13
thereunto, as ye before have	heard	, and finally to beseech his	2, 78/11
his. When the Protector had	heard	the proposition, he looked very	2, 78/24
no man so dull that	heard	them but he perceived well	2, 80/23
every way that I have	heard	, but after that way that	2, 83/5
way that I have so	heard	by such men and such	2, 83/6
allowed not, as I have	heard	, that burying in so vile	2, 86/3
sorrow within. For I have	heard	by credible report, of such	2, 87/10
diversely reported. Some have I	heard	say that the Duke, a	2, 89/8
another, so that I have	heard	of some that said they	2, 90/11

very princely to behold, of	heart	courageous, politic in counsel. in	2, 4/10
that could find in his	heart	so much mischief to conceive	2, 6/12
lowly of countenance, arrogant of	heart	, outwardly compinable? where he inwardly	2, 8/8
even with all my very	heart	. And he said in that	2, 42/17
he loved better; albeit his	heart	somewhat grudged that he was	2, 47/33
fearful an impression in his	heart	, that he was thoroughly determined	2, 50/7
our own fault or faint	heart	. And therefore go to thy	2, 50/22
here once with an heavy	heart	? Yea my lord, quoth he	2, 52/3
as he that of good	heart	and courage forestudied no perils	2, 52/21
to pierce a soft, tender	heart	. But when the King had	2, 55/16
he was of a proud	heart	highly desirous, should frame the	2, 58/18
mind, as to him whose	heart	she perceived more firmly set	2, 61/22
so struck him to the	heart	that within few days after	2, 68/33
while the dolour of their	heart	burst out at their eyes	2, 77/6
could not find in his	heart	in this point to incline	2, 78/30
The man had an high	heart	and sore longed upward, not	2, 84/3

words, which so wounded his	heart	with hatred and mistrust that	2, 89/14
a long continued grudge and	heartburning	between the Queen's kindred and	2, 9/28
the crown by battle, so	heartily	beloved with the substance of	2, 3/24
faintly than he that were	heartily	minded to his wealth.? And	2, 8/25
many time had prayed full	heartily	for his loss; in which	2, 65/11
and none the less I	heartily	pray you so to do	2, 74/26
only thing that withdraweth the	hearts	of Englishmen from the Prince	2, 5/2

Friends, for the zeal and	hearty	favour that we bear you	2, 69/11
them for the love and	hearty	favour they bore him, praying	2, 79/3

them that it was a	heinous	deed of the Queen, and	2, 25/20
of thieves, murderers, and malicious	heinous	traitors, and that in two	2, 30/28
worthy to be punished as	heinous	traitors, whatsoever they were. And	2, 47/28
heinously done, they be worthy	heinous	punishment. What! quoth the Protector	2, 48/24
most secret counsel of this	heinous	treason, with whom he lay	2, 53/27

held better place with the	King	than any respect of kindred	2, 15/10
if we suffer this young	King	in our enemies' hand, which	2, 15/16
that time were about the	King	intended to bring him up	2, 16/5

Coronation and honour of the	King	: if the lords of her	2, 16/15

sober company. Now was the	King	in his way to London	2, 17/7
the morrow to follow the	King	and be with him at	2, 17/14

they sent away from the	King	whom it pleased them, and	2, 19/31
and governance of the young	King	, whom with much honour and	2, 20/16

man thinketh that loveth the	King) let him consider that sometimes	2, 26/14
and reasonable, and to the	King	and the Duke his brother	2, 27/20
there never so undevout a	King	that durst that sacred place	2, 28/7
to suffer him from the	King	as any of us be	2, 28/32
sort of counsellors about a	King	, that let his brother be	2, 29/31
granteth of course or the	King	of pity may. Then look	2, 30/22
unlawful harms, neither Pope nor	King	intended to privilege any one	2, 32/1

lasteth always; for in conclusion	King	Edward returned, and with much	2, 66/2

colour, by which he pretended	King	Edward's children to be bastards	2, 66/11

For he declared then that	King	Edward was never lawfully married	2, 67/13

should the realm always find	kings	and peradventure as good kings	2, 13/14
kings and peradventure as good	kings	. But if you among yourselves	2, 13/14

he had imprisoned the Queen's	kingsfolk	, and got both her sons	2, 43/5
with his brother and his	kingsfolks	he saw in such places	2, 43/19
offended with him for his	kingsfolks'	sakes, and that if he	2, 43/12
young King, their master and	kinsman	, should be in the hands	2, 14/23
them: My lords, my dear	kinsmen	and allies, in what plight	2, 11/11
though the killing of his	kinsmen	could amend his cause and	2, 83/13
of all array save her	kirtle	only, yet went she so	2, 54/31
inwardly hated, not letting? to	kiss	whom he thought to kill	2, 8/9

God knoweth when we shall	kiss	together again. And therewith she	2, 42/10

him in his arms and	kissed	him, with these words: Now	2, 42/16
a big, broad, square, strong	knave	. Then, all the others being	2, 85/15
did his errand unto Brackenbury,	kneeling	before our Lady in the	2, 83/19
won the courtesy of men's	knees	with the loss of so	2, 13/6
the King, and on their	knees	in very humble wise saluted	2, 19/4

too far forth ere they	knew	the truth nor, turning their	2, 23/16
death. But others again, which	knew	better the subtle wit of	2, 43/2
showed few men what he	knew	. Howbeit, somewhat the dealing self	2, 44/29
was there present but well	knew	that his arm was ever	2, 48/18
higher. Thus say they that	knew	her in her youth, albeit	2, 55/26
and knights, more than haply	knew	the message that they brought	2, 69/4
them but if he first	knew	some part of their errand	2, 77/17
were it that he partly	knew	the things by them alleged	2, 78/26
of his death which only	knew	it, could never since come	2, 86/8
learned of them that much	knew	and little cause had to	2, 86/14
so, quoth he, if thou	knewest	as much as I know	2, 52/5
Richard and Sir Thomas Vaughan,	knight	, in the King's presence, and	2, 19/24
he were up, came a	knight	unto him, as it were	2, 51/1
now of great authority. This	knight	, when it happed the Lord	2, 51/5
honourable man, a good	knight	and a gentle, of great	2, 52/17
order of Sir Richard Ratcliff,	knight	, whose service the Protector specially	2, 57/21
all fear of God. This	knight	, bringing them out of the	2, 57/26
made of counsel Edmund Shaw,	knight	, then Mayor of London, which	2, 58/16
squire, whom King Henry made	knight	upon the field that he	2, 60/21
some say, there made him	knight	.? But he allowed not, as	2, 86/3
nothing by descent held by	knight's	service, the law maketh his	2, 38/30
little while enjoyed he that	knighthood	, for he was at the	2, 60/23
Prince, that special pattern of	knightly	prowess, as well in all	2, 67/28
Prince, the special pattern of	knightly	prowess, which as well in	2, 68/16
well considered, and the great	knightly	prowess pondered, with manifold virtues	2, 74/4
this dealing. And some lords,	knights	, and gentlemen, either for favour	2, 22/19

Lord Richard with the other	knights	were, for matters attempted by	2, 23/6
about that these lords and	knights	which were taken had contrived	2, 23/31
his time. Divers lords and	knights	were appointed unto divers rooms	2, 25/8
Pomfret, the fore-remembered lords and	knights	that were taken from the	2, 57/19
and these other lords and	knights	were thus beheaded and rid	2, 58/4
accompanied with divers lords and	knights	, more than haply knew the	2, 69/3
noblemen with him, beside many	knights	and other gentlemen. And thereupon	2, 77/13
a wonderful sour angry countenance,	knitting	the brows, frowning and frotting	2, 47/16
Why, madam, quoth another lord,	know	you anything why they should	2, 36/26
continue. And as all you	know	, this is not the first	2, 39/15
wot I well, and I	know	well you be wise. Power	2, 42/2
duke of Buckingham. Although I	know	that many thought that this	2, 42/28
knewest as much as I	know	, which few know else as	2, 52/5
as I know, which few	know	else as yet, and more	2, 52/5
that thing that all men	know	, the King's greedy appetite was	2, 72/5
not be a-knownen what they	know	. For at the consecration of	2, 80/27
stage play all the people	know	right well that he that	2, 81/1
upon my soul, she well	knoweth	she needeth no such thing	2, 28/21
doubteth, but verily believeth and	knoweth	that they would be as	2, 29/4
of them whose wisdom she	knoweth	, whose truth she well trusteth	2, 29/10
that privilege hath every place.	Knoweth	any man any place wherein	2, 32/2
is there none that either	knoweth	better how to order him	2, 35/15
the desire of a kingdom	knoweth	no kindred. The brother hath	2, 41/25
ere you go, for God	knoweth	when we shall kiss together	2, 42/10
either so negligent that he	knoweth	not, or so forgetful that	2, 70/24
forbareth to say that he	knoweth	in avoiding displeasure of my	2, 73/26
saluted. For a mind that	knoweth	itself guilty is in a	2, 82/4
and amiable manner, nothing earthly	knowing	nor mistrusting as yet. But	2, 19/6
and that without commandment or	knowledge	of the King, which would	2, 8/19
great a thing without his	knowledge	not begun for naught, comparing	2, 18/11
these matters far from the	knowledge	of your good gate. And	2, 19/23
their treason he never had	knowledge	before ten of the clock	2, 53/4
and the truth hid from	knowledge	, inherited for the season other	2, 66/34
suddenly, without any warning or	knowledge	whether they came for good	2, 77/19
was as yet not well	known	. Of which their treason he	2, 53/3
their favours more resembled other	known	men than him, from whose	2, 67/26
nor any usual names of	known	taxes but, under an easy	2, 69/31

the truth were not well	known	it should peradventure be thought	2, 78/31

truth is it and well	known	, that at such time as	2, 86/9

But now was all the	labour	and study in the device	2, 59/15

any place wherein it is	lawful	one man to do another	2, 32/3
where a man is by	lawful	means in peril, there needeth	2, 32/7
or liberty can by no	lawful	process stand in jeopardy. And	2, 33/14
and that the Protector's only	lawful	son should marry the Duke's	2, 44/2

the Duke of Clarence were	lawfully	begotten, nor were not the	2, 66/19
right heir of his body,	lawfully	begotten, was only the Lord	2, 67/12
that King Edward was never	lawfully	married unto the Queen, but	2, 67/13
Edward the Fourth were never	lawfully	begotten, forasmuch as the King	2, 73/16

for lack of other issue	lawfully	coming of the late noble	2, 73/30
Protector, as to the very	lawfully	begotten son of the fore-remembered	2, 74/2
to his right and title	lawfully	descended unto him, and to	2, 78/20
ourselves, as very right heir,	lawfully	begotten of the body of	2, 80/1
in the execution of such	lawless	enterprises, as a man that	2, 57/23
man well learned in the	laws	of this land, and by	2, 45/27
in right generation after the	laws	of matrimony, then declared he	2, 66/30
by the misconstruing of the	laws	of this realm for the	2, 70/15
a king to minister the	laws	. Then with as pleasant an	2, 81/22
of men, but specially the	lawyers	of this realm. And finally	2, 81/25
Stony Stratford, where the King	lay	, they had bestowed certain of	2, 18/1
Westminster, in which she then	lay	, into the Sanctuary, lodging herself	2, 20/30

lords there present, he durst	lay	his own body and soul	2, 40/14
wist where any of it	lay	in their own body, they	2, 41/23
the Lord Chamberlain's power chiefly	lay	. But surely great pity was	2, 45/30
heinous treason, with whom he	lay	nightly, and namely? the night	2, 53/27
the Prince by him. To	lay	bastardy in King Edward sounded	2, 59/24
bigamy, let the bishop hardly?	lay	it in my way when	2, 64/17
Baynard's Castle, where the Protector	lay	. To which place repaired also	2, 77/11
took ill rest o' nights,	lay	long waking and musing, sore	2, 87/16
to follow him than to	lead	him. For when the Duke	2, 92/2
own subject, no great occasion	leading	thereunto, no possessions or other	2, 62/10
for now is she old,	lean	, withered, and dried up, nothing	2, 55/30
whereunto only all the matter	leaned	, procured the Protector hastily; to	2, 46/22
Lord Hastings to this messenger,	leaneth	my lord thy master so	2, 50/10
with his company ready to	leap	on horseback and depart forward	2, 18/28
dreams, suddenly sometime started up,	leaped	out of his bed and	2, 87/18
have I by credible information	learned	, that the self night in	2, 9/7
and one of the best	learned	men undoubtedly that England had	2, 25/7
my ward; for, as my	learned	counsel showeth me, since he	2, 38/29
the law feareth, which, as	learned	men tell me, forbiddeth every	2, 39/31
which was a man well	learned	in the laws of this	2, 45/27
And thus, as I have	learned	of them that much knew	2, 86/14
great natural wit, very well	learned	, and honourable in behaviour, lacking	2, 90/22
people for opinion of their	learning	and had no scrupulous conscience	2, 58/21
great preachers, both of more	learning	than virtue, of more fame	2, 58/25
virtue, of more fame than	learning	. For they were before greatly	2, 58/25
like to fall where she	least	would,? all the world would	2, 16/26
peradventure, from them whom he	least	suspected; for the state of	2, 43/25
would she of all folk	least	make Shore's wife of counsel	2, 48/15
whoso was best bore always	least	rule, and more suit was	2, 71/31
to be king: at the	leastwise	, heinous treason was there laid	2, 7/9
yet is there at the	leastwise	some fear. And herein is	2, 33/7
care in what case I	leave	you; for such as I	2, 11/14
you; for such as I	leave	you, such be my children	2, 11/15
Christian men, this shall I	leave	for preachers to tell you	2, 12/9
horseback and depart forward, to	leave	that lodging for them, because	2, 18/29
more ought we fear to	leave	him in her hands. For	2, 29/14
mind, fetch him away, than	leave	him there till her frowardness	2, 30/1
to take him, and to	leave	her no respite to convey	2, 34/3
cannot elsewhere, then may you	leave	him here. But only one	2, 42/4
that he was fain to	leave	off and come down in	2, 59/3
what they meant, gave him	leave	to propose what him liked	2, 78/6
When the Duke had this	leave	and pardon to speak, then	2, 78/9
hundred four score and three,	leaving	much fair issue, that is	2, 3/5
the realm at Wakefield slain,	leaving	three sons, Edward, George, and	2, 6/25
why should not the King,	leaving	his body at liberty, satisfy	2, 32/23

Westminster. And the Lord Cardinal,	leaving	the Protector with the Council	2, 33/27
wept and went her way,	leaving	the child weeping as fast	2, 42/12
the space of two years,	leaving	his new wife in Westminster	2, 65/23
into the joys of heaven,	leaving	to the tormentors their bodies	2, 85/22
latter days lessened and well	left	. In which time of his	2, 4/25
his death-bed appeased. He had	left	all gathering of money (which	2, 5/1
had not unarmed them and	left	them destitute, and the execrable	2, 5/28
ill-featured of limbs, crook-backed, his	left	shoulder much higher than his	2, 7/20
the less noble to be	left	about him, is (quoth he	2, 14/30
for there was no way	left	to redeem his offence by	2, 43/17

to touch a King's concubine)	left	her up to him altogether	2, 55/19

he beheld coming, he suddenly	left	the matter with which he	2, 68/13
Markham, then Chief Justice, that	left	his office rather than he	2, 70/17
as soon as the Protector	left	that name and took himself	2, 84/27
was in wealth, and nevertheless	left	it not nor forsook it	2, 90/25
King . . . And even there he	left	, saying that he had already	2, 92/15
or alliance, near familiarity or	leger	? acquaintance with any of those	2, 71/5
in all the county of	Leicester	, where the Lord Chamberlain's power	2, 45/29
favour, so that ever at	length	evil drifts drive to naught	2, 12/3
partly of purpose, caused at	length	not common people only, that	2, 45/9
of the time with the	length	of the matter, said unto	2, 54/11
marriage somewhat the more at	length	because it might thereby the	2, 66/10
well consider, he shall no	less	commend his wisdom where he	2, 4/15
good health he somewhat the	less	regarded it, because he thought	2, 10/12
his children, albeit he nothing	less	mistrusted than that that happened	2, 10/17
I feel. By which the	less	while I look to live	2, 11/13
God they did, should no	less	move us to charity than	2, 12/16
Of which two things, the	less	loss were they by whom	2, 13/12
from the King, and the	less	noble to be left about	2, 14/29
of us hath anything the	less	need for the late made	2, 15/19
none of her kin the	less	loved for that they be	2, 28/25
as methinketh, without sin somewhat	less	regard than they do. Now	2, 29/23
example is, yet is there	less	reason in our case than	2, 33/6
forwearied and weakened, waxeth the	less	able to bear out a	2, 35/13
whose death he may inherit	less	land than a kingdom. I	2, 39/33
on her so suddenly, nothing	less	looking for than to have	2, 41/1
rest of his purpose with	less	fear to them whom he	2, 43/6
had either more truth or	less	wit. For his dissimulation only	2, 45/31
so that it was the	less	marvel if ungracious living brought	2, 53/28
Her doings were not much	less	, albeit they be much less	2, 57/3
less, albeit they be much	less	remembered because they were not	2, 57/4
so it harmed him the	less	. Howbeit some doubt, and many	2, 59/7

would that point should be	less	and more favourably handled, not	2, 59/29
Edward returned, and with much	less	number than he had, at	2, 66/2
great and weighty, and no	less	weighty than pleasing unto God	2, 69/14
the Prince's pleasure: with no	less	honour to Markham, then Chief	2, 70/16
ye will, and none the	less	I heartily pray you so	2, 74/26
much the more honour and	less	pain in that that never	2, 78/22
final infortune hath none the	less	so far come in question	2, 82/19
mischief that he took within	less	than three years of the	2, 87/7
Gloucester; from which none the	less	he in fair manner departed	2, 90/1
little good and, you to	less	. Then longed the Duke yet	2, 93/16
that, in his latter days	lessened	and well left. In which	2, 4/25
of the Tower, with a	letter	and credence also that the	2, 83/17

given him commandment. After which	letter	delivered and the keys received	2, 84/25
easy to perceive that frowardness	letteth	her, and not fear. But	2, 29/11
where he inwardly hated, not	letting	? to kiss whom he thought	2, 8/9
were no great mastery,? we	letting	her alone), all the world	2, 29/30
his latter days, with over	liberal	diet, somewhat corpulent and burly	2, 4/18
and somewhat above his power	liberal	, with large gifts he got	2, 8/4
robbers and reivers° walking at	liberty	uncorrected. And for this encheason	2, 14/6
shortly conveyed to his farther	liberty	. Wherefore incontinent at the next	2, 25/17

should have some place of	liberty	to keep their bodies out	2, 30/9

King, leaving his body at	liberty	, satisfy the part of his	2, 32/23

the King honourably at his	liberty	, to the comfort of them	2, 35/24
breaketh the sanctuary. Serveth this	liberty	for my person only, or	2, 38/26
condition, to forbear mine own	liberty	in choice of my own	2, 64/2

they have done, but a	license	also to do more. Howbeit	2, 31/17
Grace would pardon them and	license	them to propose unto his	2, 77/31
allies, in what plight I	lie	you see and I feel	2, 11/12
confusion but it should not	lie	in his power. And when	2, 18/21
none honest man cometh to	lie	; which honourable preacher, ye well	2, 73/8
and little cause had to	lie	, were these two noble Princes	2, 86/14
were it for me to	lie	, for if I would swear	2, 92/5
himself to no man so	lief	,? since he well wist there	2, 45/24
or other, yet had I	liefer	that men should see it	2, 50/20
their children, that them were	liefer	to lose all that they	2, 72/15

and each of their lives	lieth	in the other's body. Keep	2, 41/29
Sir, quoth his page, there	lieth	one on your pallet without	2, 83/28
professed and observed a religious	life	in Dartford, an house of	2, 3/11
in any part of his	life	as at the time of	2, 3/25
great part of a long	life	, and many of them in	2, 4/7
that time in which his	life	was most desired ; whose love	2, 5/23
the rule in King Harry's	life	, was with many nobles of	2, 6/24
in the course of his	life	many things unnaturally committed. None	2, 7/29
spared no man's death whose	life	withstood his purpose. He slew	2, 8/13
long time in King Edward's	life	forethought to be king in	2, 8/27
the King, his brother, (whose	life	he looked that evil diet	2, 8/28
the Duke of Clarence, whose	life	must needs have hindered him	2, 9/2

the Prince was in the	life	of his father sent thither	2, 14/7

malice to deserve it, whose	life	or liberty can by no	2, 33/13
the Lord Hastings, on my	life	, never doubt you. For while	2, 45/17
saving for fear lest his	life	should have quelled? their purpose	2, 46/13
somewhat doted in the King's	life	, saving, as it is said	2, 48/21
of good hope in his	life	: which self thing is often	2, 51/12
so great dread in my	life	, as I did when thou	2, 52/10
and I never in my	life	so merry, nor never in	2, 52/12
himself surest, he lost his	life	, and that within two hours	2, 52/15
honesty and soon after his	life	, for very shame of the	2, 59/5
would let me have my	life	yet, though I lose my	2, 85/2
but ever feared his own	life	, so far forth that when	2, 89/16
God's mercy, well changed his	life	. This man, therefore, as I	2, 91/17
come in presence, the King,	lifting	up himself and underset with	2, 11/9
in youth, namely, which is	light	of belief and soon persuaded	2, 15/3
man think this consideration [light] (which I think no	2, 26/14
no slight, though it seem	light	, well pondering that their youth	2, 34/27
but, the truth coming to	light	, the rightful inheritors be restored	2, 67/3
could never since come to	light	. Very truth is it and	2, 86/9
came in his presence, they	lighted	adown with all their company	2, 19/1

servants about him, such as	liked	better them than him. At	2, 20/1
simple as it was, it	liked	them to whom it sufficed	2, 66/13
upon, in whom he anything	liked	, either person or favour, speech	2, 72/8
leave to propose what him	liked	, verily trusting, for the good	2, 78/7
his nephews (as opportunity and	likelihood	of speed? putteth a man	2, 9/24
he said in that of	likelihood	as he thought. Thereupon forthwith	2, 42/18
may wit, would never of	likelihood	have inclined thereunto. But when	2, 79/26

God be thanked) quiet, and	likely	right well to prosper in	2, 13/10
thereof should ensue, which was	likely	not to be little, and	2, 16/25
should hap, as it were	likely	, to come to a field	2, 23/22
from her, is it not	likely	enough that she shall send	2, 29/26
convey him, which she was	likely	to mind after this matter	2, 34/4
attempted, and that it was	likely	that as the Protector had	2, 43/22
that we might be as	likely	to make them true by	2, 50/15
had the boar a cause	likely	to race? us with his	2, 50/17

moved already which were not	likely	to take it well, if	2, 62/7

undoubted image, the plain, express	likeness	of the noble Duke, whose	2, 68/20

Now came there one in	likewise	not long after midnight, from	2, 21/3
the Great Seal, which in	likewise	as that noble Prince, your	2, 22/9
little of stature, ill-featured of	limbs	, crook-backed, his left shoulder much	2, 7/20
to Doctor Russell, Bishop of	Lincoln	, a wise man and a	2, 25/5
realm was appointed? King Edward's	line	should not any longer reign	2, 79/17
in any wise King Edward's	line	to govern them, whom no	2, 79/31
to the crown by the	line	of King Henry before deprived	2, 89/12
princely behaviour as in the	lineaments	and favour of his visage	2, 67/29
princely behaviour as in the	lineaments	and favour of his visage	2, 68/17
that young babe his brother	lingered	in thought and heaviness till	2, 85/9
Aesop's tale, that when the	lion	had proclaimed that on pain	2, 93/2
mayest abide well enough; the	lion	meant not by thee, for	2, 93/8
I warrant you, neither the	lion	nor the boar shall pick	2, 93/11
frotting? and gnawing on his	lips	, and so sat him down	2, 47/17
will take sanctuary because she	list	to run from her husband	2, 32/33
to keep him if ye	list	, neither lack ye of yourselves	2, 42/2
pill and spoil whom they	list	, uncontrolled. And much matter was	2, 53/19
no larger proof than themselves	list	to make. Now then, as	2, 66/14
himself of his good will	list	to grant, but what the	2, 70/3
King, of his good will,	list	to take, which never asked	2, 70/4
take for greater kindness a	little	courtesy than a great benefit	2, 5/21
prowess? far under them both,	little	of stature, ill-featured of limbs	2, 7/19
him, and unto us no	little	jeopardy to suffer our well-proved	2, 15/1
was likely not to be	little	, and the most harm there	2, 16/25
hastily to the Queen, a	little	before the midnight following, and	2, 20/18
a mischief, the Sanctuary would	little	let them. Which good men	2, 29/22
is so newly rather a	little	amended than well recovered, that	2, 35/7
without colour will let as	little	to procure their destruction without	2, 36/30
fear not as far too	little	. And therewithal she said unto	2, 42/8

the council were close. For	little	and little all folk withdrew	2, 44/31
were close. For little and	little	all folk withdrew from the	2, 44/31
matter in the one place,	little	wot we whereof they talk	2, 45/16
that day. And after a	little	talking with them, he said	2, 47/5
to spare him for a	little	while, departed thence. And soon	2, 47/12
have soon.' But so	little	wist the other what he	2, 51/10
what he meant and so	little	mistrusted, that he was never	2, 51/11

his maid, only for a	little	wanton dotage upon her person	2, 62/12
Warwick neither loveth me so	little	to grudge at that I	2, 63/31
to take, which never asked	little	, but everything was hawsed? above	2, 70/4
they might thereby see how	little	the Protector looked for this	2, 77/21
which was already in this	little	while of his Protectorship (the	2, 79/8
by the Protector's licence, a	little	rounded? as well with other	2, 79/13

their stolen goods, and there	live	thereon; there devise they new	2, 31/13
that were so glad to	live	under his obeisance as the	2, 78/23
and would be content to	live	, and with his labour and	2, 79/6
ask of God longer to	live	than we intend to procure	2, 80/16
great wealth, likely long to	live	to reign and rule in	2, 86/16
Fourth, after that he had	lived	fifty and three years, seven	2, 3/1
after continually each of them	lived	in such hatred and distrust	2, 89/23
their dignity, but also their	lives	. But forasmuch as this Duke's	2, 6/8
asunder, and each of their	lives	lieth in the other's body	2, 41/29
they never had in their	lives	heard so evil a tale	2, 75/13
the last (for yet she	liveth), is by the benignity of	2, 3/16
see her (for yet she	liveth) deem her never to have	2, 55/27

were the patrons of ungracious	living	. Now unthrifths riot and run	2, 31/6
reserved him to get his	living	with the labour of his	2, 32/31
authority with his Prince, of	living	somewhat dissolute, plain and open	2, 52/19
things as in the vicious	living	and inordinate abuse of his	2, 53/25
the less marvel if ungracious	living	brought him to an unhappy	2, 53/29
folk, also, that hated her	living	and glad were to see	2, 55/3
of many at this day	living	, that at this day had	2, 57/12
begotten, forasmuch as the King (living	his very? wife dame Elizabeth	2, 73/16

they were a King's sons.	Lo	, the honourable courage of a	2, 86/5
will, she would be as	loath	to suffer him from the	2, 28/31

Protector loved him well and	loath	was to have lost him	2, 46/12
it well, he will be	loath	to take upon him, as	2, 74/13
which, albeit he will be	loath	, as I have said, to	2, 74/22
to the people before and	loath	was with that matter to	2, 75/25
contrary, which they would be	loath	to hear, then must they	2, 79/23
departed and the Lord Rivers	lodged	, the Dukes secretly with a	2, 17/18

he caused the Bishop of	London	to put her to open	2, 54/27
This woman was born in	London	up	2, 55/8
beheaded in the Tower of	London	, and about the selfsame hour	2, 57/17
Shaw, knight, then Mayor of	London	, which upon trust of his	2, 58/17
came unto the Guildhall in	London	the Duke of Buckingham, accompanied	2, 69/2
the Mayor and Recorder of	London	. And after that, upon like	2, 79/14
when the Protector rode through	London	toward his Coronation, he fained	2, 89/17
come, on his way to	Londonward	; and after secret meeting and	2, 88/18
of Surrey. And Katherine, which	long	time tossed in either fortune	2, 3/14
a great part of a	long	life, and many of them	2, 4/7
the Duke, not enduring so	long	to tarry, but intending under	2, 6/21
thus deem, think that he	long	time in King Edward's life	2, 8/26
king Edward died, one Mistlebrook	long	ere morning came in great	2, 9/9
and helped to maintain, a	long	between	2, 9/27
there must it needs be	long	ere any good conclusion go	2, 11/26

in their stomachs than a	long	accustomed malice many years rooted	2, 15/24
great power, the one by	long	succession from his ancestry, the	2, 15/30
there one in likewise not	long	after midnight, from the Lord	2, 21/3
he no further attempt as	long	as he had but half	2, 25/13
other like have been of	long	continued, I am not he	2, 30/3

fortune, which I pray God	long	to continue. And as all	2, 39/14
as though all should not	long	be well, though they neither	2, 44/24
had been from them so	long	, saying merrily that he had	2, 47/4
head laid down upon a	long	log of timber and there	2, 49/22
on. Whereto talk you so	long	with that priest? You have	2, 51/8
while (but it lasted not	long) far fallen into the King's	2, 51/22
and therewith of itself so	long	a process, that every child	2, 54/6
guess the beauty of one	long	before departed by her scalp	2, 55/29
a man that had been	long	secret with him, having experience	2, 57/24
first repeat you some things	long	before done about King Edward's	2, 60/1
the King had also, not	long	before, got with child. Wherefore	2, 64/25
continueth not in their blood	long	but, the truth coming to	2, 67/2
we wot well ye have	long	time lacked and sore longed	2, 69/17
and among us never so	long	continued dissentsion, nor so many	2, 71/13
coming from thence. And peace	long	after not much surer than	2, 71/24
one Fogg, whom he had	long	deadly hated, should be brought	2, 81/32
and more folks' folly, so	long	space abusing the world, was	2, 82/23
pains of death, and after	long	lying still, to be thoroughly	2, 85/25
up in great wealth, likely	long	to live to reign and	2, 86/16
ill rest o' nights, lay	long	waking and musing, sore wearied	2, 87/16
Now had he outward no	long	time in rest. For hereupon	2, 87/21
one, whose several titles had	long	unquieted the land, he fled	2, 91/11
to tell you, by the	long	and often alternate proof as	2, 91/18
which many princes, by a	long-continued	sovereignty, decline into a proud	2, 5/10
of pity to behold the	long-continued	distress and decay of the	2, 78/14
loved, for whom she never	longed	. Which was haply the thing	2, 55/12
long time lacked and sore	longed	for, that ye would have	2, 69/17
gentle of himself and also	longed	sore to wit what they	2, 78/6
an high heart and sore	longed	upward, not rising yet so	2, 84/4
beads and no farther. Then	longed	the Duke sore to hear	2, 92/17
and, you to less. Then	longed	the Duke yet much more	2, 93/16
And therewithal the King, no	longer	enduring to sit up, laid	2, 13/24
in safeguard, and there no	longer	should remain than till the	2, 23/12
the Queen waxed ever the	longer	the farther off, and also	2, 40/9
conclusion, that he would no	longer	dispute the matter. But if	2, 40/12
a short shrift, for a	longer	would not be suffered, the	2, 49/15
he was disposed utterly no	longer	to bide: he had so	2, 49/32
he was thoroughly determined no	longer	to tarry, but had his	2, 50/7
in the same used any	longer	to continue, have condescended and	2, 74/8
Edward's line should not any	longer	reign upon them, both for	2, 79/17
we never ask of God	longer	to live than we intend	2, 80/15
turneth all to mischief. First	longing	to be next the best	2, 12/25
and Sir William Catesby, which	longing	for no more partners of	2, 84/6
which the less while I	look	to live with you, the	2, 11/13

last words that ever I	look	to speak with you, I	2, 13/17
of the realm? Verily, I	look	for none other. And I	2, 29/27
King of pity may. Then	look	me now how few sanctuary	2, 30/24

nor is so unreasonable to	look	that I should in choice	2, 63/32

am not so proud to	look	therefor, that ye should reckon	2, 73/3

but such as no man	looked	for ; the people towards the	2, 4/28
his brother, (whose life he	looked	that evil diet should shorten	2, 8/28

which he received, that they	looked	for.° When these lords	2, 11/7
the Duke had said, and	looked	that the people, whom he	2, 75/1
or fear or that each	looked	that other should speak first	2, 75/14
see how little the Protector	looked	for this matter, they sent	2, 77/22
had heard the proposition, he	looked	very strangely thereat, and answered	2, 78/25
other that the Duke verily	looked	to have been murdered at	2, 89/24
poor men be but the	lookers-on	. And they that wise be	2, 81/8
Whereof, I think, no man	looketh	that we should remember you	2, 70/12

honourably married unto Thomas, then	Lord	Howard, and after Earl of	2, 3/13

first husband, and Richard, the	Lord	Hastings, a noble man, then	2, 10/28

for the love that our	Lord	beareth to us all, from	2, 13/20
there appointed Sir Anthony Woodville,	Lord	Rivers and brother unto the	2, 14/11
blood as we? But our	Lord	hath wrought His will, and	2, 15/14
Duke of Buckingham, and Richard,	Lord	Hastings and Chamberlain, both men	2, 15/29
strong. For whereas now every	lord	loved other, and none other	2, 16/14

between these Dukes and the	Lord	Rivers a great while. But	2, 17/16
great courtesy departed and the	Lord	Rivers lodged, the Dukes secretly	2, 17/18
attendant when many of the	Lord	Rivers' servants were unready. Now	2, 17/27
hand.° But when the	Lord	Rivers understood the gates closed	2, 18/8
picked a quarrel to the	Lord	Richard Gray, the King's other	2, 19/7
saying that he, with the	Lord	Marquis, his brother, and the	2, 19/9
Marquis, his brother, and the	Lord	Rivers, his uncle, had compassed	2, 19/10
whereof, they said that the	Lord	Marquis had entered into the	2, 19/13
And forthwith they arrested the	Lord	Richard and Sir Thomas Vaughan	2, 19/24
his own table to the	Lord	Rivers, praying him to be	2, 20/4
it to his nephew, the	Lord	Richard, with the same message	2, 20/6
of Gloucester, he sent the	Lord	Rivers and the Lord Richard	2, 20/11

the Lord Rivers and the	Lord	Richard, with Sir Thomas Vaughan	2, 20/11
long after midnight, from the	Lord	Chamberlain unto the Archbishop of	2, 21/4
Notwithstanding, Sir, quoth he, my	Lord	sendeth your Lordship word that	2, 21/12
message sent him from the	Lord	Chamberlain. Ah, woe worth him	2, 22/3
And at this meeting the	Lord	Hastings, whose truth towards the	2, 23/2
his Prince, and that the	Lord	Rivers and Lord Richard with	2, 23/6

With these persuasions of the	Lord	Hastings, whereof part himself believed	2, 23/25

reverend father here present, my	Lord	Cardinal, who may in this	2, 26/30

come together in presence, the	Lord	Cardinal showed unto her that	2, 34/7

I marvel geatly that my	Lord	Protector is so desirous to	2, 35/34
them. Why, madam, quoth another	lord	, know you anything why they	2, 36/26

so much dread hath my	lord	, his uncle, for the tender	2, 37/19

the Prince. And when my	lord	of my husband, returned safe	2, 39/18
my mortal enemy were. The	Lord	Cardinal, perceiving that the Queen	2, 40/8
said unto the lords: My	lord	, quoth she, and all my	2, 41/14
weeping as fast. When the	Lord	Cardinal and these other lords	2, 42/12
these words: Now welcome, my	lord	, even with all my very	2, 42/17
that they had set the	Lord	Cardinal, the Archbishop of York	2, 44/16
the Archbishop of York, then	Lord	Chancellor, the Bishop of Ely	2, 44/16
the Bishop of Ely, the	Lord	Stanley, and the Lord Hastings	2, 44/17
the Lord Stanley, and the	Lord	Hastings, then Lord Chamberlain, with	2, 44/17
and the Lord Hastings, then	Lord	Chamberlain, with many other noble	2, 44/18
so far forth that the	Lord	Stanley, that was after Earl	2, 45/12

in the other place. My	lord	, quoth the Lord Hastings, on	2, 45/17
place. My lord, quoth the	Lord	Hastings, on my life, never	2, 45/17
the special favour of the	Lord	Chamberlain, in good authority, and	2, 45/28
county of Leicester, where the	Lord	Chamberlain's power chiefly lay. But	2, 45/30
up, in whom if the	Lord	Hastings had not put so	2, 45/33
put so special trust, the	Lord	Stanley and he had departed	2, 45/33
very good semblance unto the	Lord	Hastings, and kept him much	2, 46/11
it possible to win the	Lord	Hastings into their part. But	2, 46/15
break. And of truth, the	Lord	Chamberlain of very trust showed	2, 46/19
their motions might with the	Lord	Hastings diminish his credence, whereunto	2, 46/21
of the rule that the	Lord	Hastings bore in his country	2, 46/25
the Bishop of Ely: My	lord	, you have very good strawberries	2, 47/6
mess of them. Gladly, my	lord	, quoth he, Would God I	2, 47/8

wist himself clear. Then the	Lord	Chamberlain, as he that for	2, 47/26
that favoured her. But the	Lord	Hastings was in his mind	2, 47/31
since his birth. Nevertheless, the	Lord	Chamberlain (which from the death	2, 48/19
answered and said: Certainly, my	lord	, if they have so heinously	2, 48/23
the Protector said to the	Lord	Hastings: I arrest thee, traitor	2, 48/30
thee, traitor. What, me, my	lord	? quoth he. Yea, thee, Traitor	2, 48/31
another let fly at the	Lord	Stanley, which shrunk at the	2, 49/2
in divers chambers, except the	Lord	Chamberlain, whom the Protector bade	2, 49/11
Edward, whose both souls our	Lord	pardon. A marvelous case is	2, 49/24
next before his death, the	Lord	Stanley sent a trusty secret	2, 49/30
his horse ready, if the	Lord	Hastings would go with him	2, 50/8
danger ere day. Eh, good	lord	, quoth the Lord Hastings to	2, 50/10
Eh, good lord, quoth the	Lord	Hastings to this messenger, leaneth	2, 50/10
to this messenger, leaneth my	lord	thy master so much to	2, 50/10
knight, when it happed the	Lord	Chamberlain by the way to	2, 51/5
merrily to him: What, my	lord	, I pray you come on	2, 51/7
At which other time the	Lord	Chamberlain had been accused unto	2, 51/19
unto King Edward by the	Lord	Rivers, the Queen's brother, in	2, 51/20
an heavy heart? Yea my	lord	, quoth he, that remember I	2, 52/3
Protector showed them that the	Lord	Chamberlain and others of his	2, 52/31
King's name, containing that the	Lord	Hastings, with divers others of	2, 53/15

was of counsel with the	Lord	chamberlain to destroy him in	2, 54/19
When the King died, the	Lord	Chamberlain took her, which in	2, 55/20

into the praise of the	Lord	Richard, late Duke of York	2, 67/8
calling him father to the	Lord	Protector, and declared the title	2, 67/9
lawfully begotten, was only the	Lord	Protector. For he declared then	2, 67/12
was far off. But the	Lord	Protector, he said, that very	2, 67/27
all that would reckon himself	lord	of his own good, among	2, 69/24
avoiding displeasure of my noble	Lord	Protector, bearing, as nature requireth	2, 73/27
the most excellent Prince, the	Lord	Protector, as to the very	2, 74/2
the most puissant Prince, the	Lord	Protector, that it may like	2, 74/9

lord Morton answered: Surely, my	lord	, folly were it for me	2, 92/4

the tale, and said, My	lord	, I warrant you, neither the	2, 93/11
said: In good faith, my	lord	, as for the late Protector	2, 93/18
of a realm, as our	Lord	hath planted in the person	2, 93/24
flew the fame of this	lord's	death swiftly through the city	2, 52/23
commons in good peace. The	lords	whom he knew at variance	2, 4/30

by the Queen and the	lords	of her blood, which highly	2, 7/5
looked for.° When these	lords	, with divers others of both	2, 11/8
wise said unto them: My	lords	, my dear kinsmen and allies	2, 11/11
refrain from weeping. But the	lords	, recomforting him with as good	2, 13/26
of Gloucester, understanding that the	lords	which at that time were	2, 16/4
of the King: if the	lords	of her kindred should assemble	2, 16/16
people, they should give the	lords	atwixt whom and them had	2, 16/17
of Gloucester himself and other	lords	, the chief of his band	2, 17/3
themselves shortly ready, for their	lords	were to horsebackward. Upon which	2, 17/26
upon this dealing. And some	lords	, knights, and gentlemen, either for	2, 22/18
not so specially against other	lords	as against the King himself	2, 22/25
then, by and by, the	lords	assembled together at London. Towards	2, 22/27
needed to doubt, persuaded the	lords	to believe that the Duke	2, 23/4
also by all the other	lords	of the King's Council indifferently	2, 23/13
be blown about that these	lords	and knights which were taken	2, 23/31
carriage to destroy the noble	lords	withal. This device, albeit that	2, 24/10
had in his time. Divers	lords	and knights were appointed unto	2, 25/8
the next meeting of the	lords	at the Council, he proposed	2, 25/18
but to bring all the	lords	in obloquy and murmur of	2, 25/28
the Queen, with divers other	lords	with him, were it for	2, 33/29
When the Queen and these	lords	were come together in presence	2, 34/6
and recreation: which thing the	lords	esteemed no slight, though it	2, 34/26
nothing doubted but that those	lords	of her honourable kin which	2, 36/34
him and to the other	lords	there present, he durst lay	2, 40/13
doubted, nor of some other	lords	, neither, whom she there saw	2, 41/8
hand, and said unto the	lords	: My lord, quoth she, and	2, 41/13
quoth she, and all my	lords	, I neither am so unwise	2, 41/14
Lord Cardinal and these other	lords	with him had received this	2, 42/13
their drifts other where, the	lords	being sent for from all	2, 44/13
wise men also and some	lords	eke, to mark the matter	2, 45/10
had departed with divers other	lords	and broken all the dance	2, 46/3
thirteenth day of June many	lords	assembled in the Tower, and	2, 46/31
afterwards was cast away. These	lords	so sitting together communing of	2, 47/1
strawberries. The Protector set the	lords	fast in communing, and thereupon	2, 47/10
in his place, all the	lords	much dismayed and sore marveling	2, 47/18
At this question all the	lords	sat sore astonished, musing much	2, 47/24
words many of the other	lords	were greatly abashed that favoured	2, 47/31
That meant he by the	lords	of the Queen's kindred that	2, 52/6
beheaded at Pomfret, the fore-remembered	lords	and knights that were taken	2, 57/18
Lord Chamberlain and these other	lords	and knights were thus beheaded	2, 58/3
the matter meant, while the	lords	of the realm were about	2, 58/5
of Buckingham, accompanied with divers	lords	and knights, more than haply	2, 69/3
strumpet, than to all the	lords	in England, except unto those	2, 71/33
greatly needed but that the	lords	of this realm and the	2, 76/4
before remembered. And therewith the	lords	came down, and the company	2, 77/1

it, he said unto the	lords	and commons: Since we perceive	2, 79/29
King Richard! And then the	lords	went up to the King	2, 80/17
he, my Lord sendeth your	Lordship	word that there is no	2, 21/12
would swear the contrary, your	lordship	would not, I ween, believe	2, 92/5
time, except any of your	lordships	anything perceive to the contrary	2, 27/15
the possibility of more possessions	lose	the fruit and pleasure of	2, 63/19
that them were liefer to	lose	all that they have beside	2, 72/15
my life yet, though I	lose	my kingdom. Then he that	2, 85/2
God had ordered him to	lose	it and King Edward to	2, 92/8
of the garland, keeping it,	losing	and winning again, it hath	2, 71/17
of debate and dissension, what	loss	, what sorrow, what trouble hath	2, 12/28
of men's knees with the	loss	of so many heads. But	2, 13/6
which two things, the less	loss	were they by whom though	2, 13/12
prayed full heartily for his	loss	; in which God loved her	2, 65/11
pitieth not, that worshipful man's	loss	? What, speak we of loss	2, 70/26
loss? What, speak we of	loss	? his utter spoil and undeserved	2, 70/26
not be won might be	lost	ere they looked therefore. For	2, 10/7
and loath was to have	lost	him, saving for fear lest	2, 46/12
he reckoned himself surest, he	lost	his life, and that within	2, 52/15
Penker in his sermon so	lost	his voice that he was	2, 59/2
Doctor Shaw by his sermon	lost	his honesty and soon after	2, 59/5
that it could not be	lost	, but by the discord of	2, 66/7
to the field. After which	lost	and that party utterly subdued	2, 91/1
with a clear and a	loud	voice in this manner of	2, 69/10
that the voice was neither	loud	nor distinct but as it	2, 76/14
backs to cry out as	loud	as their throats would give	2, 76/19
And by and by, somewhat	louder	, he rehearsed them the same	2, 75/9
life was most desired ; whose	love	of his people and their	2, 5/23
hate them whom their husbands	love), or were it a proud	2, 7/8
sufficeth not that all you	love	them, if each of you	2, 11/20
hatred as ye have of	love	. That we be all men	2, 12/8
Our Lord forbid that you	love	together the worse for the	2, 12/18
cause that you ought to	love	the better. And yet that	2, 12/19
send them life and you	love	. Of which two things, the	2, 13/12
require you all, for the	love	that you have ever borne	2, 13/18
borne to me, for the	love	that I have ever borne	2, 13/19
borne to you, for the	love	that our Lord beareth to	2, 13/20
griefs forgotten, each of you	love	other. Which I verily trust	2, 13/21
each to other so much	love	as hatred both unto the	2, 15/32
noble Prince is far, whose	love	to his King nature and	2, 32/9
his uncle, for the tender	love	he beareth him, lest your	2, 37/19
as he that for the	love	between them thought he might	2, 47/26
grace inclineth the parties to	love	together, as he trusted it	2, 63/7
whom he should haply never	love	, and for the possibility of	2, 63/18
to grudge at that I	love	, nor is so unreasonable to	2, 63/31

brother? Or who could perfectly	love	him, if his own brother	2, 71/28
sufficed, saving that we such	love	bear you and so much	2, 76/5
be true, yet such entire	love	he bore unto King Edward	2, 78/27
also thanked them for the	love	and hearty favour they bore	2, 79/3
good faith, my lord, I	love	not much to talk much	2, 92/27
For whereas now every lord	loved	other, and none other thing	2, 16/14
of her kin the less	loved	for that they be her	2, 28/25
deserving. And nevertheless, if we	loved	neither her nor her kin	2, 28/27
company. And undoubtedly the Protector	loved	him well and loath was	2, 46/12
by any other whom he	loved	better; albeit his heart somewhat	2, 47/33
King, her husband, had most	loved	. And also no man was	2, 48/17
ripe, she not very fervently	loved	, for whom she never longed	2, 55/11
he had, but her he	loved	, whose favour, to say the	2, 56/14
his loss; in which God	loved	her better than to grant	2, 65/12
vanquished. He was of visage	lovely	, of body mighty, strong and	2, 4/17
went she so fair and	lovely	, namely while the wondering of	2, 54/31
think no man thinketh that	loveth	the King) let him consider	2, 26/14
my cousin of Warwick neither	loveth	me so little to grudge	2, 63/31
but in a willing and	loving	commons	2, 4/29
courage forestudied no perils; a	loving	man, and passing well beloved	2, 52/21
said his Grace spoke so	loving	words unto her that she	2, 65/3
him by the messenger such	loving	message again and therewith so	2, 77/23
and high benefits, in most	loving	and trusty manner, departed at	2, 90/16

as the thing wherein every	man	forbareth to say that he	2, 73/25

I would with a dead	man	strive against the quick. So	2, 92/10
for neither could any one	man's	pleasure stretch and extend to	2, 4/23

this errand was not one	man's	mind, or were it for	2, 33/31
I to keep him, since	man's	law serveth the guardian to	2, 39/25

than the vain surety of	man's	mind so near his death	2, 51/14
like a wind in every	man's	ear. But the Protector immediately	2, 52/24

the King, in none other	manner	, with none other voice or	2, 23/29

in the avoiding of all	manner	of rumour, that the Lord	2, 33/24

and sore marveling of this	manner	of sudden change, and what	2, 47/19
before to meet in like	manner	together in the same place	2, 51/18

humble request unto him in	manner	before remembered. And therewith the	2, 76/33
the city, in their best	manner	resorted	2, 77/9
talked and marvelled of the	manner	of this dealing, that the	2, 80/20
men must sometimes, for the	manner	sake, not be a-knowen what	2, 80/26

broken all the dance, for	many	ill signs that he saw	2, 46/4

ungracious example, as well in	many	other things as in the	2, 53/24
of his body, both with	many	others, and also specially with	2, 53/25
curious of her soul. And	many	good folk, also, that hated	2, 55/3

his own good, among so	many	grins? and traps as was	2, 69/25
pillling and polling, among so	many	taxes and tallages?, of which	2, 69/26
there be, I doubt not,	many	here present that either in	2, 70/29

rejected the Duke's request with	many	spiteful and minatory? words, which	2, 89/14
these days deny this and	many	right wise men think it	2, 90/2

whereof he hath already right	many	, little needing my praise, it	2, 93/22

thing this page well had	marked	and known. Wherefore, this occasion	2, 84/10
with no less honour to	Markham	, then Chief Justice, that left	2, 70/17

that he, with the Lord	Marquis	, his brother, and the Lord	2, 19/9
they said that the Lord	Marquis	had entered into the Tower	2, 19/13
King answered, What my brother	Marquis	hath done, I cannot say	2, 19/19
before done about King Edward's	marriage	. After that King Edward the	2, 60/2

his embassy about the fore-remembered	marriage	, this poor lady made humble	2, 60/25
therewith that she dissuaded the	marriage	as much as she possibly	2, 62/1
upon her person. In which	marriage	many more commend the maiden's	2, 62/12
honesty than honour in this	marriage	, forasmuch as there is between	2, 62/14
to refrain you from her	marriage	, since it is an unfitting	2, 62/26

her, he said that albeit	marriage	being a spiritual thing ought	2, 63/6
nevertheless him seemed that this	marriage	, even worldly considered, was not	2, 63/9
in choice of my own	marriage	. As for possibility of more	2, 64/2
she devised to disturb this	marriage	and rather to help that	2, 64/23
mother objected openly against his	marriage	, as it were in discharge	2, 64/27

rehearsed this business about this	marriage	somewhat the more at length	2, 66/9
it may well seem that	marriage	not well made of which	2, 73/22
King Henry, devising first the	marriage	between him and King Edward's	2, 91/8

hours so great a change	marvelously	misliked. Howbeit, since he could	2, 18/13

upon it, but at St.	Mary's	Hospital at the Easter after	2, 59/10
quoth Pottier, then will my	master	the Duke of Gloucester be	2, 9/13
that the young King, their	master	and kinsman, should be in	2, 14/23

so great importance that his	master	gave him in charge not	2, 21/7
to go to school, his	master	must let him alone. And	2, 33/5
messenger, leaneth my lord thy	master	so much to such trifles	2, 50/11
And therefore go to thy	master	, man, and commend me to	2, 50/22
presence and speech of his	master	. And the Duke of Gloucester	2, 88/8
message from the Duke, his	master	, within few days after, at	2, 88/16
the maiden's fortune than the	master's	wisdom. And yet therein, she	2, 62/13
chamber, where Persall, after his	master's	recommendation, showed him that he	2, 88/11
good service to both his	masters	at once, with infinite benefit	2, 91/9
as it were no great	mastery	,? we letting her alone), all	2, 29/29
was full unmeetly to be	matched	with his: which now to	2, 14/28
was full unmeetly to be	matched	with his, and the mingling	2, 73/19
generation after the laws of	matrimony	, then declared he that commonly	2, 66/30
in effect all the whole	matter	whereof this book shall entreat	2, 6/9
them and inquire what this	matter	might mean. Whom, as soon	2, 18/18
anon the tidings of this	matter	came hastily to the Queen	2, 20/18
her that he trusted the	matter	was nothing so sore as	2, 21/30
should remain than till the	matter	were, not by the Dukes	2, 23/12
that they judged not the	matter	too far forth ere they	2, 23/16
they might peradventure bring the	matter	so far out of joint	2, 23/20
albeit that it made the	matter	to wise men more unlikely	2, 24/11
for the redress of this	matter	some honourable trusty man such	2, 26/26
Cardinal, who may in this	matter	do most good of any	2, 26/31
is my mind in this	matter	for this time, except any	2, 27/15
Protector intended not in this	matter	to trust any one man	2, 33/32
likely to mind after this	matter	broken to her, if her	2, 34/4
under arrest, should, upon the	matter	examined, do well enough. And	2, 37/1
was nor could be any	matter	jeopardy. Whereby should I trust	2, 37/2
that maketh so high a	matter	upon such a trifling pretext	2, 38/14
Howbeit, this is a gay	matter	. Suppose he could not ask	2, 38/22
would no longer dispute the	matter	. But if she were content	2, 40/12
to move her in that	matter	, in which she thought that	2, 40/18
of the Protector to this	matter	, sending a privy messenger unto	2, 42/32
he thought meet for the	matter	, and specially to the Duke	2, 43/7
more than half increased. The	matter	was broken unto the Duke	2, 43/9
men to muse on the	matter	, though the council were close	2, 44/30
lords eke, to mark the	matter	and muse thereon: so far	2, 45/10
quoth he, talk of one	matter	in the one place, little	2, 45/16
began to have in the	matter	. And therefore he, fearing lest	2, 46/20
credence, whereunto only all the	matter	leaned, procured the Protector hastily	2, 46/22
sitting together communing of this	matter	, the Protector came in among	2, 47/2
made of counsel in this	matter	, as he was of the	2, 48/1
them, well perceiving that this	matter	was but a quarrel. For	2, 48/12
set some colour upon the	matter	, sent in all the haste	2, 52/26
though no man mistrusted the	matter	which, of truth, no man	2, 53/9

they list, uncontrolled. And much	matter	was there in the Proclamation	2, 53/19
with the length of the	matter	, said unto them that stood	2, 54/11
while men mused what the	matter	meant, while the lords of	2, 58/5
to dispute and digest the	matter	and make parties, it were	2, 58/8
study by what mean this	matter	, being of itself so heinous	2, 58/11
not of counsel of the	matter	before the Coronation, but after	2, 59/8
he should first break the	matter	in a sermon at Paul's	2, 59/13
and directly, but that the	matter	should be touched aslope craftily	2, 59/30
without any difficulty, brought the	matter	to very good conclusion. Now	2, 60/11
obstacle was made in the	matter	that either the Bishops durst	2, 64/30
to those words, hasted his	matter	thereto: he was come to	2, 68/10
coming, he suddenly left the	matter	with which he was in	2, 68/13
break unto you of a	matter	right great and weighty, and	2, 69/13
all such things as minister	matter	to such injuries as for	2, 72/19
about him privy to that	matter	, said unto them softly, What	2, 75/6
he rehearsed them the same	matter	again in other order and	2, 75/10
and loath was with that	matter	commanded	2, 75/26
company, to move a great	matter	unto his Grace. Whereupon the	2, 77/15
the Protector looked for this	matter	, they sent unto him by	2, 77/22
to move him of that	matter	. In which, albeit they meant	2, 78/2
departed, talking diversely of the	matter	, every man as his fantasy	2, 80/19
of this dealing, that the	matter	was on both parts made	2, 80/21
well enough that all the	matter	was made? between them. Howbeit	2, 80/24
the meantime, for this present	matter	, I shall rehearse you the	2, 83/4
his mind in this mischievous	matter	; in which he found him	2, 84/20
to fall out if the	matter	were well handled, he craftily	2, 91/25
the boar shall pick any	matter	at anything here spoken, for	2, 93/12
be innocent of any such	matters	. Yea, my liege, quoth the	2, 19/21
kept their dealing in these	matters	far from the knowledge of	2, 19/22
the other knights were, for	matters	attempted by them against the	2, 23/7
and in his most weighty	matters	put no man in so	2, 45/23
color could fasten upon these	matters	then he laid heinously to	2, 54/21
among the remembrances of great	matters	: which they shall specially think	2, 56/27
them and entered into other	matters	ere the Protector came; whom	2, 68/11
by feigned quarrels or small	matters	aggrieved with heinous names. And	2, 71/1
so they said that these	matters	be King's games, as it	2, 81/6

people, whom he hoped the	Mayor	had framed before, should after	2, 75/1

so still? Sir, quoth the	Mayor	, percase they perceive? you not	2, 75/7
best to do. When the	Mayor	saw this he with other	2, 75/18
the	Mayor	, made rehearsal to the commons	2, 75/27
the Duke rounded unto the	Mayor	and said, This is a	2, 76/1
when the Duke and the	Mayor	saw this manner, they wisely	2, 76/24
on the morrow after, the	Mayor	, with all the aldermen and	2, 77/7
had showed this unto the	Mayor	and others, that they might	2, 77/21
about him as with the	Mayor	and Recorder of London. And	2, 79/14
many of them in the	mean	season grown into his favour	2, 4/7
inquire what this matter might	mean	. Whom, as soon as they	2, 18/18

all the study by what	mean	this matter, being of itself	2, 58/11
happed it that in the	mean	season there came to make	2, 60/12
most piteous and wicked, I	mean	the lamentable murder of his	2, 82/17

said unto them softly, What	meaneth	this, that this people be	2, 75/6
wife and others with her,	meaning	the Queen, At these words	2, 47/30
hard that he would refuse,	meaning	this by Sir James Tyrell	2, 83/29
then they that by evil	means	before pleased him best shall	2, 12/2
he secretly therefore, by divers	means	, caused the Queen to be	2, 16/11
mother might be by good	means	induced to deliver him. Which	2, 27/22
a man is by lawful	means	in peril, there needeth he	2, 32/7
requisite, he would find the	means	to enter thereinto much better	2, 63/16
have already title by that	means	to so much as sufficeth	2, 64/5
by such men and such	means	as methinketh it were hard	2, 83/6
and kept under by the	means	of Sir Richard Ratcliff and	2, 84/5
devising before and preparing the	means	. The Prince, as soon as	2, 84/27
also, thinking none hurt earthly	meant	towards the young babe, condescended	2, 33/21
out of their mouths. This	meant	he by Catesby, which was	2, 45/21
whom this question should be	meant	, of which every man wist	2, 47/25
wist the other what he	meant	and so little mistrusted, that	2, 51/10
and more shall shortly. That	meant	he by the lords of	2, 52/6
men mused what the matter	meant	, while the lords of the	2, 58/5

matter. In which, albeit they	meant	as much honour to his	2, 78/2
sore to wit what they	meant	, gave him leave to propose	2, 78/6
thing re tended and another	meant	, that there was nothing so	2, 82/26
be taken as the party	meant	it, but as it pleaseth	2, 92/29
abide well enough; the lion	meant	not by thee, for it	2, 93/8
well as afore God I	meant	it, could deserve but thank	2, 93/14

by itself. But in the	meantime	, for this present matter, I	2, 83/3

did, and yet all the	meantime	spent in much pain and	2, 87/8
everything was hawsed? above the	measure	: ameracements? turned into fines, fines	2, 70/5

considerations none seemeth me more	meetly	than our reverend father here	2, 26/29

divers, such as they thought	meetly	to be trusted, likely to	2, 58/13
divers others that were more	meetly	(quoth she) for your estate	2, 62/19

I am myself one poor	member	, I was about to wish	2, 93/20
late noble Prince of famous	memory	, King Henry the Seventh, or	2, 83/1
states? called warlike, in other	men	otherwise; he was malicious, wrathful	2, 7/22
with the feet forward, as	men	be borne outward, and (as	2, 7/26
runneth) also not untoothed whether	men	of hatred report above the	2, 7/27
prisoner in the Tower, as	men	constantly say, and that without	2, 8/15
own born brother. Some wise	men	also ween that his drift	2, 8/22
resisted openly, howbeit somewhat (as	men	deemed) more faintly than he	2, 8/24
hate other. If they were	men	, your faithfulness haply would suffice	2, 11/20
love. That we be all	men	, that we be Christian men	2, 12/9
men, that we be Christian	men	, this shall I leave for	2, 12/9
Lord Hastings and Chamberlain, both	men	of honour and of great	2, 15/29
the King's treasure, and sent	men	to the sea. All which	2, 19/15
common hurt, irritating and provoking	men	unto anger and disturbing the	2, 23/18
made the matter to wise	men	more unlikely, well perceiving that	2, 24/11
one of the best learned	men	undoubtedly that England had in	2, 25/7
the great grudge of all	men	, and high displeasure of God	2, 27/30
Would God some of the	men	of her kin were women	2, 28/24
will soon think that if	men	were set (which God forbid	2, 29/21

for that I see some	men	so greedy without any substantial	2, 37/10

law feareth, which, as learned	men	tell me, forbiddeth every man	2, 39/31
boldly, both to certain other	men	and also chiefly to the	2, 42/26
things and the dispositions of	men	were then such, that a	2, 43/26
the eyes and minds of	men	from perceiving of their drifts	2, 44/11
Chamberlain, with many other noble	men	to commune and devise about	2, 44/18
haply somewhat perceiving, filled many	men	with suspicion though he showed	2, 44/28
suspicion though he showed few	men	what he knew. Howbeit, somewhat	2, 44/29
somewhat the dealing self made	men	to muse on the matter	2, 44/30
with the wind, but wise	men	also and some lords eke	2, 45/10
and in come there rushing	men	in harness, as many as	2, 48/29
yet had I liefer that	men	should see it were by	2, 50/20
the haste for many substantial	men	out of the City unto	2, 52/26

have them hunt and be	merry	with him, where he made	2, 5/16

the Protector of his own	mind	promised him a great quantity	2, 44/6
Lord Hastings was in his	mind	better content that it was	2, 47/32

the vain surety of man's	mind	so near his death. Upon	2, 51/14
further appeasing of the people's	mind	, he sent immediately after dinner	2, 53/10

intended. And forasmuch as his	mind	gave? him that, his nephews	2, 83/10
broke to him secretly his	mind	in this mischievous matter; in	2, 84/20
never had quiet in his	mind	, he never thought himself sure	2, 87/12

than he that were heartily	mindeth	to his wealth.? And they	2, 8/25
can there be thing once	mindeth	that should sound amiss towards	2, 45/19
the more prone and benevolently	mindeth	towards his election. Wherein, dear	2, 74/33
or other, whether you be	mindeth	, as all the nobles of	2, 76/9

variance he turneth all to	mischief	. First longing to be next	2, 12/25

determined that, since the common	mischief	could not be amended, he	2, 43/34
dissimulation only, kept all that	mischief	up, in whom if the	2, 45/32
God helped them, that the	mischief	turned upon them that would	2, 53/6
boisterous of behaviour, bold in	mischief	, as far from pity as	2, 57/26
will and occasion of much	mischief	, yet it is never so	2, 71/10
which there is so much	mischief	grown. For lack of which	2, 73/22

execution might have encouraged other	mischievous	persons, partners of his conspiracy	2, 53/33
yet it is never so	mischievous	as where any people fall	2, 71/11
secretly his mind in this	mischievous	matter; in which he found	2, 84/20

trust showed unto Catesby the	mistrust	that others began to have	2, 46/20

that would. These words much	moved	the Protector, which else, as	2, 79/25
the Duke was the first	mover	of the Protector to this	2, 42/32
purpose, with all the causes	moving	them thereunto, as ye before	2, 78/11
that opinion, with the occasions	moving	either party, we shall have	2, 82/31
in spirit, accompanied with great	multitude	of angels, by night so	2, 28/4
and kill them, if their	murder	were willful. And where it	2, 30/18
wicked, I mean the lamentable	murder	of his innocent nephews, the	2, 82/18
them, a fellow fleshed in	murder	before time. To him he	2, 85/13
all the manner of the	murder	, who gave him great thanks	2, 86/2
were examined and confessed the	murder	in manner above written, but	2, 86/12
devised that they should be	murdered	in their beds. To the	2, 85/11
prison, and privily slain and	murdered	, their bodies cast God wot	2, 86/18
verily looked to have been	murdered	at Gloucester; from which none	2, 89/24
What a rabble of thieves,	murderers	, and malicious heinous traitors, and	2, 30/28
sight of them, caused those	murderers	to bury them at the	2, 85/28
was there great commotion and	murmur	, as well in other places	2, 22/16
the lords in obloquy and	murmur	of the people, as though	2, 25/29
thing that should cease great	murmur	in the realm, if the	2, 27/22
or respect of his honour,	murmur	or grudge of the world	2, 72/10
dealing self made men to	muse	on the matter, though the	2, 44/30
to mark the matter and	muse	thereon: so far forth that	2, 45/11
the Protector that while men	mused	what the matter meant, while	2, 58/5
the lords sat sore astonished,	musings	much by whom this question	2, 47/24

or kindness had held place,	must	needs have been their chief	2, 6/2
Duke of Clarence, whose life	must	needs have hindered him so	2, 9/2
haply would suffice. But childhood	must	be maintained by men's authority	2, 11/21

impugneth each other's counsel, there	must	it needs be long ere	2, 11/26
and faithful advice, of which	must	needs ensue the evil bringing	2, 11/29

breaking up of that household	must	needs either be brought away	2, 24/6
it by their godfathers. He	must	ask it himself that must	2, 32/13
must ask it himself that	must	have it. And reason, since	2, 32/14
go to school, his master	must	let him alone. And as	2, 33/5
be loath to hear, then	must	they needs seek and should	2, 79/23

that again and said all	must	be done in good order	2, 80/25
good order though, And men	must	sometimes, for the manner sake	2, 80/26
for nothing else. And yet	must	he be twice asked whether	2, 80/29
bishop or no, and he	must	twice say nay, and at	2, 80/30
and quick of answer, neither	mute	nor full of babble, sometimes	2, 56/4
Richard! all was hushed and	mute	and not one word answered	2, 75/3
there about, some manner of	muttering	among the people, as though	2, 44/23
dead: they laid their bodies	naked	out upon the bed, and	2, 85/26
KING EDWARD, of that	name	the Fourth, after that he	2, 3/1
the virtue of her whose	name	she bore, professed and observed	2, 3/10
his witting might abuse the	name	of his commandment to any	2, 15/17
his mother's friends, under the	name	of their enemies. Upon this	2, 16/3
should have the face and	name	of a rebellion, he secretly	2, 16/10
should assemble in the King's	name	much people, they should give	2, 16/16

a pursuivant of his own	name	. And of their meeting in	2, 51/16

of which he bare the	name	of his old, devised as	2, 83/9
as the Protector left that	name	and took himself as King	2, 84/28
which simple woman was well	named	and honest, till the King	2, 72/1

of the word of God,	namely	, a man so cunning and	2, 73/4
not say, in the pulpit	namely	?, into which none honest man	2, 73/7
of the Prince's favour, and	namely	? not for him whose pride	2, 84/8
sufficed not nor any usual	names	of known taxes but, under	2, 69/31
small matters aggrieved with heinous	names	. And also there was no	2, 71/1

of the Duke's servants and	Nashfield's	, and others belonging to the	2, 76/16
the amity of no earthly	nation	so necessary for him as	2, 63/10
themselves, nor in none earthly	nation	so deadly and so pestilent	2, 71/12
fame receiveth among all other	nations	, but also for that ye	2, 72/26

the Duke of Gloucester, by	nature	their uncle, by office their	2, 6/3

noble Lord Protector, bearing, as	nature	requireth, a filial reverence to	2, 73/27
it unlikely (the deep dissimulating	nature	of those both men considered	2, 90/3
right goodly personage and for	nature's	gifts worthy to have served	2, 84/1

length evil drifts drive to	naught	and good plain ways prosper	2, 12/3
his knowledge not begun for	naught	, comparing this manner present with	2, 18/11
man will so do for	naught	. And such evil opinion once	2, 26/21
willful unthriftiness hath brought to	naught	. What a rabble of thieves	2, 30/27
highly taken, that she was	naught	of her body. And for	2, 54/24
be the let. Womanish fear!	Nay	, womanish frowardness ! quoth the Duke	2, 28/19
Yet will I not say	nay	, but that it is a	2, 30/7
the Queen, I say not	nay	but that it were very	2, 34/32
they should be in jeopardy?	Nay	, verily, Sir, quoth she, nor	2, 36/27
to be so stiffly said	nay	, so much esteemed her continence	2, 61/26
booted not greatly to say	nay	. Notwithstanding, the Duchess of York	2, 61/33
one voice, no man saying	nay	. Wherefore, friends, quoth the Duke	2, 76/28
and he must twice say	nay	, and at the third time	2, 80/30
you, and yet I wot	ne'er	whether any preacher's words ought	2, 12/10
so long ago, I wot	ne'er	what Pope and what Prince	2, 31/20
abashed and, taking the Mayor	nearer	to him, with others that	2, 75/5
every one as he was	nearest	of kin unto the Queen	2, 14/15
were appointed, as the King's	nearest	friends, to the tuition of	2, 25/31
as for that you were	nearest	at hand, since that near	2, 72/20
done for good purposes and	necessary	by the whole Council at	2, 19/16

were of all folk most	necessary	about your children; and so	2, 35/19
of no earthly nation so	necessary	for him as the friendship	2, 63/11
and unreasonable waste than any	necessary	or honourable charge. So that	2, 69/28
old law. For if either	necessity	, his own defence, or misfortune	2, 30/20
there be whom any favourable	necessity	compelled to go thither. And	2, 30/25
of all sanctuaries. From which	necessity	this noble Prince is far	2, 32/9
there is not always great	necessity	to have the child be	2, 35/26

us hath anything the less	need	for the late made atonement	2, 15/19
mind that it neither were	need	and also should be jeopardous	2, 16/12
who he thought had more	need	of comfort, as one to	2, 20/7
God's grace, we shall not	need	it. But for any manner	2, 28/13
it. But for any manner	need	, I would not we should	2, 28/14
where it is otherwise, there	need	we not the sanctuaries that	2, 30/19
own fault maketh him fain	need	to require it. What will	2, 32/16
discretion to require it if	need	were, I dare say would	2, 32/18
whoso may have deserved to	need	it, if they think it	2, 33/11
no jeopardy nor hath no	need	thereof. Would God he had	2, 38/5
privilege for my child, I	need	not far to seek. For	2, 39/8
pray God shortly send him	need	of sanctuary when he may	2, 40/4
that priest? You have no	need	of a priest yet and	2, 51/9
never end and oftentime no	need	: or if any were, it	2, 69/27
the Prince favoured not. We	need	not, I suppose, to rehearse	2, 70/28
shall not, I wot well,	need	that I rehearse you again	2, 72/33
a thousand good fellows, if	need	were. The messenger, sent back	2, 88/13
both men considered, and what	need	in that green? world the	2, 90/4

lawful means in peril, there	needeth	he the tuition? of some	2, 32/7
for him, neither none he	needeth	nor also none can have	2, 32/12
besides his infancy, that also	needeth	good looking to, hath a	2, 35/6

bootless. Wherefore if she should	needs	go from him, she deemed	2, 41/6
biding. And if we should	needs	cost fall in peril one	2, 50/19
to hear, then must they	needs	seek and should not fail	2, 79/24

is of you either so	negligent	that he knoweth not, or	2, 70/24

What, Coke, your own worshipful	neighbour	, alderman and Mayor of this	2, 70/21
by the benignity of her	nephew	, King Henry the Eighth, in	2, 3/16

as it will, it will	never	be so well as we	2, 21/14
of joint that it should	never	be brought in frame again	2, 23/21
perceive to the contrary. For	never	shall I, by God's grace	2, 27/16
that time hitherward was there	never	so undevout a King that	2, 28/7
places be full, and which	never	fall from the craft after	2, 30/15
of sanctuary men, but I	never	heard erst? of sanctuary children	2, 33/9
the Sanctuary, whereof was there	never	tyrant yet so devilish that	2, 37/31

which after that day they	never	came abroad. When the Protector	2, 42/22
as his inheritance and could	never	obtain it in King Edward's	2, 44/5

man is there which is	never	thence, never can there be	2, 45/18
there which is never thence,	never	can there be thing once	2, 45/18
and small, as it was	never	other. And thereupon every man's	2, 48/11
little mistrusted, that he was	never	merrier nor never so full	2, 51/11

my life so merry, nor	never	in so great surety. Oh	2, 52/13
Of which their treason he	never	had knowledge before ten of	2, 53/3
fervently loved, for whom she	never	longed. Which was haply the	2, 55/12

the people; but after that,	never	. Of these two, the one	2, 58/26
world, into which he durst	never	after come abroad. But the	2, 59/6
himself whom he should haply	never	love, and for the possibility	2, 63/18
forbidden a priest; but I	never	wist it yet that it	2, 64/19

she confessed that they were	never	ensured. Howbeit, she said his	2, 65/3
such kind words she would	never	have shown such kindness to	2, 65/5
to say, bastard slips shall	never	take deep root. Thereupon, when	2, 66/28
then that King Edward was	never	lawfully married unto the Queen	2, 67/13
noble Duke, whose remembrance can	never	die while he liveth. While	2, 68/20
preacher got him home and	never	after durst look out for	2, 68/27
tallages?, of which there was	never	end and oftentime no need	2, 69/27
will, list to take, which	never	asked little, but everything was	2, 70/4
much mischief, yet it is	never	so mischievous as where any	2, 71/11

England, the advancement whereof we	never	ask of God longer to	2, 80/15
the thing evil got is	never	well kept, through all the	2, 82/14

After which time the Prince	never	tied his points, nor aught	2, 85/7
which only knew it, could	never	since come to light. Very	2, 86/8
every part well pondered, God	never	gave this world a more	2, 86/21
this abominable deed done, he	never	had quiet in his mind	2, 87/11
quiet in his mind, he	never	thought himself sure: where he	2, 87/12
hatred and mistrust that he	never	after could endure to look	2, 89/15
such opinion conceived, he would	never	have suffered him to escape	2, 90/9
had the King in prison,	never	came home but to the	2, 90/26
the realm, went to Rome,	never	minding more to meddle with	2, 91/12
Edward to reign, I was	never	so mad that I would	2, 92/9
he faithfully promised there should	never	come hurt and peradventure more	2, 92/21
here spoken, for it shall	never	come near their ear. In	2, 93/12

somewhat corpulent and burly and	nevertheless	not uncomely. He was of	2, 4/19
far above his age and	nevertheless	of estate convenient to accompany	2, 26/11
their own evil deserving. And	nevertheless	, if we loved neither her	2, 28/27

wist was true, and that	nevertheless	every man laughed at to	2, 54/23

purpose, he letted not. But	nevertheless	he would that point should	2, 59/28

unwise oversoon to trust a	new	friend made of an old	2, 15/22
their old variance than their	new	atonement. For which cause they	2, 16/21

able to bear out a	new	surfeit. And albeit there might	2, 35/13

Lordship word that there is	no	fear, for he assureth you	2, 21/12
trusses, all on men's backs,	no	man unoccupied, some lading, some	2, 21/22
of Gloucester's servants, watching that	no	man should go to Sanctuary	2, 22/15
whose truth towards the King	no	man doubted nor needed to	2, 23/3
also in safeguard, and there	no	longer should remain than till	2, 23/12
were taken (among which stuff	no	marvel though some were harness	2, 24/5
were achieved, yet durst he	no	further attempt as long as	2, 25/13
light] (which I think	no	man thinketh that loveth the	2, 26/14
every man will ween that	no	man will so do for	2, 26/21
if she could be in	no	wise entreated with her good	2, 27/26
shall all well perceiveth at	no	lack of my endeavour, but	2, 28/18
she well knoweth she needeth	no	such thing to fear, either	2, 28/21
as for her, there is	no	man that will be at	2, 28/22
her kin, yet were there	no	cause to think that we	2, 28/27

to pass (as it were	no	great mastery,? we letting her	2, 29/29
And yet will I break	no	sanctuary therefore. For verily since	2, 30/2
great thanks of God and	no	breach of the privilege. The	2, 31/19
to do another wrong ? That	no	man unlawfully take hurt, that	2, 32/3
have it. And reason, since	no	man hath cause to have	2, 32/14
it. But he can be	no	sanctuary man that neither hath	2, 33/12
life or liberty can by	no	lawful process stand in jeopardy	2, 33/14
say plainly that he breaketh	no	sanctuary. When the Duke had	2, 33/19
him, and to leave her	no	respite to convey him, which	2, 34/3
which thing the lords esteemed	no	slight, though it seem light	2, 34/27
recovered, that I dare put	no	person earthly in trust with	2, 35/8
own mother that bore him.	No	man denieth, good madam, quoth	2, 35/17
to suffer him bide where	no	man doubteth he shall be	2, 36/21

But it is, I trow,	no	great marvel though I fear	2, 36/28
lord that he should harp	no	more upon that string ; and	2, 36/33
think that he can have	no	privilege in this place, which	2, 37/15
it. And therefore they reckon	no	privilege broken, though they fetch	2, 37/17
But my son can deserve	no	sanctuary, and therefore he cannot	2, 38/2
innocent. But he is in	no	jeopardy nor hath no need	2, 38/5
in no jeopardy nor hath	no	need thereof. Would God he	2, 38/5
if his brother, that hath	no	lust to play for sickness	2, 38/16
mother his guardian. Then may	no	man, I suppose, take my	2, 38/31
cause of my fear hath	no	man to do to examine	2, 39/30
examine, and yet fear I	no	further than the law feareth	2, 39/31
than a kingdom. I can	no	more, but whosoever he be	2, 40/2
final conclusion, that he would	no	longer dispute the matter. But	2, 40/12
desire of a kingdom knoweth	no	kindred. The brother hath been	2, 41/25
nothing avail, for there was	no	way left to redeem his	2, 43/17
all, and that it were	no	doubt but he would do	2, 43/21
might haply turn them to	no	good to be too much	2, 45/5
his most weighty matters put	no	man in so special trust	2, 45/23
special trust, reckoning himself to	no	man so lief,? since he	2, 45/24
he well wist there was	no	man to him so much	2, 45/25
terrible words, that he durst	no	further break. And of truth	2, 46/18
had most loved. And also	no	man was there present but	2, 48/18
for he was disposed utterly	no	longer to bide: he had	2, 49/32
that he was thoroughly determined	no	longer to tarry, but had	2, 50/7
falsehood; wherefore either is there	no	peril, nor none there is	2, 50/18
him be merry and have	no	fear; for I ensure him	2, 50/23
happeneth to them to whom	no	such mischance is toward, yet	2, 50/29
Now this that followeth was	no	warning, but an enemiuous? scorn	2, 50/32
with that priest? You have	no	need of a priest yet	2, 51/9
thanked be God, they got	no	good, nor ye none harm	2, 52/4
good heart and courage forestudied	no	perils; a loving man, and	2, 52/21
ill faring? briginders? such as	no	man should ween that they	2, 52/28
answered him fair, as though	no	man mistrusted the matter which	2, 53/9
the matter which, of truth,	no	man believed. Yet for the	2, 53/10
him in conclusion, when that	no	color could fasten upon these	2, 54/20
his realm, as one whom	no	man could get out of	2, 56/9
of their own strengths, while	no	man wist what to think	2, 58/6
of their learning and had	no	scrupulous conscience. Among these had	2, 58/21
full of tedious flattery that	no	man's ears could abide them	2, 59/1
But the friar forced? for	no	shame, and so it harmed	2, 59/7
to marry his own subject,	no	great occasion leading thereunto, no	2, 62/9
no great occasion leading thereunto,	no	depending	2, 62/10
forasmuch as there is between	no	merchant and his own maid	2, 62/15
he reckoned the amity of	no	earthly nation so necessary for	2, 63/10
like them to wed them.	No	more is it reason that	2, 63/27

sure to be compelled to	no	larger proof than themselves list	2, 66/14
showed him that they talked	no	good, yet when the other	2, 68/31
right great and weighty, and	no	less weighty than pleasing unto	2, 69/14
all the realm, nor to	no	part of the realm more	2, 69/15
was never end and oftentime	no	need: or if any were	2, 69/27
of every man took as	no	man would of his good	2, 70/1
into treason. Whereof, I think,	no	man looketh that we should	2, 70/12
for the Prince's pleasure: with	no	less honour to Markham, then	2, 70/16
names. And also there was	no	crime so great of which	2, 71/1
surer than war. So that	no	time was there in which	2, 71/24
all the realm intolerable. For	no	woman was there anywhere, young	2, 72/6
cunning and so wise that	no	man better wotteth what he	2, 73/5
I warn you well, is	no	child's office, and that the	2, 74/16
as the Duke's words and	no	part his own. But all	2, 75/29
own. But all this nothing	no	change made in the people	2, 75/30
every man with one voice,	no	man saying nay. Wherefore, friends	2, 76/27
it, whom they would in	no	wise offend, Then the Protector	2, 78/4
gone that it was now	no	surety to retreat, as for	2, 79/18
line to govern them, whom	no	man earthly can govern against	2, 79/31
we well also perceive that	no	man is there to whom	2, 79/32
themselves well wist there was	no	man so dull that heard	2, 80/23
he will be bishop or	no	, and he must twice say	2, 80/30
that wise be will meddle	no	farther. For they that sometime	2, 81/8
the play and do themselves	no	good. The next day the	2, 81/10
finally, to the intent that	no	man should hate him for	2, 81/25
in his days destroyed or	no	; not for that only that	2, 82/21
William Catesby, which longing for	no	more partners of the Prince's	2, 84/6
pride they wist would bear	no	peer, kept him by secret	2, 84/8
deed. Now had he outward	no	long time in rest. For	2, 87/21
and honourable in behaviour, lacking	no	wise ways to win favour	2, 90/23
book and his beads and	no	farther. Then longed the Duke	2, 92/17
in thine head.' ‘	No	, marry,’ quoth he, ‘	2, 93/9

as I have said) this	noble	King, in that time in	2, 5/22
him had been to his	noble	children (having in themselves also	2, 5/24
Richard, Duke of York, a	noble	man and a mighty, began	2, 6/13

the King was departed, the	noble	Prince his son drew towards	2, 13/31
the King, and the less	noble	to be left about him	2, 14/29
to subdue and destroy the	noble	blood of the realm. Towards	2, 19/12
which in likewise as that	noble	Prince, your husband, delivered it	2, 22/9
Buckingham and of other the	noble	blood of the realm, to	2, 24/1
their carriage to destroy the	noble	lords withal. This device, albeit	2, 24/10

estate convenient to accompany his	noble	majesty. Wherefore with whom rather	2, 26/12
and bring him to his	noble	presence, in whose continual company	2, 27/11
we should hate the King's	noble	brother, to whose Grace we	2, 28/28

sanctuaries. From which necessity this	noble	Prince is far, whose love	2, 32/9
enough. And as towards her	noble	person, neither was nor could	2, 37/1
Lord Chamberlain, with many other	noble	men to commune and devise	2, 44/18
time a widow, born of	noble	blood, specially by her mother	2, 60/15
also, to marry in a	noble	progeny out of his realm	2, 62/3
for the children of the	noble	Duke, as those that by	2, 67/25
Protector, he said, that very	noble	Prince, that special pattern of	2, 67/28
the very face of the	noble	Duke, his father. This is	2, 67/30
plain, express likeness of that	noble	Duke. Now was it before	2, 67/32
again: This is the very	noble	Prince, the special pattern of	2, 68/15
the very face of the	noble	Duke of York, his father	2, 68/17
plain, express likeness of the	noble	Duke, whose remembrance can never	2, 68/20
you, the citizens of this	noble	city. For why, that thing	2, 69/16
alderman and Mayor of this	noble	City: who is of you	2, 70/22
great effusion of the ancient	noble	blood of this realm that	2, 71/20
the great enfeebling of this	noble	land, beside many a good	2, 71/22
here, the citizens of this	noble	city, as well for that	2, 72/18
that the Prince by this	noble	city, as his special chamber	2, 72/24
of great part of the	noble	blood of this realm. Whereby	2, 73/21
in avoiding displeasure of my	noble	Lord Protector, bearing, as nature	2, 73/26
lawfully coming of the late	noble	Prince, Richard, Duke of York	2, 73/30
begotten son of the fore-remembered	noble	Duke of York. Which thing	2, 74/3
manifold virtues which in his	noble	person singularly abound, the nobles	2, 74/5
to thank God that this	noble	personage, which is so righteously	2, 74/19
realm be, to have this	noble	Prince, now Protector, to be	2, 76/10
whole minds to have this	noble	man for your King, whereof	2, 76/29
we with you, unto his	noble	Grace, to make our humble	2, 76/33
fail to find some other	noble	man that would. These words	2, 79/24
and kingdom of the two	noble	realms, England and France, the	2, 80/9
the time of the late	noble	Prince of famous memory, King	2, 83/1

with the world, till the	noble	Prince, King Henry the Seventh	2, 91/13
Earl of Warwick, with other	noblemen	in his company, unto Spain	2, 60/7
Duke of Buckingham, with divers	noblemen	with him, beside many knights	2, 77/12

realm, join with us, the	nobles	, in our said request. Which	2, 74/25
be minded, as all the	nobles	of the realm be, to	2, 76/9
now joined your election, the	nobles	and commons of this realm	2, 80/3

to win unto him the	nobles	, the merchants, the artificers, and	2, 81/23
by the arm. And if	nobody	may be taken out of	2, 33/2
for his theme, Spuria vitulamina	non	agent radices altas,? that is	2, 66/27
Sir Thomas Vaughan, into the	north	country into divers places to	2, 20/12
realm, and specially of the	north	parts, not willing any bastard	2, 74/6
with many gentlemen of the	north	country, to the number of	2, 88/17
way to London gone from	Northampton	, when these Dukes of Gloucester	2, 17/8
that were got out of	Northampton	towards Stony Stratford, till they	2, 18/4
King and all back unto	Northampton	, where they took again further	2, 19/29
Grace from Stony Stratford unto	Northampton	. Notwithstanding, Sir, quoth he, my	2, 21/11

had, eftsoon departed. Whereupon at	Northampton	the Duke met with the	2, 89/1

mother unto the Eighth; Cecily,	not	so fortunate as fair: Bridget	2, 3/9
corpulent and burly and nevertheless	not	uncomely. He was of youth	2, 4/19
grace, hardly refraineth. This fault	not	greatly grieved the people, for	2, 4/22
the people towards the Prince,	not	in a constrained fear, but	2, 4/28
him, where he made them	not	so stately, but so friendly	2, 5/16
dissension of their friends had	not	unarmed them and left them	2, 5/28
unnaturally contrived to bereave them,	not	only their dignity, but also	2, 6/7
man and a mighty, began	not	by war, but by law	2, 6/14
King Henry. But the Duke,	not	enduring so long to tarry	2, 6/21
either his own ambition had	not	set him against his brother	2, 7/3
King's kindred (as women commonly,	not	of malice but of nature	2, 7/7
her travail that she could	not	be delivered of him uncut	2, 7/25
as the fame runneth) also	not	untoothed whether men of hatred	2, 7/27
compinable? where he inwardly hated,	not	letting? to kiss whom he	2, 8/9
to kill; dispiteous and cruel,	not	for evil will always, but	2, 8/10
his drift?, covertly conveyed, lacked	not	in helping forth his brother	2, 8/23
inkling thereof : for he was	not	likely to speak it of	2, 9/16
could : and those that could	not	be won might be lost	2, 10/6
your concord. For it sufficeth	not	that all you love them	2, 11/19
give it if ye agree	not	. For where each laboureth to	2, 11/24
there long been between you,	not	always for great causes. Sometimes	2, 12/5
afore, that we eftsoons fall	not	in that occasion again. Now	2, 13/9
That drift by the Queen	not	unwisely devised, whereby her blood	2, 14/16
if some folks' friendship had	not	held better place with the	2, 15/10
of us ere this. Why	not	as easily as they have	2, 15/12
the King's favour. These two,	not	bearing each to other so	2, 15/31
they should gather this people,	not	for the King's safeguard, whom	2, 16/19
should ensue, which was likely	not	to be little, and the	2, 16/25
King up in great haste,	not	in good speed, with a	2, 17/6
a thing without his knowledge	not	begun for naught, comparing this	2, 18/11
misliked. Howbeit, since he could	not	get away, and keep himself	2, 18/14
keep himself close he would	not	, lest he should seem to	2, 18/15

to confusion but it should	not	lie in his power. And	2, 18/21
to excuse himself, they tarried	not	the end of his answer	2, 18/23
nothing content; but it booted	not	. And at dinner the Duke	2, 20/2
came there one in likewise	not	long after midnight, from the	2, 21/3
of England, to his place	not	far from Westminster. And for	2, 21/5
master gave him in charge	not	to forbear his rest, they	2, 21/8
forbear his rest, they letted?	not	to wake him, nor he	2, 21/8
they reckoned this demeanour attempted	not	so specially against other lords	2, 22/25
under arrest for their surety,	not	for the King's jeopardy ; and	2, 23/10
than till the matter were,	not	by the Dukes only, but	2, 23/12
them beware, that they judged	not	the matter too far forth	2, 23/16
people, as though they were	not	to be trusted with the	2, 25/29
prosperity whereof standeth, quoth he,	not	all in keeping from enemies	2, 26/7
run in every man's mouth,	not	in this realm only but	2, 26/18
divine. Wherefore, methinketh it were	not	worst to send unto the	2, 26/25
the pain. Which I doubt	not	of his goodness he will	2, 26/32
of his goodness he will	not	refuse, for the King's sake	2, 26/32
spirituality present, that it were	not	in any wise to be	2, 27/28
with God's grace, we shall	not	need it. But for any	2, 28/13
any manner need, I would	not	we should do it. I	2, 28/14
happen that I bring it	not	so to pass, yet shall	2, 28/16
that frowardness letteth her, and	not	fear. But go to suppose	2, 29/12
fetch'd from her, is it	not	likely enough that she shall	2, 29/26
none other. And I doubt	not	but she now as sore	2, 29/27
of long continued, I am	not	he that would be about	2, 30/4
now to begin, I would	not	be he that should be	2, 30/5
make them. Yet will I	not	say nay, but that it	2, 30/7
is otherwise, there need we	not	the sanctuaries that God appointed	2, 30/19
I say, although: they were	not	abused as they now be	2, 31/2
plate, and say they dare	not	abide with their husbands for	2, 31/12
though those places gave them	not	only a safeguard for the	2, 31/16
a certain religious fear, have	not	broken it, let us take	2, 31/22
as reason will. Which is	not	fully so far forth as	2, 31/24
that standeth in danger abroad,	not	of great hurt only, but	2, 31/29
none can have. Men come	not	to sanctuary as they come	2, 32/12
another man's goods, why should	not	the King, leaving his body	2, 32/23
effect that, if he were	not	delivered, he should be fetch'd	2, 33/22
perceive that this errand was	not	one man's mind, or were	2, 33/31
for that the Protector intended	not	in this matter to trust	2, 33/32
the thing which highly sounded,	not	only to the great rumour	2, 34/10
wist well she specially tendered)	not	only great comfort and honour	2, 34/23
quoth the Queen, I say	not	nay but that it were	2, 34/31
so would all the Council	not	only be content but also	2, 35/20
and obloquy: since there is	not	always great necessity to have	2, 35/26
was well content therewith yourself.	Not	very well content, quoth the	2, 35/32

And yet the case is	not	like: for the one was	2, 35/33
here, which as yet intend	not	to come forth and jeopard	2, 36/23
fear lest those that have	not	letted to? put them in	2, 36/29
God send grace it hurt	not	? And therefore, as for me	2, 37/7
as for me, I purpose	not	as yet to depart hence	2, 37/7
him sure, if he be	not	sure in this, the Sanctuary	2, 37/30
may defend a thief may	not	save an innocent. But he	2, 38/4
thereof. Would God he had	not	! Troweth the Protector (I pray	2, 38/6
troweth he that I perceive	not	whereunto his painted process draweth	2, 38/9
painted process draweth? It is	not	honourable that the Duke bide	2, 38/11
young as they be could	not	play but with their peers	2, 38/18
their peers, or children could	not	play but with their kindred	2, 38/19
gay matter. Suppose he could	not	ask it, suppose he would	2, 38/23
ask it, suppose he would	not	ask it, suppose he would	2, 38/23
if I say he shall	not	, if I ask the privilege	2, 38/24
my goods too ? Ye may	not	hence take my horse from	2, 38/27
And if my privilege could	not	serve him, nor he ask	2, 39/2
for my child, I need	not	far to seek. For in	2, 39/9
all you know, this is	not	the first time that I	2, 39/15
of sanctuary when he may	not	come to it. For taken	2, 40/4
out of sanctuary, would I	not	my mortal enemy were. The	2, 40/7
and soul both in pledge,	not	only for his surety but	2, 40/14
she verily thought she could	not	keep him there, but that	2, 40/27
places about, that he could	not	be conveyed out untaken, and	2, 41/2
she well assured they would	not	be corrupted. Then thought she	2, 41/10
this gentleman, whom I doubt	not	but I could here keep	2, 41/20
man say. And I doubt	not	also but there be some	2, 41/21
well ware that you fear	not	as far too little. And	2, 42/7
such, that a man could	not	well tell whom he might	2, 43/27
enterprise, which he believed could	not	be avoided, he bent himself	2, 43/32
since the common mischief could	not	be amended, he would turn	2, 43/34
people, as though all should	not	long be well, though they	2, 44/23
of purpose, caused at length	not	common people only, that wave	2, 45/9
was it that he had	not	had either more truth or	2, 45/31
if the Lord Hastings had	not	put so special trust, the	2, 45/33
essayed him or essayed him	not	, reported unto them that he	2, 46/17
somewhat grudged that he was	not	afore made of counsel in	2, 48/1
day, in which he was	not	aware that it was by	2, 48/5
Paul, quoth he, I will	not	to dinner till I see	2, 49/13
head off. It booted him	not	to ask why, but heavily	2, 49/13
shrift, for a longer would	not	be suffered, the Protector made	2, 49/15
to dinner: which he might	not	go to till this were	2, 49/16
tokens of that he could	not	avoid. For the self night	2, 49/26
to come, why, thinketh he	not	that we might be as	2, 50/15
the while (but it lasted	not	long) far fallen into the	2, 51/22

intended further was as yet	not	well known. Of which their	2, 53/3
as it were for anger,	not	for covetousness, the Protector sent	2, 54/14
wife (for her husband dwelled	not	with her) and spoiled her	2, 54/15
the thing that herself could	not	deny, that all the world	2, 54/22
she were well ripe, she	not	very fervently loved, for whom	2, 55/11
one that could his good,?	not	presuming to touch a King's	2, 55/18
a fair face. Yet delighted	not	men so much in her	2, 56/1
sometimes taunting without displeasure and	not	without disport. The King would	2, 56/5
wanton women and wealthy be	not	always covetous. I doubt not	2, 56/24
not always covetous. I doubt	not	some shall think this woman	2, 56/25
ill deeds. Her doings were	not	much less, albeit they be	2, 57/3
less remembered because they were	not	so evil. For men use	2, 57/4
it in dust : which is	not	worst proved by her, for	2, 57/6
had begged if she had	not	been. Now was it so	2, 57/13
the selfsame hour, was there,	not	without his assent, beheaded at	2, 57/17
about that they were traitors,	not	suffering them to speak and	2, 57/28
many think, that Penker was	not	of counsel of the matter	2, 59/8
namely, since his sermon was	not	incontinent upon it, but at	2, 59/10
farther this purpose, he letted	not	. But nevertheless he would that	2, 59/28
less and more favourably handled,	not	even fully, plain and directly	2, 59/29
made, and very wise, he	not	only pitied her but also	2, 61/7
constancy, as he that had	not	been wont elsewhere to be	2, 61/26
might easily perceive it booted	not	greatly to say nay. Notwithstanding	2, 61/33
possessions ; and that he could	not	well otherwise do, standing that	2, 62/5
far moved already which were	not	likely to take it well	2, 62/7
said also that it was	not	princely to marry his own	2, 62/9
marriage, even worldly considered, was	not	unprofitable, for he reckoned the	2, 63/10
favour in that he disdained	not	to marry with one of	2, 63/12
his appetite. And I doubt	not	, quoth he, but there be	2, 63/25
her. And therefore I let	not	them that like them to	2, 63/27
of a guardian. I would	not	be a King with that	2, 64/1
set thereon that she could	not	pull him back, so highly	2, 64/21
whom the King had also,	not	long before, got with child	2, 64/25
that either the Bishops durst	not	, or the King would not	2, 64/31
not, or the King would	not	, proceed to the solemnization of	2, 64/31
and that if it had	not	been for such kind words	2, 65/5
almost at his pleasure, and	not	impossible to have attained it	2, 65/32
it himself, if he had	not	reckoned it a greater thing	2, 65/33
left it that it could	not	be lost, but by the	2, 66/7
were lawfully begotten, nor were	not	the very children of the	2, 66/19
so provideth that it continueth	not	in their blood long but	2, 67/2
far forth that fifteenths? sufficed	not	nor any usual names of	2, 69/31
that every man should pay,	not	what himself of his good	2, 70/2
so negligent that he knoweth	not	, or so forgetful that he	2, 70/24
so forgetful that he remembreth	not	, or so hardhearted that he	2, 70/25

so hardhearted that he pitieth	not	, that worshipful man's loss? What	2, 70/25
him whom the Prince favoured	not	. We need not, I suppose	2, 70/28
Prince favoured not. We need	not	, I suppose, to rehearse of	2, 70/28
since there be, I doubt	not	, many here present that either	2, 70/29
thence. And peace long after	not	much surer than war. So	2, 71/24
fear or some displeasure, were	not	out of peril. For whom	2, 71/26
if his own brother could	not	? What manner of folk he	2, 71/29
any part of his realm,	not	only for that the Prince	2, 72/23
but also for that ye,	not	without your great cost and	2, 72/27
our present errand. It shall	not	, I wot well, need that	2, 72/33
it so be; I am	not	so proud to look therefor	2, 73/3
and virtuous that he would	not	say the thing which he	2, 73/6
which he wist he should	not	say, in the pulpit namely	2, 73/7
may well seem that marriage	not	well made of which there	2, 73/22
explained, and which things shall	not	be spoken for me, as	2, 73/25
specially of the north parts,	not	willing any bastard blood to	2, 74/6
your own weal we doubt	not	but ye will, and none	2, 74/26
was hushed and mute and	not	one word answered thereunto. Wherewith	2, 75/3
Mayor, percase they perceive? you	not	well. That shall we mend	2, 75/8
that other should speak first,	not	one word was there answered	2, 75/15
as still as the midnight,	not	so much as rounding? among	2, 75/17
said that the people had	not	been accustomed there to be	2, 75/20
that thing which peradventure we	not	so greatly needed but that	2, 76/3
by you, that we would	not	gladly do without you that	2, 76/6
it seemeth, either you see	not	or weigh not. Wherefore we	2, 76/8
you see not or weigh	not	. Wherefore we require you give	2, 76/8
to be your King or	not	, At these words the people	2, 76/11
effectual report that we doubt	not	but it shall redound unto	2, 76/31
with glad semblance that were	not	very merry, and some of	2, 77/3
came thither with the Duke,	not	able to dissemble their sorrow	2, 77/4
of his chamber, and yet	not	down unto them, but stood	2, 77/26
him, as though he would	not	yet come too near them	2, 77/28
which pardon obtained they durst	not	be bold to move him	2, 78/1
realm beside, yet were they	not	sure how his Grace would	2, 78/3
never desirous, that he could	not	find in his heart in	2, 78/29
nations where the truth were	not	well known it should peradventure	2, 78/31
With which infamy he would	not	have his honour stained for	2, 78/34
it, as he that would	not	were not worthy to have	2, 79/1
he that would not were	not	worthy to have it. Notwithstanding	2, 79/1
to have it. Notwithstanding, he	not	only pardoned them the motion	2, 79/2
appointed? King Edward's line should	not	any longer reign upon them	2, 79/17
that way although they had	not	yet begun it. Wherefore if	2, 79/20
they needs seek and should	not	fail to find some other	2, 79/24
very sorry that they will	not	suffer in any wise King	2, 79/30
sometimes, for the manner sake,	not	be a-knowen what they know	2, 80/26

his days destroyed or no;	not	for that only that Perkin	2, 82/21
dolorous end of those babes,	not	after every way that I	2, 83/4
his nephews living, men would	not	reckon that he could have	2, 83/11
heart and sore longed upward,	not	rising yet so fast as	2, 84/4
the Prince's favour, and namely?	not	for him whose pride they	2, 84/8
unto him that he should	not	reign, but his uncle should	2, 84/29
him knight.? But he allowed	not	, as I have heard, that	2, 86/3
himself sick, because he would	not	ride with him. And the	2, 89/18
Protector's head, his eye could	not	abide the sight thereof, but	2, 90/12
that he was of truth	not	well at ease, and that	2, 90/14
King Richard well known and	not	ill taken, nor any demand	2, 90/15
wealth, and nevertheless left it	not	nor forsook it in woe	2, 90/25
his fast faith and wisdom,	not	only was content to receive	2, 91/2
the contrary, your lordship would	not	, I ween, believe, but that	2, 92/6
had had the crown and	not	King Edward. But after that	2, 92/7
have otherwise provided, I purpose	not	to spurn against a prick	2, 92/13
them with whom he should	not	have found the like favour	2, 92/26
faith, my lord, I love	not	much to talk much of	2, 92/27
much of Princes, as thing	not	all out of peril, though	2, 92/28
fault, forasmuch as it shall	not	be taken as the party	2, 92/29
well enough; the lion meant	not	by thee, for it is	2, 93/8
King in possession, I purpose	not	to dispute his title. But	2, 93/19
gave this world a more	notable	example, neither in what unsurety	2, 86/21
observed as a token oftentimes	notably	foregoing some great misfortune. Now	2, 50/31
politic in counsel. in adversity	nothing	abashed, in prosperity rather joyful	2, 4/11
of his children, albeit he	nothing	less mistrusted than that that	2, 10/16
there, so lovingly, that they,	nothing	earthly mistrusting, brought the King	2, 17/5
very joyous and amiable manner,	nothing	earthly knowing nor mistrusting as	2, 19/5
dealing he wept and was	nothing	content; but it booted not	2, 20/2
he trusted the matter was	nothing	so sore as she took	2, 21/30
to whom the custody thereof	nothing	of	2, 22/31
of whose faithful mind she	nothing	doubteth, but verily believeth and	2, 29/3
to the Queen that he	nothing	doubted but that those lords	2, 36/34
to him that he feareth	nothing	but lest he should escape	2, 37/22
showeth me, since he hath	nothing	by descent held by knight's	2, 38/29
so dull that they could	nothing	perceive what the Protector intended	2, 40/20
came on her so suddenly,	nothing	less looking for than to	2, 41/1
of the Cardinal's faith she	nothing	doubted, nor of some other	2, 41/7
and both be sure, and	nothing	for them both more perilous	2, 41/30
with repenting the Duke should	nothing	avail, for there was no	2, 43/17
which he well wist, but	nothing	ware that the axe hung	2, 52/8
Proper she was and fair,	nothing	in her body that you	2, 55/24
lean, withered, and dried up,	nothing	left but rivelled? skin and	2, 55/31
whose person albeit there was	nothing	to be misliked, yet was	2, 62/17
yet was there, she said,	nothing	so excellent but that it	2, 62/17

The Duchess with these words	nothing	appeased, and seeing the King	2, 64/20
to be a king. But	nothing	lasteth always; for in conclusion	2, 66/1
of York, since he hath	nothing	worthily acquitted, there is of	2, 72/30
his own. But all this	nothing	no change made in the	2, 75/30
their heads, marvelling thereof; but	nothing	they said. And when the	2, 76/22
and though he pay for	nothing	else. And yet must he	2, 80/29
another meant, that there was	nothing	so plain and openly proved	2, 82/27
at my commandment will do	nothing	for me. Sir, quoth his	2, 83/27
and brethren of blood, but	nothing	of kin in conditions. Then	2, 84/17
in which he found him	nothing	strange. Wherefore, on the morrow	2, 84/20
bodies were removed they could	nothing	tell. And thus, as I	2, 86/13
very special favour; which he	nothing	deceived. For he being, as	2, 91/4
within few days after, at	Nottingham	, whither the Protector from York	2, 88/16
from Stony Stratford unto Northampton.	Notwithstanding	, Sir, quoth he, my Lord	2, 21/11
in one ship? All this	notwithstanding	, here I deliver him, and	2, 41/32
mother was an adulteress, which,	notwithstanding	, to farther this purpose, he	2, 59/27
not greatly to say nay.	Notwithstanding	, the Duchess of York, his	2, 61/34
with that matter to begin,	notwithstanding	, thereunto commanded by the Mayor	2, 75/26
not worthy to have it.	Notwithstanding	, he not only pardoned them	2, 79/2
with evil will, and that	notwithstanding	, on the morrow rose from	2, 89/20
And yet that happeneth. And	nowhere	where find we so deadly	2, 12/19
returned, and with much less	number	than he had, at Barnet	2, 66/2
audience (as always assembled great	number	to his preaching) he took	2, 66/26
distrusted the coming of such	number	unto him so suddenly, without	2, 77/18
the north country, to the	number	of six hundred horse, was	2, 88/17
Dartford, an house of close?	nuns	: Anne, that was after honourably	2, 3/12
again; he took ill rest	o'	nights, lay long waking and	2, 87/16
father beholden, to themselves by	oath	and allegiance bound, all the	2, 6/4
Lady (that was ever his	oath) I would never have won	2, 13/5
done, for saving of his	oath	. So was he brought forth	2, 49/16
in a willing and loving	obedience	; among themselves, the commons in	2, 4/29
establish for ever in due	obedience	unto this realm of England	2, 80/12
glad to live under his	obeisance	as the people of this	2, 78/23
child. Wherefore the King's mother	objected	openly against his marriage, as	2, 64/27
lowliness, that from the great	obloquy	in which he was so	2, 24/25
bring all the lords in	obloquy	and murmur of the people	2, 25/29
ceased the slanderous rumour and	obloquy	now going, and the hurts	2, 27/4
of the people and their	obloquy	, but also to the importable	2, 34/11
to their both dishonour and	obloquy	: since there is not always	2, 35/25
name she bore, professed and	observed	a religious life in Dartford	2, 3/11
which the other party faithfully	observed	. The Queen, being in this	2, 16/30
an old rite and custom	observed	as a token oftentimes notably	2, 50/31
reason of which words such	obstacle	was made in the matter	2, 64/30
if she be percase? so	obstinate	and so precisely set upon	2, 27/7
said, This is a marvellous	obstinate	silence, and therewith he turned	2, 76/1

if examples be sufficient to	obtain	privilege for my child, I	2, 39/8
his inheritance and could never	obtain	it in King Edward's time	2, 44/5
trusted by his death to	obtain	much of the rule that	2, 46/25
of France he had before	obtained	. And the year foregoing his	2, 5/5
foregoing his death he had	obtained	Berwick. And albeit that all	2, 5/6
all thing in good manner	obtained	. And if it happen that	2, 28/15
that had highly offended, she	obtained	pardon; of great forfeitures she	2, 56/18
his displeasure, without which pardon	obtained	they durst not be bold	2, 78/1
upon like pardon desired and	obtained	, he showed aloud unto the	2, 79/15
served God and by grace	obtained	as much truth and good	2, 84/2
put in hope, by the	occasion	of the tender age of	2, 9/22
the more beware, by what	occasion	we have taken so great	2, 13/8
eftsoons fall not in that	occasion	again. Now be those griefs	2, 13/9
with the mother, but that	occasion	may sometime be such that	2, 35/27
his own subject, no great	occasion	leading thereunto, no possessions or	2, 62/9
it] is oft the	occasion	of more trouble than profit	2, 64/4
it ever the will and	occasion	of much mischief, yet it	2, 71/10
whose time and by whose	occasion	, what about the getting of	2, 71/16
of such as were before	occasion	of the contrary, and of	2, 79/10
marked and known. Wherefore, this	occasion	offered, of very special friendship	2, 84/10
such place as, by the	occasion	of his death which only	2, 86/8
other gentlemen against him. The	occasion	whereupon the King and the	2, 87/24
change grew. And surely the	occasion	of their variance is of	2, 89/6
Protector would give the Duke	occasion	of displeasure or the Duke	2, 90/6
or the Duke the Protector	occasion	of mistrust. And utterly men	2, 90/7
him forward, taking always the	occasion	of his coming, and so	2, 91/26
concerning that opinion, with the	occasions	moving either party, we shall	2, 82/31
therewith to whomsoever so well	occupy	the room as I dare	2, 74/15
way left to redeem his	offence	by benefits, but he should	2, 43/18
there did openly pardon all	offences	committed against him. And to	2, 81/30
they would in no wise	offend	, Then the Protector, as he	2, 78/5
that the young King was	offended	with him for his kinsfolks'	2, 43/11
for many that had highly	offended	, she obtained pardon; of great	2, 56/18
and known. Wherefore, this occasion	offered	, of very special friendship he	2, 84/10
by nature their uncle, by	office	their protector, to their father	2, 6/3
thing, have appointed that butcherly	office	to some other than his	2, 8/21
him Captain of Calais (which	office	the Lord Rivers, brother to	2, 11/5
Chief Justice, that left his	office	rather than he would assent	2, 70/18
you well, is no child's	office	, and that the great wise	2, 74/16
so new come into that	office	that he never had spoken	2, 75/25
some others, kept still their	offices	that they had before. Now	2, 25/10
ancestry, the other by his	office	and the King's favour. These	2, 15/31
either fortune, sometimes in wealth,	oft	in adversity, at the last	2, 3/15
lands, [it] is	oft	the occasion of more trouble	2, 64/4
all. And verily I have	often	heard of sanctuary men, but	2, 33/8

life: which self thing is	often	seen a sign of change	2, 51/12
you, by the long and	often	alternate proof as well of	2, 91/18
there was never end and	oftentime	no need: or if any	2, 69/27
among the common people, which	oftentimes	more esteem and take for	2, 5/20
custom observed as a token	oftentimes	notably foregoing some great misfortune	2, 50/31
for evil will always, but	offer	for ambition, and either for	2, 8/10
never in so great surety.	Oh	good God, the blindness of	2, 52/13
Duke of Gloucester had of	old	foreminded this conclusion, or was	2, 9/21
the pretext of revenging of	old	displeasure, abuse the anger and	2, 10/4
new friend made of an	old	foe, or to think that	2, 15/22
having more regard to their	old	variance than their new atonement	2, 16/21
that God appointed in the	old	law. For if either necessity	2, 30/20
also divers of the Prince's	old	servants from him and set	2, 45/7
hath it been of an	old	rite and custom observed as	2, 50/30
of Buckingham, stood harnessed in	old	ill faring? briginders? such as	2, 52/28
house : for now is she	old	, lean, withered, and dried up	2, 55/30
examples taken out of the	Old	Testament and other ancient histories	2, 67/7
one that had been his	old	friend what the people talked	2, 68/30
was there anywhere, young or	old	, rich or poor, whom he	2, 72/7
bare the name of his	old	, devised as he rode to	2, 83/9
which among states? where he	once	entereth creepeth forth so far	2, 12/24
naught. And such evil opinion	once	fastened in men's hearts, hard	2, 26/22
from the craft after they	once	fall thereto, it is pity	2, 30/16
keeping. Let me kiss you	once	yet ere you go, for	2, 42/9
same; and since he had	once	begun, he would stoutly go	2, 43/31
never can there be thing	once	minded that should sound amiss	2, 45/19
when I met thee here	once	with an heavy heart? Yea	2, 52/2
this shameful sermon. After which	once	ended, the preacher got him	2, 68/26
an owl ; and when he	once	asked one that had been	2, 68/29
Duke stood if he fell	once	in suspicion of that tyrant	2, 90/5
to both his masters at	once	, with infinite benefit to the	2, 91/10
nor reck, so I were	once	hence because of this proclamation	2, 93/6
reigned two and twenty years,	one	month, and eight days, died	2, 3/3
people, for neither could any	one	man's pleasure stretch and extend	2, 4/23
into the city, that no	one	thing, in many days before	2, 5/18
in which king Edward died,	one	Mistlebrook long ere morning came	2, 9/8
haste to the house of	one	Pottier, dwelling in Red Cross	2, 9/9
anger and ignorance of the	one	party to the destruction of	2, 10/5
they looked therefore. For of	one	thing was he certain, that	2, 10/7
you to remember, that the	one	part of you is of	2, 12/12
party, and, in effect, every	one	as he was nearest of	2, 14/14
and attendance, of which every	one	owed him as faithful service	2, 14/25
hoverly ^o kindness, suddenly contracted in	one	hour, continued yet scant a	2, 15/23
and of great power, the	one	by long succession from his	2, 15/30
more need of comfort, as	one	to whom such adversity was	2, 20/7

Abbot's place. Now came there	one	in likewise not long after	2, 21/3
quoth she, for he is	one	of them that laboureth to	2, 22/4
either judged or appeased. But	one	thing he advised them beware	2, 23/15
and of much experience, and	one	of the best learned men	2, 25/7
that if he deposed the	one	brother, all the realm would	2, 25/14
in two places specially, the	one	at the elbow of the	2, 30/29
King intended to privilege any	one	place. For that privilege hath	2, 32/1
place wherein it is lawful	one	man to do another wrong	2, 32/3
sanctuary men indeed. For if	one	go to sanctuary with another	2, 32/22
jeopardy. And he that taketh	one	out of sanctuary to do	2, 33/18
that this errand was not	one	man's mind, or were it	2, 33/31
this matter to trust any	one	man alone, or else that	2, 33/32
in sanctuary, as though the	one	brother stood in danger and	2, 34/15
is not like: for the	one	was then in health, and	2, 35/33
in the other's body. Keep	one	safe and both be sure	2, 41/29
than to be both in	one	place. For what wise merchant	2, 41/31
adventureth all his goods in	one	ship? All this notwithstanding, here	2, 41/32
leave him here. But only	one	thing I beseech you, for	2, 42/5
devise about the Coronation in	one	place; as fast were they	2, 44/19
or were it that some	one	man haply somewhat perceiving, filled	2, 44/27
we, quoth he, talk of	one	matter in the one place	2, 45/16
of one matter in the	one	place, little wot we whereof	2, 45/16
never doubt you. For while	one	man is there which is	2, 45/18
him to be partner and	one	special contriver of all this	2, 46/27
departed thence. And soon, after	one	hour, between ten and eleven	2, 47/14
rap. At which token given,	one	cried Treason without the chamber	2, 48/28
needs cost fall in peril	one	way or other, yet had	2, 50/20
after, there met he with	one	Hastings, a pursuivant of his	2, 51/15
with Shore's wife, which was	one	also of his most secret	2, 53/26
that upon the proclaiming thereof	one	that was schoolmaster of Paul's	2, 54/10
was an honest man and	one	that could his good,? not	2, 55/18
should guess the beauty of	one	long before departed by her	2, 55/29
three divers properties diversely excelled :	one	the merriest, another the wiliest	2, 56/7
harlot in his realm, as	one	whom no man could get	2, 56/8
never. Of these two, the	one	had a sermon in praise	2, 58/27
the Sixth, was married unto	one	John? Gray, a squire, whom	2, 60/18
disdained not to marry with	one	of his own land. And	2, 63/13
get and keep well in	one	man's days. That she is	2, 64/6
help that he should marry	one	dame Elizabeth Lucy, whom the	2, 64/23
and when he once asked	one	that had been his old	2, 68/29
King's enemies, which was at	one	time and other more than	2, 71/6
hushed and mute and not	one	word answered thereunto. Wherewith the	2, 75/3
other should speak first, not	one	word was there answered of	2, 75/15
the people, which always after	one	? stood as they had been	2, 75/30
require you give us answer	one	or other, whether you be	2, 76/9

to hear, every man with	one	voice, no man saying nay	2, 76/27
than the crown of any	one	, of which he was never	2, 78/29
realms, England and France, the	one	from this day forward by	2, 80/9
that he purposeth to be	one	, and though he pay for	2, 80/28
percase a souter.? Yet if	one	should can? so little good	2, 81/2
he standeth in his majesty,	one	of his tormentors? might hap	2, 81/4
proof thereof, he commanded that	one	Fogg, whom he had long	2, 81/32
late days so covertly demeaned,	one	thing re tended and another	2, 82/26
kindly king. Whereupon he sent	one	John Green, whom he specially	2, 83/15
quoth his page, there lieth	one	on your pallet without, that	2, 83/28
keys of the Tower for	one	night, to the end he	2, 84/23
others removed from them, only	one	called Black Will or William	2, 85/5
whereof, he appointed Miles Forest,	one	of the four that kept	2, 85/12
time. To him he joined	one	John Dighton, his own horsekeeper	2, 85/14
his countenance and manner like	one	always ready to strike again	2, 87/15
most secret wise he could,	one	Persall, his trusty servant, who	2, 88/4
of those two bloods in	one	, whose several titles had long	2, 91/11
in as much honour as	one	man might well wish, ended	2, 91/16

and whereof I am myself	one	poor member, I was about	2, 93/20
of money (which is the	only	thing that withdraweth the hearts	2, 5/1

in politic worldly drifts; whereby,	perceiving	now this Duke glad to	2, 91/21

So that there was daily	pilled	, from good men and honest	2, 69/29

God send them both better	play	fellows than him that maketh	2, 38/14
could none be found to	play	with the King but if	2, 38/16
that hath no lust to	play	for sickness, come out of	2, 38/16
out of his safeguard to	play	with him. As though princes	2, 38/17
as they be could not	play	but with their peers, or	2, 38/18
peers, or children could not	play	but with their kindred, with	2, 38/19

that sometime step up and	play	with them, when they cannot	2, 81/9
with them, when they cannot	play	their parts, they disorder the	2, 81/10

that by evil means before	pleased	him best shall after fall	2, 12/2
from the King whom it	pleased	them, and set new servants	2, 19/31
praise, it might yet have	pleased	God for the better store	2, 93/22
meant it, but as it	pleaseth	the Prince to construe it	2, 93/1
and no less weighty than	pleasing	unto God and profitable to	2, 69/14
neither could any one man's	pleasure	stretch and extend to the	2, 4/23
with my more pain than	pleasure	proved, by God's blessed Lady	2, 13/4
whom though God did His	pleasure	, yet should the realm always	2, 13/13
thought to stand with his	pleasure	, there in his presence (as	2, 13/28
quoth he), saving the King's	pleasure	, was full unmeetly to be	2, 14/28
atonement, in which the King's	pleasure	had more place than the	2, 15/20
govern the King at their	pleasure	. And for the colourable proof	2, 24/3
brother, from him whose special	pleasure	and comfort were to have	2, 25/23
also in recreation and moderate	pleasure	, which he cannot, in this	2, 26/8
they said it for his	pleasure	, or as they thought, agreed	2, 32/28
great good to the realm,	pleasure	to the Council, and profit	2, 34/21
it might stand with your	pleasure	to be in such place	2, 35/21
thing as ready to your	pleasure	as that. And therewith, in	2, 47/9
passed, it gave him great	pleasure	to talk with him thereof	2, 51/30
and the realm at their	pleasure	, and thereby to pill and	2, 53/18

hope of gay apparel, ease,	pleasure	, and other wanton wealth, was	2, 55/15
the King therefore took special	pleasure	, for many he had, but	2, 56/13
possessions lose the fruit and	pleasure	of this that he had	2, 63/19
he had already. For small	pleasure	taketh a man of all	2, 63/20
down kings almost at his	pleasure	, and not impossible to have	2, 65/32
this realm for the Prince's	pleasure	: with no less honour to	2, 70/16
that he set his voluptuous	pleasure	before his honour, was full	2, 73/18
more labour and pain than	pleasure	to him that so would	2, 78/35
say, to do your Grace	pleasure	, the thing were right hard	2, 83/29
might there accomplish the King's	pleasure	in such thing as he	2, 84/24
body and soul both in	pledge	, not only for his surety	2, 40/14
that among you is most	plenty	of all such things as	2, 72/19
kinsmen and allies, in what	plight	I lie you see and	2, 11/12
which neither is in the	plight	to send out, and in	2, 37/24
dying day, and in such	plight	left it that it could	2, 66/6
my body. And therewith he	plucked	up his doublet sleeve to	2, 48/9
himself. But of all this	point	is there no certainty, and	2, 9/5
the Queen's party, in this	point	accorded together with the Duke	2, 16/1
estates so meetly in that	point	for any of them as	2, 34/30
mind, brought him to that	point	that, where he had repented	2, 43/29
they were thus at a	point	? between themselves, they went about	2, 44/8
them both: for in that	point	could be none other colour	2, 59/26
But nevertheless he would that	point	should be less and more	2, 59/28
though men spared in that	point	to speak all the truth	2, 59/31
his displeasure. But the other	point	, concerning the bastardy that they	2, 59/32
well, yet was at a	point	? in his own mind, took	2, 63/4
other that be in every	point	comparable with her. And therefore	2, 63/26
among you. And in that	point	, which in good faith I	2, 72/3
in his heart in this	point	to incline to their desire	2, 78/30
noble prince, and at all	points	fortunate, if either his own	2, 7/3
the Prince never tied his	points	, nor aught wrought of himself	2, 85/7

as valiant of hand as	politic	in counsel. Adjoined were there	2, 14/13
what Prince more piteous than	politic	hath granted it, and other	2, 31/21
wisdom, a deep insight in	politic	worldly drifts; whereby, perceiving now	2, 91/20
by his well deserved death	politically	repressed, all the realm should	2, 54/2
among so much pilling and	polling	, among so many taxes and	2, 69/26
devised to be beheaded at	Pomfiet	this self same day, in	2, 48/4
prison, and afterwards all to	Pomfret	, where they were in conclusion	2, 20/13
that day be beheaded at	Pomfret	: which he well wist, but	2, 52/8
without his assent, beheaded at	Pomfret	, the fore-remembered lords and knights	2, 57/18
and the great knightly prowess	pondered	, with manifold virtues which in	2, 74/4

things on every part well	pondered	, God never gave this world	2, 86/21
though it seem light, well	pondering	that their youth without recreation	2, 34/27
rich men run thither with	poor	men's goods, there they build	2, 31/9
about the fore-remembered marriage, this	poor	lady made humble suit unto	2, 60/27
young or old, rich or	poor	, whom he set his eye	2, 72/7

whereof I am myself one	poor	member, I was about to	2, 93/20

ago, I wot ne'er what	Pope	and what Prince more piteous	2, 31/20
For against unlawful harms, neither	Pope	nor King intended to privilege	2, 31/30

Whereupon they say that a	priest	of Sir Robert Brackenbury took	2, 86/6

birth and virtue. This noble	Prince	deceased at his palace of	2, 3/18
that there was never any	Prince	of this land attaining the	2, 3/23

evil bringing up of the	Prince	, whose mind in tender youth	2, 11/30
King was departed, the noble	Prince	his son drew towards London	2, 14/1
And for this encheason? the	Prince	was in the life of	2, 14/6

he planted next about the	Prince	. That drift by the Queen	2, 14/16
in overgreat authority with the	Prince	in youth, namely, which is	2, 15/2
in likewise as that noble	Prince	, your husband, delivered it unto	2, 22/9

it was thought unto the	Protector	and unto the whole Council	2, 34/8
marvel geatly that my Lord	Protector	is so desirous to have	2, 35/34
quoth the Queen, hath the	Protector	so tender zeal to him	2, 37/22
he had not! Troweth the	Protector	(I pray God he may	2, 38/8
God he may prove a	protector), troweth he that I perceive	2, 38/9
sore biting words against the	Protector	, and such as he neither	2, 40/10
could nothing perceive what the	Protector	intended ; truth, if they should	2, 40/21
of the remnant, and the	Protector	himself ready at hand, so	2, 40/26
the Star Chamber, where the	Protector	took him in his arms	2, 42/15
never came abroad. When the	Protector	had both the children in	2, 42/24
the first mover of the	Protector	to this matter, sending a	2, 42/32
the subtle wit of the	Protector	, deny that he ever opened	2, 43/2
such places imprisoned as the	Protector	might with a beck destroy	2, 43/20
was likely that as the	Protector	had provided privy guard for	2, 43/23
it was agreed that the	Protector	should have the Duke's aid	2, 44/1
Duke's daughter, and that the	Protector	should grant him the quiet	2, 44/3
requests of the Duke, the	Protector	of his own mind promised	2, 44/6
to that solemnity. But the	Protector	and the Duke, after that	2, 44/15
contrary, and to make the	Protector	King. To which council, albeit	2, 44/21

in company. And undoubtedly the	Protector	loved him well and loath	2, 46/12
the matter leaned, procured the	Protector	hastily; to rid him. And	2, 46/23
communing of this matter, the	Protector	came in among them, first	2, 47/2
a mess of strawberries. The	Protector	set the lords fast in	2, 47/10
blood unto the King and	Protector	of his royal person and	2, 47/23
at London. Then said the	Protector	: Ye shall all see in	2, 48/7
heinous punishment. What! quoth the	Protector	. Thou servest me, I ween	2, 48/24
might hold. And anon the	Protector	said to the Lord Hastings	2, 48/30
Yea, thee, Traitor, quoth the	Protector	. And another let fly at	2, 49/1
the Lord Chamberlain, whom the	Protector	bade speed and shrive him	2, 49/11
would not be suffered, the	Protector	made so much haste to	2, 49/15
shoulders. And forasmuch as the	Protector	gave the boar for his	2, 50/5

of truth sent by the	Protector	to haste him thitherward, with	2, 51/3
every man's ear. But the	Protector	immediately after dinner, intending to	2, 52/25
constrained them. And then the	Protector	showed them that the Lord	2, 52/31
to have slain the Lord	Protector	and the Duke of Buckingham	2, 53/16
anger, not for covetousness, the	Protector	sent into the house of	2, 54/14
when they considered that the	Protector	procured it more of a	2, 55/5
it so devised by the	Protector	and his Council that the	2, 57/14
Ratcliff, knight, whose service the	Protector	specially used in the counsel	2, 57/22
them and to hate the	Protector	and his part, caused them	2, 57/30
the way, then thought the	Protector	that while men mused what	2, 58/5
sermon in praise of the	Protector	before the Coronation, the other	2, 58/27
the Prince and accept the	Protector	for King. In which divers	2, 59/17
how slipper? a ground the	Protector	built his colour, by which	2, 66/11
you, it was by the	Protector	and his Council concluded that	2, 66/15
him father to the Lord	Protector	, and declared the title of	2, 67/9
begotten, was only the Lord	Protector	. For he declared then that	2, 67/13
far off. But the Lord	Protector	, he said, that very noble	2, 67/27
speaking of these words the	Protector	should have come in among	2, 68/1
overmuch diligence. For while the	Protector	found by the way tarrying	2, 68/8
into other matters ere the	Protector	came; whom when he beheld	2, 68/12
words were in speaking the	Protector	, accompanied with the Duke of	2, 68/21
Richard, Duke of Gloucester, now	Protector	of this realm, hath unto	2, 73/11

sent word unto the Lord	Protector	of the being there of	2, 77/14
unto his Grace. Whereupon the	Protector	made difficulty to come out	2, 77/16

he showed aloud unto the	Protector	this for a final conclusion	2, 79/16
These words much moved the	Protector	, which else, as every man	2, 79/25

Prince, as soon as the	Protector	left that name and took	2, 84/27
after, at Nottingham, whither the	Protector	from York with many gentlemen	2, 88/16
the Duke met with the	Protector	himself, with three hundred horse	2, 89/1
other things required of the	Protector	the Duke of Hereford's lands	2, 89/9

displeasure or the Duke the	Protector	occasion of mistrust. And utterly	2, 90/7

And as for the late	Protector	and now King . . . And even	2, 92/14
lord, as for the late	Protector	, since he is now King	2, 93/18
to put him in the	Protector's	hands, that hath his brother	2, 39/28
was privy to all the	Protector's	counsel, even from the beginning	2, 42/29
beginning; and some of the	Protector's	friends said that the Duke	2, 42/31

about the King without the	Protector's	appointment, which removed also divers	2, 45/6

they saw, they began to	quarrel	with him and say that	2, 18/19
his presence they picked a	quarrel	to the Lord Richard Gray	2, 19/7
this matter was but a	quarrel	. For well they wist that	2, 48/13

others with her, meaning the	Queen	, At these words many of	2, 47/30

and which is now in	question	whether my child may take	2, 39/11

musings much by whom this	question	should be meant, of which	2, 47/25
less so far come in	question	that some remain yet in	2, 82/20

he was with hasty rapping	quickly	let in, he showed unto	2, 9/11
ears. Then were they all	quickly	bestowed in divers chambers, except	2, 49/10
days this realm was in	quiet	and prosperous estate: no fear	2, 4/26
all is (God be thanked)	quiet	, and likely right well to	2, 13/10

Protector should grant him the	quiet	possession of the Earldom of	2, 44/4

of your own bodies, the	quiet	of your wives and your	2, 69/21

his mother's side, whose blood (quoth	he), saving the King's pleasure	2, 14/27
be left about him, is (quoth	he) neither honourable to his	2, 14/30

No man denieth, good madam,	quoth	the Cardinal, but that your	2, 35/18

heavy heart? Yea my lord,	quoth	he, that remember I well	2, 52/3
thereby. Thou wouldst say so,	quoth	he, if thou knewest as	2, 52/5
own head. In faith, man,	quoth	he, I was never so	2, 52/9
others that were more meetly (quoth	she) for your estate, and	2, 62/19

Duke, his father. This is,	quoth	he, the father's own figure	2, 67/30

as any part of his	realm	, not only for that the	2, 72/23

Gloucester, now Protector of this	realm	, hath unto the crown and	2, 73/11
the noble blood of this	realm	. Whereby it may well seem	2, 73/21

in the night's rest by	reason	of his day thoughts? Tell	2, 50/12
them. No more is it	reason	that it mislike any man	2, 63/27

will better believe it. And	reason	is that it so be	2, 73/2
the motion was good and	reasonable	, and to the King and	2, 27/20

where Persall, after his master's	recommendation	, showed him that he had	2, 88/11
spoken unto but by the	Recorder	, which is the mouth of	2, 75/21

rehearsed them himself. But the	Recorder	so tempered his tale that	2, 75/28

which answer John Green, returning,	recounted	the same to King Richard	2, 83/22
off from the law and	recourse	to justice, was begun to	2, 14/4
a little amended than well	recovered	, that I dare put no	2, 35/7
enfeebled that he despaired all	recovery	, then he, considering the youth	2, 10/15

pondering that their youth without	recreation	and play cannot endure, nor	2, 34/28

was no way left to	redeem	his offence by benefits, but	2, 43/18
April, the year of our	redemption	a thousand four hundred four	2, 3/4

authority of his presence should	refrain	evil disposed persons from the	2, 14/8

without a special grace, hardly	refraineth	. This fault not greatly grieved	2, 4/22
well there be some places	refuge	for both. But as for	2, 30/13
his goodness he will not	refuse	, for the King's sake and	2, 26/32

right hard that he would	refuse	, meaning this by Sir James	2, 83/29
with the usurpation of the	regal	dignity upon himself. And forasmuch	2, 9/26
will, if ye anything earthly	regard	either God or your King	2, 13/22
for their destruction, having more	regard	to their old variance than	2, 16/20
our dishonour, and as much	regard	took to his wealth as	2, 28/30
methinketh, without sin somewhat less	regard	than they do. Now, then	2, 29/23

perceived, when he said, Vae	regno	cujus rex puer est, Woe	2, 74/17
commanded by the Mayor, made	rehearsal	to the commons of that	2, 75/27
need not, I suppose, to	rehearse	of these any more by	2, 70/28
wot well, need that I	rehearse	you again that ye have	2, 72/33
this present matter, I shall	rehearse	you the dolorous end of	2, 83/4
to pass the things before	rehearsed	. But when he had imprisoned	2, 43/4

and by, somewhat louder, he	rehearsed	them the same matter again	2, 75/9
that the Duke had twice	rehearsed	them himself. But the Recorder	2, 75/28
than twenty years of his	reign	, a great part of a	2, 4/6
all the time of his	reign	he was with his people	2, 5/7
among yourselves in a child's	reign	fall at debate, many a	2, 13/15

line should not any longer	reign	upon them, both for that	2, 79/17
When he had begun his	reign	the day of June, after	2, 82/8
all the time of his	reign	never ceased there cruel death	2, 82/14

Which thing the common people	rejoiced	at and praised, but wise	2, 82/2

bore, professed and observed a	religious	life in Dartford, an house	2, 3/11
men since, of a certain	religious	fear, have not broken it	2, 31/22
and there no longer should	remain	than till the matter were	2, 23/12
come in question that some	remain	yet in doubt whether they	2, 82/20
and his issue male in	remainder	, immediately after the death of	2, 6/20
and Buckingham came thither. Where	remained	behind the Lord Rivers, the	2, 17/12

shall I desire you to	remember	, that the one part of	2, 12/12
well forget as we well	remember	. Which things if I could	2, 13/2
belief and soon persuaded. Ye	remember	, I trow, King Edward himself	2, 15/4
they escaped (for they would	remember	their imprisonment); or else, if	2, 43/14
my lord, quoth he, that	remember	I well and, thanked be	2, 52/3
man looketh that we should	remember	you of examples by name	2, 70/12
which honourable preacher, ye well	remember	, substantially declared unto you, at	2, 73/9
said, Ah, Hastings, art thou	remembered	when I met thee here	2, 52/2
the more worthy to be	remembered	, in how much she is	2, 56/29
albeit they be much less	remembered	because they were not so	2, 57/4

these causes, I say, before	remembered	, that is to wit, for	2, 73/29
unto him in manner before	remembered	. And therewith the lords came	2, 77/1

of the noble Duke, whose	remembrance	can never die while he	2, 68/20

to be as who say	removed	from the King, and the	2, 14/29

Protector lay. To which place	repaired	also, according to their appointment	2, 77/11
perceived but if we first	repeat	you some things long before	2, 60/1
of all frame, began to	repeat	those words again: This is	2, 68/14
done, piteously bewailed and sorrowfully	repented	. Richard, the third son, of	2, 7/15

devised that himself should the	same	day be beheaded at London	2, 48/6
ride so far yet the	same	night that they should be	2, 50/9
riding towards the Tower, the	same	morning in which he was	2, 50/27
but an enemiuous? scorn. The	same	morning ere he were up	2, 51/1
like manner together in the	same	place. At which other time	2, 51/18
met this pursuivant in the	same	place, that jeopardy so well	2, 51/29
before talked thereof in the	same	place while he was therein	2, 52/1
and the Duke there the	same	day in the Council. And	2, 53/2
ten of the clock that	same	forenoon : which sudden fear drove	2, 53/4
purpose, had before conspired the	same	day to have slain the	2, 53/16
for he was at the	same	field slain. After which done	2, 60/23
of this wedding till these	same	were clearly purged and the	2, 64/32
crown and kingdom of the	same	. For, as the worshipful man	2, 73/12
right and title of the	same	is by the just course	2, 73/33
the abusions? before in the	same	used any longer to continue	2, 74/7
wealth and increase of the	same	, according to his very right	2, 74/11
louder, he rehearsed them the	same	matter again in other order	2, 75/9
distress and decay of the	same	and to set his gracious	2, 78/14
to give and bear the	same	to the Prince, under whom	2, 79/5
request, and according to the	same	, here we take upon us	2, 80/7
crowned the day of the	same	month. And that solemnity was	2, 82/10
and credence also that the	same	Sir Robert should in any	2, 83/18
John Green, returning, recounted the	same	to King Richard at Warwick	2, 83/22
displeasure and thought that the	same	night he said unto a	2, 83/24
there need we not the	sanctuaries	that God appointed in the	2, 30/19
pound and cause of all	sanctuaries	. From which necessity this noble	2, 32/8
she then lay, into the	Sanctuary	, lodging herself and her company	2, 21/1
conveyance of her stuff into	Sanctuary	, chests, coffers, packs, fardels, trusses	2, 21/21
no man should go to	Sanctuary	, nor none could pass unsearched	2, 22/15
if he either remained in	sanctuary	or should haply be shortly	2, 25/16

that she should keep in	sanctuary	the King's brother, from him	2, 25/22
should be fain to keep	sanctuary	. For every man will ween	2, 26/20
and liberty of that sacred	Sanctuary	, that hath been the safeguard	2, 28/11
so great a mischief, the	Sanctuary	would little let them. Which	2, 29/22
yet will I break no	sanctuary	therefore. For verily since the	2, 30/2
thereto, it is pity the	Sanctuary	should serve them. And much	2, 30/16
look me now how few	sanctuary	men there be whom any	2, 30/24
is, nor can be, a	sanctuary	man. A sanctuary serveth always	2, 31/27
be, a sanctuary man. A	sanctuary	serveth always to defend the	2, 31/28
every man every place a	sanctuary	. But where a man is	2, 32/6
tender youth proveth. And so	sanctuary	, as for him, neither none	2, 32/11
have. Men come not to	sanctuary	as they come to baptism	2, 32/12
with them that be there	sanctuary	men indeed. For if one	2, 32/21
For if one go to	sanctuary	with another man's goods, why	2, 32/22
his goods even within the	sanctuary	? For neither King nor Pope	2, 32/24
Church, the goods of a	sanctuary	man should be delivered in	2, 32/29
a man's wife will take	sanctuary	because she list to run	2, 32/33
may be taken out of	sanctuary	that saith he will bide	2, 33/3
if a child will take	sanctuary	because he feareth to go	2, 33/4
I have often heard of	sanctuary	men, but I never heard	2, 33/9
I never heard erst? of	sanctuary	children. And therefore, as for	2, 33/9
But he can be no	sanctuary	man that neither hath wisdom	2, 33/12
that taketh one out of	sanctuary	to do him good, I	2, 33/18
plainly that he breaketh no	sanctuary	. When the Duke had done	2, 33/19
Star Chamber, departed into the	Sanctuary	to the Queen, with divers	2, 33/28
also, to suffer him in	sanctuary	, as though the one brother	2, 34/14
both, than here as a	sanctuary	man, to their both dishonour	2, 35/25
not sure in this, the	Sanctuary	, whereof was there never tyrant	2, 37/30
my son can deserve no	sanctuary	, and therefore he cannot have	2, 38/2
for sickness, come out of	sanctuary	out of his safeguard to	2, 38/17
taketh out him, breaketh the	sanctuary	. Serveth this liberty for my	2, 38/26
ward from me out of	sanctuary	without the breach of the	2, 39/1
without the breach of the	sanctuary	. And if my privilege could	2, 39/1
time that I have taken	sanctuary	, for when my lord, my	2, 39/15
child, God's law privilegeth the	Sanctuary	, and the Sanctuary my son	2, 39/27
privilegeth the Sanctuary, and the	Sanctuary	my son since I fear	2, 39/27
be that breaketh this holy	sanctuary	, I pray God shortly send	2, 40/3
shortly send him need of	sanctuary	when he may not come	2, 40/4
it. For taken out of	sanctuary	, would I not my mortal	2, 40/6
have him fetched out of	sanctuary	, which she thought to be	2, 41/1
new wife in Westminster in	Sanctuary	, where she was delivered of	2, 65/24
being brought out of the	Sanctuary	by (for thither had he	2, 81/34
wrong way. The Queen herself	sat	alone, alow on the rushes	2, 21/26
in the Tower, and there	sat	in Council, devising he honourable	2, 46/31
on his lips, and so	sat	him down in his place	2, 47/17

this question all the lords	sat	sore astonished, musing much by	2, 47/24
people were therewith very well	satisfied	, and said it were alms	2, 24/15
leaving his body at liberty,	satisfy	the part of his goods	2, 32/23
or otherwise. Howbeit, somewhat to	satisfy	her, he said that albeit	2, 63/5
defend a thief may not	save	an innocent. But he is	2, 38/4
he and all others also,	save	herself, lacked either wit or	2, 40/19
should sooner destroy himself than	save	the King, who with his	2, 43/19
were out of all array	save	her kirtle only, yet went	2, 54/31
side, whose blood (quoth he),	saving	the King's pleasure, was full	2, 14/27
the whole Council at London,	saving	that somewhat they must say	2, 19/17
was to have lost him,	saving	for fear lest his life	2, 46/13
doted in the King's life,	saving	, as it is said, he	2, 48/21
till this were done, for	saving	of his oath. So was	2, 49/16
up, and very well married,	saving	somewhat too soon, her husband	2, 55/9
am sorry to speak of,	saving	that it is in vain	2, 72/4
Queen, their mother, whose blood,	saving	that he set his voluptuous	2, 73/18
other parts might have sufficed,	saving	that we such love bear	2, 76/5
the last that ever he	saw	, his Highness, being at Windsor	2, 5/13
his own fault, whereof he	saw	no such cause in himself	2, 18/16
Whom, as soon as they	saw	, they began to quarrel with	2, 18/19
lords, neither, whom she there	saw	, which as she feared lest	2, 41/8
brother and his kinsfolks he	saw	in such places imprisoned as	2, 43/19
many ill signs that he	saw	which he now construes all	2, 46/4
to do. When the Mayor	saw	this he with other partners	2, 75/18
the Duke and the Mayor	saw	this manner, they wisely turned	2, 76/26
inclined thereunto. But when he	saw	there was none other way	2, 79/27
of some that said they	saw	it, that the Duke, at	2, 90/11
great pace. The fox, that	saw	him run so fast, asked	2, 93/4
the Tower, as men constantly	say	, and that without commandment or	2, 8/16
think hard it is to	say	, whether he, being toward ^o him	2, 9/14
now to be as who	say	removed from the King, and	2, 14/29
kindred in the wight? and	say	that they had unwisely, and	2, 16/27
to quarrel with him and	say	that he intended to set	2, 18/20
saving that somewhat they must	say	. Unto which words, the King	2, 19/17
Marquis hath done, I cannot	say	; but in good faith, I	2, 19/19
alone), all the world would	say	that we were a wise	2, 29/30
them. Yet will I not	say	nay, but that it is	2, 30/7
have both. And this, I	say	, although: they were not abused	2, 31/2
with their husbands' plate, and	say	they dare not abide with	2, 31/12
if need were, I dare	say	would now be right angry	2, 32/18
the Duke, I think you	say	very truth. And what if	2, 32/32
to do him good, I	say	plainly that he breaketh no	2, 33/18
lord, quoth the Queen, I	say	not nay but that it	2, 34/31
that there is, as physicians	say	, and as we also find	2, 35/9

to go out, if I	say	he shall not, if I	2, 38/24
privilege but for myself, I	say	he that against my will	2, 38/25
I would, whatsoever any man	say	. And I doubt not also	2, 41/21
him, as though he would	say	, ' ye shall have soon	2, 51/10
none harm thereby. Thou wouldst	say	so, quoth he, if thou	2, 52/5
wished her somewhat higher. Thus	say	they that knew her in	2, 55/26
without disport. The King would	say	that he had three concubines	2, 56/5
he loved, whose favour, to	say	the truth (for sin it	2, 56/14
durst somewhat the more boldly	say	her mind, as to him	2, 61/21
it booted not greatly to	say	nay. Notwithstanding, the Duchess of	2, 61/33
but there be, as ye	say	, other that be in every	2, 63/26
she was solemnly sworn to	say	the truth, she confessed that	2, 65/2
sufficed to have somewhat to	say	, while they were sure to	2, 66/13
radices altas,? that is to	say	, bastard slips shall never take	2, 66/28
better wotteth what he should	say	, and thereto so good and	2, 73/6
virtuous that he would not	say	the thing which he wist	2, 73/6
he wist he should not	say	, in the pulpit namely?, into	2, 73/7
wherein every man forbearth to	say	that he knoweth in avoiding	2, 73/26
mother: for these causes, I	say	, before remembered, that is to	2, 73/29
the room as I dare	say	he will if he take	2, 74/15
no, and he must twice	say	nay, and at the third	2, 80/30
without, that I dare well	say	, to do your Grace pleasure	2, 83/28
great thanks and, as some	say	, there made him knight.? But	2, 86/2
of a King! Whereupon they	say	that a priest of Sir	2, 86/6
reported. Some have I heard	say	that the Duke, a little	2, 89/8
despite of him. And they	say	that ever after continually each	2, 89/23
head another way. But men	say	that he was of truth	2, 90/13
twain to be bold to	say	whatsoever he thought, whereof he	2, 92/19
that I was about to	say	, taken as well as afore	2, 93/14
other brother by his mother,	saying	that he, with the Lord	2, 19/9
been from them so long,	saying	merrily that he had been	2, 47/4
with one voice, no man	saying	nay. Wherefore, friends, quoth the	2, 76/28
in so vile a corner,	saying	that he would have them	2, 86/4
And even there he left,	saying	that he had already meddled	2, 92/15
of the prison to the	scaffold	and showing to the people	2, 57/27
the more part played upon	scaffolds	. In which poor men be	2, 81/7
long before departed by her	scalp	? taken out of the charnel	2, 55/29
in one hour, continued yet	scant	a fortnight, should be deeper	2, 15/23
death and the proclaiming could	scant	have sufficed unto the bare	2, 54/7
blood of this realm that	scarcely	the half remaineth, to the	2, 71/21
all the other aldermen in	scarlet	, with five hundred horse of	2, 24/18
he feareth to go to	school	, his master must let him	2, 33/5
proclaiming thereof one that was	schoolmaster	of Paul's, of chance standing	2, 54/10
a thousand four hundred four	score	and three, leaving much fair	2, 3/5
no warning, but an enemious?	scorn	. The same morning ere he	2, 50/32

been but in paper and	scribbled	forth in haste at adventure	2, 54/9
I would think, without any	scruple	of conscience, without any breach	2, 32/20
their learning and had no	scrupulous	conscience. Among these had they	2, 58/21
and sent men to the	sea	. All which things these Dukes	2, 19/15
that such men as the	sea	or their evil debtors have	2, 30/8
nature misgiveth them, as the	sea	without wind swelleth of himself	2, 44/26
weaponed, he took the Great	Seal	with him, and came, yet	2, 21/18
And here is the Great	Seal	, which in likewise as that	2, 22/9
he betook her the Great	Seal	, and departed home again, yet	2, 22/12
had yielded up the Great	Seal	to the Queen, to whom	2, 22/30
King, secretly sent for the	Seal	again, and brought it with	2, 22/32
had delivered up the Great	Seal	to the Queen, was thereof	2, 25/3
thereof greatly reproved, and the	Seal	taken from him and delivered	2, 25/3
of them in the mean	season	grown into his favour, of	2, 4/7
it that in the mean	season	there came to make a	2, 60/12
from knowledge, inherited for the	season	other men's lands, yet God	2, 67/1
so many battles in the	season	, nor so cruel and so	2, 71/14
good, to show out of	season	what acquaintance he hath with	2, 81/3
hatred. He was close and	secret	, a deep dissimulator, lowly of	2, 8/7
mouth, some by writing and	secret	messengers, that it neither was	2, 14/21
to hide himself for some	secret	fear of his own fault	2, 18/16
of that company had haply	secret	instruction incontinent, maugre? his mind	2, 34/2
very few, and they very	secret	, yet began there, here and	2, 44/22
things, men's hearts of a	secret	instinct of nature misgiveth them	2, 44/25
which was of his near	secret	counsel, and whom he very	2, 45/22
Lord Stanley sent a trusty	secret	messenger unto him at midnight	2, 49/30
with whom he was of	secret	confederacy in that purpose, a	2, 51/3
to of his enemy, and	secret	to his friend; easy to	2, 52/20
one also of his most	secret	counsel of this heinous treason	2, 53/26
man that had been long	secret	with him, having experience of	2, 57/24
Clarence, among those that were	secret	in the household, were reckoned	2, 67/24
night he said unto a	secret	page of his: Ah, whom	2, 83/24
no peer, kept him by	secret	drifts out of all secret	2, 84/9
secret drifts out of all	secret	trust. Which thing this page	2, 84/9
report, of such as were	secret	with his chamberers, that after	2, 87/10
sent thither in the most	secret	wise he could, one Persall	2, 88/4
Ward, a chamberer of like	secret	trust with the Duke of	2, 88/6
brought unto him in his	secret	chamber, where Persall, after his	2, 88/10
back with thanks and some	secret	instruction of the Protector's mind	2, 88/14
way to Londonward; and after	secret	meeting and communication had, eftsoon	2, 88/19
departed. But surely some right	secret	at these days deny this	2, 90/2
him from thenceforth both in	secret	trust and very special favour	2, 91/4
succeeded him. Howbeit, if the	secret	judgment of God have otherwise	2, 92/12
intended to use his faithful	secret	advice and counsel, which he	2, 92/22
for that she thought him	secretly	familiar with the King in	2, 11/3

name of a rebellion, he	secretly	therefore, by divers means, caused	2, 16/11
Lord Rivers lodged, the Dukes	secretly	with a few of their	2, 17/21
especial commandment of the King,	secretly	sent for the Seal again	2, 22/32
some were by their friends	secretly	warned that it might haply	2, 45/4

grace that God giveth and	secretly	infoundeth? in right generation after	2, 66/29
began to whisper among themselves	secretly	, that the voice was neither	2, 76/14
Sir James, broke to him	secretly	his mind in this mischievous	2, 84/19
up the bodies again and	secretly	interred them in such place	2, 86/7
showed him that he had	secretly	sent him to show him	2, 88/11
what plight I lie you	see	and I feel. By which	2, 11/12
set you at peace. Ye	see	their youth, of which I	2, 11/18
might in his chamber window	see	all the Thames full of	2, 22/13
to go thither. And then	see	on the other side what	2, 30/25
where I am till I	see	further. For I assure you	2, 37/9
assure you, for that I	see	some men so greedy without	2, 37/10
and the more circumspectly to	see	to his surety, if she	2, 41/11
the Protector: Ye shall all	see	in what wise that sorceress	2, 48/7
not to dinner till I	see	thy head off. It booted	2, 49/13
I liefer that men should	see	it were by other men's	2, 50/20
living and glad were to	see	sin corrected, yet pitied they	2, 55/4
youth, albeit some that now	see	her (for yet she liveth	2, 55/27
only by that they now	see	her. But meseemeth the chance	2, 56/28
as it seemeth, either you	see	not or weigh not. Wherefore	2, 76/8
others, that they might thereby	see	how little the Protector looked	2, 77/21
over them, where they might	see	him and speak to him	2, 77/28
set to serve them and	see	them sure. After which time	2, 85/7
and fetched Sir James to	see	them. Which, upon the sight	2, 85/27
these words nothing appeased, and	seeing	the King so set thereon	2, 64/20
I need not far to	seek	. For in this place in	2, 39/9
hear, then must they needs	seek	and should not fail to	2, 79/24
after as great suit and	seeking	to with all those that	2, 57/1
would not, lest he should	seem	to hide himself for some	2, 18/15
esteemed no slight, though it	seem	light, well pondering that their	2, 34/27

both, so that he should	seem	disabled to inherit the crown	2, 59/20
realm. Whereby it may well	seem	that marriage not well made	2, 73/21

great study, and forasmuch her	seemed	the Cardinal more ready to	2, 40/25
temporal advantage, yet nevertheless him	seemed	that this marriage, even worldly	2, 63/9
Coronation they departed, as it	seemed	, very great friends at Gloucester	2, 89/3
his bonds that he rather	seemed	him to follow him than	2, 92/2
For all which considerations none	seemeth	me more meetly than our	2, 26/29
been well visaged. Whose judgment	seemeth	me somewhat like as though	2, 55/28
and honour, which, as it	seemeth	, either you see not or	2, 76/8

so well as we have	seen	it. And thereupon, by and	2, 21/15
which self thing is often	seen	a sign of change. But	2, 51/12
credible information learned, that the	self	night in which king Edward	2, 9/8
together the worse for the	self	? cause that you ought to	2, 12/18
knew. Howbeit, somewhat the dealing	self	made men to muse on	2, 44/29
be beheaded at Pomfret this	self	same day, in which he	2, 48/4
could not avoid. For the	self	night next before his death	2, 49/30
hope in his life: which	self	thing is often seen a	2, 51/12
was content with the deed	self	well done, or for that	2, 56/22
and his Council that the	self	day? in which the Lord	2, 57/15
of London, and about the	selfsame	hour, was there, not without	2, 57/17
the most part with the	selfsame	provision that was appointed for	2, 82/11
with none other voice or	semblance	, than to his Coronation, causing	2, 23/30
to the Prince, with all	semblance	of lowliness, that from the	2, 24/24
of Buckingham made very good	semblance	unto the Lord Hastings, and	2, 46/10
all sad, some with glad	semblance	that were not very merry	2, 77/3
to wisdom: which if God	send	, then they that by evil	2, 12/1
cousins, my children, if God	send	them life and you love	2, 13/11
of their folk that should	send	back again and compel to	2, 18/2
it were not worst to	send	unto the Queen for the	2, 26/25
likely enough that she shall	send	him somewhere out of the	2, 29/26
that would help, as God	send	grace it hurt not? And	2, 37/6
your Grace should hap to	send	him away. Ah, Sir, quoth	2, 37/20
Thinketh he that I would	send	him hence which neither is	2, 37/23
is in the plight to	send	out, and in what place	2, 37/24
ye sure! I pray God	send	them both better play fellows	2, 38/13
sanctuary, I pray God shortly	send	him need of sanctuary when	2, 40/3
my own sweet son, God	send	you good keeping. Let me	2, 42/9
am of own hand. God	send	grace, Sir, quoth the messenger	2, 50/24
Sir, quoth he, my Lord	sendeth	your Lordship word that there	2, 21/12
this young Prince, at his	sending	thither, was there appointed Sir	2, 14/10
the Protector to this matter,	sending	a privy messenger unto him	2, 42/32
being at Windsor in hunting,	sent	for the Mayor and aldermen	2, 5/14
and so familiar cheer, and	sent	venison from thence so freely	2, 5/17
the life of his father	sent	thither, to the end that	2, 14/7
this wise persuaded, such word	sent	unto her son, and unto	2, 17/1
dawning of the day, they	sent	about privily to their servants	2, 17/23
out the King's treasure, and	sent	men to the sea. All	2, 19/15
further counsel. And there they	sent	away from the King whom	2, 19/30
dinner the Duke of Gloucester	sent	a dish from his own	2, 20/3
the Duke of Gloucester, he	sent	the Lord Rivers and the	2, 20/10
her other friends arrested, and	sent	no man wist whither, to	2, 20/21
of fear by the message	sent	him from the Lord Chamberlain	2, 22/3
commandment of the King, secretly	sent	for the Seal again, and	2, 22/32
that the Council therefore had	sent	him unto her, to require	2, 34/16

other where, the lords being	sent	for from all parts of	2, 44/14
in all the haste, he	sent	his servant for a mess	2, 47/9
his death, the Lord Stanley	sent	a trusty secret messenger unto	2, 49/30
the Council, but of truth	sent	by the Protector to haste	2, 51/2
some colour upon the matter,	sent	in all the haste for	2, 52/26
of the people's mind, he	sent	immediately after dinner in all	2, 53/11
not for covetousness, the Protector	sent	into the house of Shore's	2, 54/14
or three thousand marks, and	sent	her body to prison. And	2, 54/17
clean and faultless of himself,	sent	out of heaven into this	2, 54/25
and for the realm, he	sent	over in embassy the Earl	2, 60/5
Whereupon dame Elizabeth Lucy was	sent	for and, albeit that she	2, 64/33
gentlemen. And thereupon the Duke	sent	word unto the Lord Protector	2, 77/14
looked for this matter, they	sent	unto him by the messenger	2, 77/22
a kindly king. Whereupon he	sent	one John Green, whom he	2, 83/14
Wherefore, on the morrow, he	sent	him to Brackenbury with a	2, 84/21
funeral service for King Edward,	sent	thither in the most secret	2, 88/4
him that he had secretly	sent	him to show him that	2, 88/11

that some one man haply	somewhat	perceiving, filled many men with	2, 44/28
men what he knew. Howbeit,	somewhat	the dealing self made men	2, 44/29
loved better; albeit his heart	somewhat	grudged that he was not	2, 47/33
Shore's wife, on whom he	somewhat	doted in the King's life	2, 48/20
with his Prince, of living	somewhat	dissolute, plain and open to	2, 52/19
and very well married, saving	somewhat	too soon, her husband an	2, 55/9

greatly increased that she durst	somewhat	the more boldly say her	2, 61/21

this business about this marriage	somewhat	the more at length because	2, 66/9

that she shall send him	somewhere	out of the realm? Verily	2, 29/26
sorrowfully repented. Richard, the third	son	, of whom we now entreat	2, 7/16
Lord Marquis Dorset, the Queen's	son	by her first husband, and	2, 10/27
departed, the noble Prince his	son	drew towards London, which at	2, 14/1

such word sent unto her	son	, and unto her brother being	2, 17/2
wise, that the King, her	son	, was taken, her brother, her	2, 20/19

use and behoof of your	son	. And therewith he betook her	2, 22/11
to fear, either for her	son	or for herself. For as	2, 28/22
such time as your dearest	son	, then Prince and now King	2, 35/29

that the Protector's only lawful	son	should marry the Duke's daughter	2, 44/2
to the very lawfully begotten	son	of the fore-remembered noble Duke	2, 74/2

I pray God that my	son's	palace may be as great	2, 39/22
at Wakefield slain, leaving three	sons	, Edward, George, and Richard. All	2, 6/25

for both companies. And as	soon	as they came in his	2, 18/30

little while, departed thence. And	soon	, after one hour, between ten	2, 47/14

his head was off so	soon	after, there met he with	2, 51/15
well married, saving somewhat too	soon	, her husband an honest citizen	2, 55/9

their affinity, have by their	sorcery	and witchcraft wasted my body	2, 48/8
perceived his natural strength so	sore	enfeebled that he despaired all	2, 10/15
Her kindred also bore him	sore	, as well for that the	2, 11/4
the matter was nothing so	sore	as she took it for	2, 22/1
so that the Protector so	sore	thirsted for the finishing of	2, 25/11
not but she now as	sore	mindeth? it as we the	2, 29/28

call it a thing so	sore	against my child's honour and	2, 36/19
kindle and chafe and speak	sore	biting words against the Protector	2, 40/10
the lords much dismayed and	sore	marveling of this manner of	2, 47/18
question all the lords sat	sore	astonished, musing much by whom	2, 47/24
And thereupon every man's mind	sore	misgave them, well perceiving that	2, 48/12
King's days, albeit he was	sore	enamoured upon her, yet he	2, 55/22
York, his mother, was so	sore	moved therewith that she dissuaded	2, 62/1

At which word the Prince,	sore	abashed, began to sigh and	2, 85/1
lay long waking and musing,	sore	wearied with care and watch	2, 87/17
farther. Then longed the Duke	sore	to hear what he would	2, 92/17
of themselves, which whether they	sorer	thirsted after their own weal	2, 15/8
following, and that in the	sorest	wise, that the King, her	2, 20/19

not able to dissemble their	sorrow	, were fain at his back	2, 77/4
outward, much fear, anguish and	sorrow	within. For I have heard	2, 87/9
was done, piteously bewailed and	sorrowfully	repented. Richard, the third son	2, 7/15
that they would be as	sorry	of his harm as herself	2, 29/4
he, I was never so	sorry	, nor never stood in so	2, 52/9
in good faith I am	sorry	to speak of, saving that	2, 72/4

we shall for his honour	spare	to speak of; howbeit, this	2, 71/30
where his advantage grew, he	spared	no man's death whose life	2, 8/12
aslope craftily, as though men	spared	in that point to speak	2, 59/31
mistrusted his own brother? Whom	spared	he that killed his own	2, 71/27

that ever I look to	speak	with you, I exhort you	2, 13/18
to kindle and chafe and	speak	sore biting words against the	2, 40/10

before devised that in the	speaking	of these words the Protector	2, 67/33
While these words were in	speaking	the Protector, accompanied with the	2, 68/21

Then, when he had sat	still	awhile, thus he began: What	2, 47/20
that this people be so	still	? Sir, quoth the Mayor, percase	2, 75/7

crying King Richard! that they	stood	as they had been turned	2, 68/25

with the tedious impression and	stormy	remembrance of his abominable deed	2, 87/20
had once begun, he would	stoutly	go through. And therefore to	2, 43/31

to whom such adversity was	strange	. But himself had been all	2, 20/8
inheritance by new affinity in	strange	lands, [it] is	2, 64/3
on both parts made so	strange	, as though neither had ever	2, 80/21
which he found him nothing	strange	. Wherefore, on the morrow, he	2, 84/21
the proposition, he looked very	strangely	thereat, and answered that, all	2, 78/25
play cannot endure, nor any	stranger	for the convenience of their	2, 34/28

in the highway towards Stony	Stratford	, where the King lay, they	2, 18/1

the King's Grace from Stony	Stratford	quoth	2, 21/11
King at Northampton and Stony	Stratford	; which thing was done in	2, 57/20
lord, you have very good	strawberries	at your garden in Holborn	2, 47/6
servant for a mess of	strawberries	. The Protector set the lords	2, 47/10
Pottier, dwelling in Red Cross	Street	without Cripplegate ; and when he	2, 9/10
to Crosbie's Place in Bishopsgate	Street	, where the Protector kept his	2, 44/32
he met in the Tower	Street	, broke his tale and said	2, 51/7
when he perceived his natural	strength	so sore enfeebled that he	2, 10/15
you be wise. Power and	strength	to keep him if ye	2, 42/2
his purpose, he thought his	strength	more than half increased. The	2, 43/8
his realm, whereupon depended great	strength	to his estate by the	2, 62/4
courageous warrior, and of such	strength	, what for his lands, his	2, 65/30
good will as he had	strength	and wit. The man had	2, 84/3
him, out of their own	strengths	, while no man wist what	2, 58/6
could any one man's pleasure	stretch	and extend to the displeasure	2, 4/23

power she wist well far	stretched	. And thus should all the	2, 16/23
log of timber and there	stricken	off, and afterwards his body	2, 49/22
brought in frame again. Which	strife	, if it should hap, as	2, 23/22
like one always ready to	strike	again; he took ill rest	2, 87/16
harp no more upon that	string	; and then said he to	2, 36/33
would with a dead man	strive	against the quick. So was	2, 92/10
Stanley, which shrunk at the	stroke	and fell under the table	2, 49/3
visage lovely, of body mighty,	strong	and clean made: howbeit in	2, 4/17
the King to come up	strong	. For whereas now every lord	2, 16/13
And I trust God as	strong	now to withstand His adversaries	2, 38/1
horsekeeper, a big, broad, square,	strong	knave. Then, all the others	2, 85/15
him much shame, it so	struck	him to the heart that	2, 68/33
wretches perceived, first by the	struggling	with the pains of death	2, 85/24
wife, a vile and abominable	strumpet	, than to all the lords	2, 71/32
other, and none other thing	studied	upon but about the Coronation	2, 16/14
good while in a great	study	, and forasmuch her seemed the	2, 40/24
But now was all the	study	by what mean this matter	2, 58/10
was all the labour and	study	in the device of some	2, 59/15
well perceiveth the labour and	study	both of mind and of	2, 74/14
carriage and conveyance of her	stuff	into Sanctuary, chests, coffers, packs	2, 21/21
with the carts of their	stuff	that were taken (among which	2, 24/4
that were taken (among which	stuff	no marvel though some were	2, 24/5

princely to marry his own	subject	, no great occasion leading thereunto	2, 62/9
so heartily beloved with the	substance	of the people; nor he	2, 3/24
and goodly and of good	substance	. But forasmuch as they were	2, 55/10
out of acquaintance, after good	substance	, after as great favour with	2, 56/31
good men and honest, great	substance	of goods to be lashed	2, 69/29
men so greedy without any	substantial	cause to have him, this	2, 37/10
all the haste for many	substantial	men out of the City	2, 52/26
her husband, a right honest	substantial	young man among you. And	2, 72/3
honourable preacher, ye well remember,	substantially	declared unto you, at Paul's	2, 73/9

broken unto the Duke by	subtle	folks and such as were	2, 43/9
approached that the pageants and	subtleties	were in making, day and	2, 46/34

marveling of this manner of	sudden	change, and what thing should	2, 47/19

clock that same forenoon : which	sudden	fear drove them to put	2, 53/4
think that an hoverly ^o kindness,	suddenly	contracted in one hour, continued	2, 15/23
overmuch lightness that he so	suddenly	had yielded up the Great	2, 22/30
so late before, he was	suddenly	fallen in so great trust	2, 24/26
message came on her so	suddenly	, nothing less looking for than	2, 40/30
conspiracy had contrived to have	suddenly	destroyed him and the Duke	2, 53/1
to hear it then so	suddenly	so highly taken, that she	2, 54/23
when he beheld coming, he	suddenly	left the matter with which	2, 68/12
hall among the press, began	suddenly	at men's backs to cry	2, 76/18
such number unto him so	suddenly	, without any warning or knowledge	2, 77/19
came into the chamber and	suddenly	lapped them up among the	2, 85/18
slept, troubled with fearful dreams,	suddenly	sometime started up, leaped out	2, 87/18
the King and there so	suddenly	stopped, and exhorted him so	2, 92/18
that she delighted to be	sued	unto and to show what	2, 56/22
us no little jeopardy to	suffer	our well-proved evil-willers to grow	2, 15/1
great is growing, if we	suffer	this young King in our	2, 15/15
would be as loath to	suffer	him from the King as	2, 28/31
theirs and hers also, to	suffer	him in sanctuary, as though	2, 34/14
all their honours there to	suffer	him bide where no man	2, 36/21
farther be other men to	suffer	you to keep him, lest	2, 37/13
sorry that they will not	suffer	in any wise King Edward's	2, 79/30
in any wise to be	suffered	, that the young King, their	2, 14/22
neither his servants nor himself	suffered	to go out, perceiving well	2, 18/10
a longer would not be	suffered	, the Protector made so much	2, 49/15
conceived, he would never have	suffered	him to escape his hands	2, 90/9
that they were traitors, not	suffering	them to speak and declare	2, 57/28
men, your faithfulness haply would	suffice	. But childhood must be maintained	2, 11/21
convenient for you, should yet	suffice	, as meseemeth, to refrain you	2, 62/25
the proclaiming could scant have	sufficed	unto the bare writing alone	2, 54/8
liked them to whom it	sufficed	to have somewhat to say	2, 66/13
so far forth that fifteenths?	sufficed	not nor any usual names	2, 69/31
the crown by battle, it	sufficed	in a rich man for	2, 71/3
of other parts might have	sufficed	, saving that we such love	2, 76/5
in your concord. For it	sufficeth	not that all you love	2, 11/19
means to so much as	sufficeth	to get and keep well	2, 64/5
serve. And if examples be	sufficient	to obtain privilege for my	2, 39/7
some for their business made	suit	to them that had the	2, 45/3
the Prince, after as great	suit	and seeking to with all	2, 57/1
there came to make a	suit	by petition to the King	2, 60/12
this poor lady made humble	suit	unto the King, that she	2, 60/27
always least rule, and more	suit	was in his days unto	2, 71/31
and finally, in many weighty	suits	she stood many men in	2, 56/20
that he that playeth the	Sultan	is percase a souter.? Yet	2, 81/2
show you is the whole	sum	and effect of this our	2, 72/31

far forth that in the	summer	, the last that ever he	2, 5/13
cross in procession upon a	Sunday	, with a taper in her	2, 54/28

more meetly than for peace.	Sundry	victories had he, and sometimes	2, 8/1
fear of themselves, assembled in	sundry	companies and went flockmele? in	2, 22/20
without your great cost and	sundry	perils and jeopardies, in all	2, 72/27
not fear. But go to	suppose	that she fear (as who	2, 29/12
this is a gay matter.	Suppose	he could not ask it	2, 38/23
he could not ask it,	suppose	he would not ask it	2, 38/23
he would not ask it,	suppose	he would ask to go	2, 38/23
Then may no man, I	suppose	, take my ward from me	2, 38/31
not. We need not, I	suppose	, to rehearse of these any	2, 70/28
receive) a marvellous fortress and	sure	armour, if division and dissension	2, 5/27
of his intent and a	sure	ground for the foundation of	2, 10/2
the Duke of Gloucester was	sure	and fastly faithful to his	2, 23/5
place could I reckon him	sure	, if he be not sure	2, 37/30
sure, if he be not	sure	in this, the Sanctuary, whereof	2, 37/30
a play fellow, be ye	sure	! I pray God send them	2, 38/13
And may the nephews be	sure	of their uncle? Each of	2, 41/27
one safe and both be	sure	, and nothing for them both	2, 41/30
ensure him I am as	sure	of the man that he	2, 50/24
liketh me. And I am	sure	that my cousin of Warwick	2, 63/28
conscience, that the King was	sure	to dame Elizabeth Lucy and	2, 64/28
to say, while they were	sure	to be compelled to no	2, 66/14
print of his visage, the	sure	undoubted image, the plain, express	2, 67/32
print of his visage, the	sure	undoubted image, the plain, express	2, 68/19
and of whom, I am	sure	, ye will better believe it	2, 73/2
beside, yet were they not	sure	how his Grace would take	2, 78/4
serve them and see them	sure	. After which time the Prince	2, 85/7
mind, he never thought himself	sure	: where he went abroad, his	2, 87/12
Chamberlain's power chiefly lay. But	surely	great pity was it that	2, 45/30
all to the best: so	surely	thought he that there could	2, 46/5
the household, were reckoned very	surely	for the children of the	2, 67/24
I had weened would most	surely	serve me, even those fail	2, 83/26
whereof that change grew. And	surely	the occasion of their variance	2, 89/6
in fair manner departed. But	surely	some right secret at these	2, 90/2
reign, my lord Morton answered:	Surely	, my lord, folly were it	2, 92/4
peace long after not much	surer	than war. So that no	2, 71/24
surety ; when he reckoned himself	surest	, he lost his life, and	2, 52/15
ambition, and either for the	surety	or increase of his estate	2, 8/11
which I reckon the only	surety	to rest in your concord	2, 11/19
own country, or your own	surety	. And therewithal the King, no	2, 13/24
also to his Grace no	surety	to have the mightiest of	2, 14/31
himself, he determined upon the	surety	of his own conscience to	2, 18/17

put under arrest for their	surety	, not for the King's jeopardy	2, 23/10
they think it for their	surety	, let them keep it. But	2, 33/11
God were rather here in	surety	with me than I were	2, 36/24
pledge, not only for his	surety	but also for his estate	2, 40/15
circumspectly to see to his	surety	, if she with her own	2, 41/11
pass me than the vain	surety	of man's mind so near	2, 51/13
nor never in so great	surety	. Oh good God, the blindness	2, 52/13
feared, he was in good	surety	; when he reckoned himself surest	2, 52/14
was his honour, profit, and	surety	also, to marry in a	2, 62/3
thing is that? Certes, the	surety	of your own bodies, the	2, 69/21
were neither your goods in	surety	and yet they brought your	2, 71/7
that it was now no	surety	to retreat, as for that	2, 79/18
to bear out a new	surfeit	. And albeit there might be	2, 35/13
bastardy that they devised to	surmise	in King Edward's child, that	2, 59/32
Howard, and after Earl of	Surrey	. And Katherine, which long time	2, 3/13
sometime debate, to fear and	suspect	lest they should gather this	2, 16/18
men had it ever inwardly	suspect	, as many well counterfeited jewels	2, 82/29
from them whom he least	suspected	; for the state of things	2, 43/26
he run into slander and	suspicion	of fraud. And where they	2, 36/2
perceiving, filled many men with	suspicion	though he showed few men	2, 44/28
if he fell once in	suspicion	of that tyrant) that either	2, 90/5
mistrust your wits, nor so	suspicious	to mistrust your truths. Of	2, 41/15
were the sound of a	swarm	of bees, till at the	2, 76/15
lie, for if I would	swear	the contrary, your lordship would	2, 92/5
the child : Farewell, my own	sweet	son, God send you good	2, 42/9
as the sea without wind	swelleth	of himself sometimes before a	2, 44/26
fame of this lord's death	swiftly	through the city, and so	2, 52/23
yet, when she was solemnly	sworn	to say the truth, she	2, 65/2
a dish from his own	table	to the Lord Rivers, praying	2, 20/3
stroke and fell under the	table	, or else his head had	2, 49/3
which oftentimes more esteem and	take	for greater kindness a little	2, 5/20
prevent? his time and to	take	upon him the rule in	2, 6/23
cannot, in this tender youth,	take	in the company of ancient	2, 26/9
if it please him to	take	the pain. Which I doubt	2, 26/31
wise to be attempted to	take	him out against her will	2, 27/29
of Buckingham, for I dare	take	it upon my soul, she	2, 28/20
manquellers,? whom God bade to	take	from the altar and kill	2, 30/18
not broken it, let us	take	a pain therewith, and let	2, 31/23
wrong ? That no man unlawfully	take	hurt, that liberty, the King	2, 32/4
if a man's wife will	take	sanctuary because she list to	2, 32/33
any displeasure to Saint Peter,	take	her out of Saint Peter's	2, 33/2
then, if a child will	take	sanctuary because he feareth to	2, 33/4
incontinent, maugre? his mind to	take	him, and to leave her	2, 34/2
too ? Ye may not hence	take	my horse from me, and	2, 38/27
from me, and may you	take	my child from me? He	2, 38/28

may no man, I suppose,	take	my ward from me out	2, 38/31
question whether my child may	take	benefit of it) mine other	2, 39/11
which were not likely to	take	it well, if all his	2, 62/7
would gladly that she should	take	it well, yet was at	2, 63/4
way when I come to	take	orders : for I understand it	2, 64/18
say, bastard slips shall never	take	deep root. Thereupon, when he	2, 66/28
his good will, list to	take	, which never asked little, but	2, 70/4
at our humble request, to	take	upon him the guiding and	2, 74/10
he will be loath to	take	upon him, as he whose	2, 74/13
say he will if he	take	it. Which room, I warn	2, 74/15
as I have said, to	take	it upon him, yet shall	2, 74/22
sure how his Grace would	take	it, whom they would in	2, 78/4
to depose the Prince and	take	himself the crown. With which	2, 78/33
for the weal universal to	take	that way although they had	2, 79/19
would like his Grace to	take	the crown upon him, they	2, 79/21
but that either he must	take	it or else he and	2, 79/28
we of all titles possible	take	for most effectual: we be	2, 80/4
to the same, here we	take	upon us the royal estate	2, 80/8
and at the third time	take	it as compelled thereunto by	2, 80/31
the audience that he would	take	upon him the crown in	2, 81/19
this new world he would	take	such part as he would	2, 88/12
much profit the realm should	take	by his reign, my lord	2, 92/4
by what occasion we have	taken	so great hurt afore, that	2, 13/8
unready. Now had these Dukes	taken	also into their custody the	2, 17/28
Tower of London, and thence	taken	out the King's treasure, and	2, 19/14
the King, her son, was	taken	, her brother, her son and	2, 20/20
lords and knights which were	taken	had contrived the destruction of	2, 23/31
of their stuff that were	taken	(among which stuff no marvel	2, 24/5
greatly reprov'd, and the Seal	taken	from him and delivered to	2, 25/4
And if nobody may be	taken	out of sanctuary that saith	2, 33/3
first time that I have	taken	sanctuary, for when my lord	2, 39/15
not come to it. For	taken	out of sanctuary, would I	2, 40/6
that he should incontinent be	taken	thence: and to convey him	2, 40/28
the Queen's kindred that were	taken	before and should that day	2, 52/7
Council, and after to have	taken	upon them to rule the	2, 53/17
his demerits, being so openly	taken	in his falsely conceived treason	2, 53/32
then so suddenly so highly	taken	, that she was naught of	2, 54/24
before departed by her scalp?	taken	out of the charnel house	2, 55/29
lords and knights that were	taken	from the King at Northampton	2, 57/19
that it might be well	taken	. To this counsel they took	2, 58/12
with child. This examination solemnly	taken	, when it was clearly perceived	2, 65/7
of this sentence certain examples	taken	out of the Old Testament	2, 67/6
his presence, might have been	taken	among the hearers as though	2, 68/3
the poorer people reputed and	taken	for the younger of those	2, 82/24
the realm, by traitorous tyranny	taken	, deprived of their estate, shortly	2, 86/17

well known and not ill	taken	, nor any demand of the	2, 90/15
as ye before heard, was	taken	in the Council at the	2, 90/20
after King Edward's death first	taken	by the tyrant for his	2, 91/6
as it shall not be	taken	as the party meant it	2, 92/29
I was about to say,	taken	as well as afore God	2, 93/14
deserve but thank. And yet	taken	as I ween it would	2, 93/15
in question, while either Party	taketh	other as traitors, I will	2, 30/12
in jeopardy. And he that	taketh	one out of sanctuary to	2, 33/17
he that against my will	taketh	out him, breaketh the sanctuary	2, 38/25
had already. For small pleasure	taketh	a man of all that	2, 63/20
as he was of the	taking	of her kindred and of	2, 48/3
waxed enamoured on her, and	taking	her afterwards secretly aside, began	2, 61/8
possession and riches, and thus,	taking	counsel of his desire, determined	2, 61/28
Duke was marvelously abashed and,	taking	the Mayor nearer to him	2, 75/5
redress and amendment thereof, by	taking	upon him the crown and	2, 78/16
King Richard, after his Coronation,	taking	his way to Gloucester to	2, 83/7
with him. And the other,	taking	it in evil part, sent	2, 89/18
ways to prick him forward,	taking	always the occasion of his	2, 91/26
the Tower Street, broke his	tale	and said merrily to him	2, 51/7
lives heard so evil a	tale	so well told. But, were	2, 75/14
the Recorder so tempered his	tale	that he showed everything as	2, 75/28
he that told him the	tale	used him with good words	2, 85/3
ever I think on Aesop's	tale	, that when the lion had	2, 93/2
Duke laughed merrily at the	tale	, and said, My lord, I	2, 93/11
For while we, quoth he,	talk	of one matter in the	2, 45/16
little wot we whereof they	talk	in the other place. My	2, 45/16
pray you come on. Whereto	talk	you so long with that	2, 51/8
gave him great pleasure to	talk	with him thereof, with whom	2, 51/30
I love not much to	talk	much of Princes, as thing	2, 92/27
with whom he had before	talked	thereof in the same place	2, 51/30
old friend what the people	talked	of him, all were it	2, 68/30
well showed him that they	talked	no good, yet when the	2, 68/31
gave him. But much they	talked	and marvelled of the manner	2, 80/20
day. And after a little	talking	with them, he said unto	2, 47/5
aside, began to enter in	talking	more familiarly, whose appetite when	2, 61/9
called) and the people departed,	talking	diversely of the matter, every	2, 80/19
among so many taxes and	tallages	?, of which there was never	2, 69/26
upon a Sunday, with a	taper	in her hand, in which	2, 54/28
wise to excuse himself, they	tarried	not the end of his	2, 18/23
not enduring so long to	tarry	, but intending under pretext of	2, 6/21
if you appoint yourself to	tarry	here, then think they yet	2, 35/22
thoroughly determined no longer to	tarry	, but had his horse ready	2, 50/8
Protector found by the way	tarrying	?, lest he should prevent? those	2, 68/8
nor full of babble, sometimes	taunting	without displeasure and not without	2, 56/4
and polling, among so many	taxes	and tallages?, of which there	2, 69/26

any usual names of known	taxes	but, under an easy name	2, 69/31
after, both so full of	tedious	flattery that no man's ears	2, 59/1
tossed and tumbled with the	tedious	impression and stormy remembrance of	2, 87/20
had been cleft to the	teeth	: for as shortly as he	2, 49/4
I leave for preachers to	tell	you, and yet I wot	2, 12/9
feareth, which, as learned men	tell	me, forbiddeth every man the	2, 39/31
a man could not well	tell	whom he might trust or	2, 43/27
with ' ands '? I	tell	thee they have so done	2, 48/25
reason of his day thoughts?	Tell	him it is plain witchcraft	2, 50/13
of him that can better	tell	it and of whom, I	2, 73/1
were removed they could nothing	tell	. And thus, as I have	2, 86/13
as I was about to	tell	you, by the long and	2, 91/18
himself. But the Recorder so	tempered	his tale that he showed	2, 75/28

for his comfort, who he	thought	had more need of comfort	2, 20/7
the only man chosen and	thought	most meet to be Protector	2, 24/28
that he had begun, that	thought	every day a year till	2, 25/12

out of sanctuary, which she	thought	to be now beset in	2, 41/2
untaken, and partly, as she	thought	it might fortune her fear	2, 41/4
would not be corrupted. Then	thought	she it should yet make	2, 41/10
that of likelihood as he	thought	. Thereupon forthwith they brought him	2, 42/18
Although I know that many	thought	that this Duke was privy	2, 42/28
fear to them whom he	thought	meet for the matter, and	2, 43/7
won to his purpose, he	thought	his strength more than half	2, 43/8
to the best: so surely	thought	he that there could be	2, 46/5
for the love between them	thought	he might be boldest with	2, 47/26
a dream, in which him	thought	that a boar with his	2, 50/3

took divers, such as they	thought	meetly to be trusted, likely	2, 58/13
to be his wife, so	thought	she herself too good to	2, 61/24
of his own, which he	thought	likely to bear him so	2, 63/11
yet if outward alliance were	thought	so requisite, he would find	2, 63/14
marvelled that heard him, and	thought	that they never had in	2, 75/13
known it should peradventure be	thought	that it were his own	2, 78/32
retreat, as for that they	thought	it for the weal universal	2, 79/19
right to the realm, he	thought	therefore without delay to rid	2, 83/12
he took such displeasure and	thought	that the same night he	2, 83/23
babe his brother lingered in	thought	and heaviness till this traitorous	2, 85/9
in his mind, he never	thought	himself sure: where he went	2, 87/12

King Richard! King Richard! and	threw	up their caps in token	2, 76/20
beheaded, his horse twice or	thrice	stumbled with him almost to	2, 50/28
out as loud as their	throats	would give: King Richard! King	2, 76/19
my husband, was banished and	thrust	out of his kingdom, I	2, 39/16

he had sat still awhile,	thus	he began: What were they	2, 47/21

other lords and knights were	thus	beheaded and rid out of	2, 58/4
of possession and riches, and	thus	, taking counsel of his desire	2, 61/28
her. And after he was	thus	appointed, and had between them	2, 61/29
more than half the realm.	Thus	were neither your goods in	2, 71/7
they could nothing tell. And	thus	, as I have learned of	2, 86/13
joined the honour of Cardinal,	thus	living many days in as	2, 91/15

put in remembrance of another	time	in which it had happened	2, 51/17
same place. At which other	time	the Lord Chamberlain had been	2, 51/19
prepared before. For all the	time	between his death and the	2, 54/7
comparing the shortness of the	time	with the length of the	2, 54/11
crown, ere men could have	time	to devise any ways to	2, 58/10
after his Queen, at that	time	a widow, born of noble	2, 60/14
his enemy's wife and many	time	had prayed full heartily for	2, 65/11
wot well ye have long	time	lacked and sore longed for	2, 69/17
since the King, preventing? the	time	of his inheritance, attained the	2, 71/3
those that were at any	time	the King's enemies, which was	2, 71/6
enemies, which was at one	time	and other more than half	2, 71/6
it his soul. In whose	time	and by whose occasion, what	2, 71/16
than war. So that no	time	was there in which rich	2, 71/24
so was he from that	time	called) and the people departed	2, 80/18
may, and at the third	time	take it as compelled thereunto	2, 80/31
well kept, through all the	time	of his reign never ceased	2, 82/14
But as he finished his	time	with the best death and	2, 82/16
hereafter happen to write the	time	of the late noble Prince	2, 83/1
special friendship he took his	time	to put him forward and	2, 84/11
see them sure. After which	time	the Prince never tied his	2, 85/7
fellow fleshed in murder before	time	. To him he joined one	2, 85/14
well known, that at such	time	as Sir James Tyrell was	2, 86/9
had he outward no long	time	in rest. For hereupon, soon	2, 87/21
that the Duke, at such	time	as the crown was first	2, 90/11
other men were in their	times	, which be now famous only	2, 57/2
of all which things in	times	past ye stood ever more	2, 69/23
profit ; and we have already	title	by that means to so	2, 64/5
Lord Protector, and declared the	title	of his heirs unto the	2, 67/9
last past, the right and	title	that the most excellent Prince	2, 73/10
parliament entailed, the right and	title	of the same is by	2, 73/33
his very right and just	title	. Which thing, I wot it	2, 74/12
according to his right and	title	lawfully descended unto him, and	2, 78/20

crown can by so just	title	appertain as to ourself, as	2, 79/33
Duke of York, to which	title	is now joined your election	2, 80/2
inheritor. And forasmuch as the	title	which he claimed by inheritance	2, 89/10
was somewhat interlaced with the	title	to the crown by the	2, 89/12
purpose not to dispute his	title	. But for the weal of	2, 93/19
realm, which we of all	titles	possible take for most effectual	2, 80/4
bloods in one, whose several	titles	had long unquieted the land	2, 91/11
that bind man and man	together	, without any respect of God	2, 6/6
Lord forbid that you love	together	the worse for the self	2, 12/18
law most ought to agree	together	. Such a pestilent serpent is	2, 12/21
other, and joined their hands	together	, when (as it after appeared	2, 13/30
party, in this point accorded	together	with the Duke of Gloucester	2, 16/1
and by, the lords assembled	together	at London. Towards which meeting	2, 22/27
and these lords were come	together	in presence, the Lord Cardinal	2, 34/6
wealth it were to be	together	, as well for many greater	2, 34/25
knoweth when we shall kiss	together	again. And therewith she kissed	2, 42/10
him. Thus many things coming	together	, partly by chance, partly of	2, 45/8
away. These lords so sitting	together	communing of this matter, the	2, 47/2
to meet in like manner	together	in the same place. At	2, 51/18
to gather and assemble themselves	together	in making some great commotion	2, 53/34
inclineth the parties to love	together	, as he trusted it was	2, 63/7
the mingling of whose bloods	together	hath been the effusion of	2, 73/20
themselves	together	, resorted unto Baynard's Castle, where	2, 77/10
in his top,? joined gentlemen	together	in aid of King Henry	2, 91/7
a great rap. At which	token	given, one cried Treason without	2, 48/28
and custom observed as a	token	oftentimes notably foregoing some great	2, 50/31
threw up their caps in	token	of joy. And they that	2, 76/20
Should have avoided, or the	tokens	of that he could not	2, 49/26
dreams, which if they were	tokens	of things to come, why	2, 50/14
cannot require the privilege. Who	told	him so? He shall hear	2, 38/21
evil a tale so well	told	. But, were it for wonder	2, 75/14
my kingdom. Then he that	told	him the tale used him	2, 85/3
we require ye that ye	tomorrow	go with us and we	2, 76/32
our own affection or evil	tongues	agrieveth. But this wot I	2, 12/7
of his answer, but shortly	took	him and put him in	2, 18/24
forthwith went to horseback and	took	the way to Stony Stratford	2, 18/27
back unto Northampton, where they	took	again further counsel. And there	2, 19/30
wise the Duke of Gloucester	took	upon himself the order and	2, 20/15
and every man weaponed, he	took	the Great Seal with him	2, 21/18
nothing so sore as she	took	it for, and that he	2, 22/1
to be thereto most convenient,	took	upon him to move her	2, 27/24
dishonour, and as much regard	took	to his wealth as to	2, 28/30
his father, when he first	took	him in his arms. And	2, 39/21
And at the last she	took	the young Duke by the	2, 41/13
Star Chamber, where the Protector	took	him in his arms and	2, 42/16

ask why, but heavily he	took	a priest at adventure and	2, 49/14
King died, the Lord Chamberlain	took	her, which in the King's	2, 55/21

point? in his own mind,	took	she it well or otherwise	2, 63/5
understood of this marriage, he	took	it so highly that his	2, 65/13

so much of every man	took	as no man would of	2, 70/1
sight of the people, he	took	him by the hand. Which	2, 82/1
and praised, but wise men	took	it for vanity. In his	2, 82/2

of very special friendship he	took	his time to put him	2, 84/11
Protector left that name and	took	himself as King, had it	2, 84/28
priest of Sir Robert Brackenbury	took	up the bodies again and	2, 86/7
and the mischief that he	took	within less than three years	2, 87/7
ready to strike again; he	took	ill rest o' nights, lay	2, 87/16

unnatural uncle and his dispiteous	tormentors	. Which things on every part	2, 86/20
dead, his hair in despite	torn	and tugged like a cur	2, 87/6
And Katherine, which long time	tossed	in either fortune, sometimes in	2, 3/14
was his restless heart continually	tossed	and tumbled with the tedious	2, 87/20

that the matter should be	touched	aslope craftily, as though men	2, 59/30
princely virtues, as much goodly	towardness	? as their age could receive	2, 5/26
to say, whether he, being	toward°	him, anything knew that he	2, 9/15

Marquis had entered into the	Tower	of London, and thence taken	2, 19/14
the city honourably into the	Tower	out of which after that	2, 42/22
all folk withdrew from the	Tower	and drew to Crosbie's Place	2, 44/31
many lords assembled in the	Tower	, and there sat in Council	2, 46/31
beside the Chapel within the	Tower	, and his head laid down	2, 49/21
in the riding towards the	Tower	, the same morning in which	2, 50/27
whom he met in the	Tower	Street, broke his tale and	2, 51/7
his death. Upon the very	Tower	wharf, so near the place	2, 51/14
of the City unto the	Tower	; and at their coming, himself	2, 52/27
Chamberlain was beheaded in the	Tower	of London, and about the	2, 57/17
Robert Brackenbury, constable of the	Tower	, with a letter and credence	2, 83/17
before our Lady in the	Tower	, who plainly answered that he	2, 83/20
all the keys of the	Tower	for one night, to the	2, 84/23
James Tyrell was in the	Tower	, for treason committed against the	2, 86/10

Sir James Tyrell died at	Tower	Hill, beheaded for treason, King	2, 87/3
in the Council at the	Tower	, waxed with him familiar, whose	2, 90/20
King's Highness out of that	town	: thus bore they folk in	2, 18/7
land, beside many a good	town	ransacked and spoiled by them	2, 71/22
in his new honour the	town	of which he bare the	2, 83/8
the Protector, with a great	train	, went to Westminster hall and	2, 81/12
spials? for the Duke and	trains	? to catch him, if he	2, 43/24
make good on thy body,	traitor	! And therewith, as in a	2, 48/26
Lord Hastings: I arrest thee,	traitor	. What, me, my lord? quoth	2, 48/31
lord? quoth he. Yea, thee,	Traitor	, quoth the Protector. And another	2, 49/1
with divers others of his	traitorous	purpose, had before conspired the	2, 53/15
thought and heaviness till this	traitorous	death delivered them of that	2, 85/9
rule in the realm, by	traitorous	tyranny taken, deprived of their	2, 86/17
barrels of harness that these	traitors	had privily conveyed in their	2, 24/9
either Party taketh other as	traitors	, I will well there be	2, 30/12
thieves, murderers, and malicious heinous	traitors	, and that in two places	2, 30/29
to be punished as heinous	traitors	, whatsoever they were. And all	2, 47/28
people about that they were	traitors	, not suffering them to speak	2, 57/28
might, peradventure, easily have been	trapped	and brought to confusion some	2, 15/11
among so many grins? and	traps	as was set therefore, among	2, 69/25
so much ado in her	travail	that she could not be	2, 7/24
king: at the leastwise, heinous	treason	was there laid to his	2, 7/9
contriver of all this horrible	treason	. Thereupon soon after, that is	2, 46/28
which token given, one cried	treason	without the chamber. Thereupon a	2, 48/28
well known. Of which their	treason	he never had knowledge before	2, 53/3
secret counsel of this heinous	treason	, with whom he lay nightly	2, 53/27
taken in his falsely conceived	treason	, and also lest the delaying	2, 53/32
trespass to misprision, misprision into	treason	. Whereof, I think, no man	2, 70/6
man for a pretext of	treason	to have been of kindred	2, 71/4
was in the Tower, for	treason	committed against the most famous	2, 86/10
at Tower Hill, beheaded for	treason	, King Richard himself, as ye	2, 87/4
thence taken out the King's	treasure	, and sent men to the	2, 19/15
great quantity of the King's	treasure	and of his household stuff	2, 44/7
finer, fines into ransoms, small	trespass	to misprision, misprision into treason	2, 70/6
be driven thereto; for his	tribute	out of France he had	2, 5/4
master so much to such	trifles	and hath such faith in	2, 50/11
a matter upon such a	trifling	pretext; as though there could	2, 38/15
Edward was departed. By my	troth	, man, quoth Pottier, then will	2, 9/12
by the cruelty, mischief, and	trouble	of the tempestuous world that	2, 4/1
what loss, what sorrow, what	trouble	hath within these few years	2, 13/1
oft the occasion of more	trouble	than profit ; and we have	2, 64/4
spent in much pain and	trouble	outward, much fear, anguish and	2, 87/9
watch, rather slumbered than slept,	troubled	with fearful dreams, suddenly sometime	2, 87/17
soon persuaded. Ye remember, I	trow	, King Edward himself, albeit he	2, 15/4
be. But it is, I	trow	, no great marvel though I	2, 36/28

Would God he had not!	Troweth	the Protector (I pray God	2, 38/8
he may prove a protector),	troweth	he that I perceive not	2, 38/9
of Clarence had kept him	TRUE	to his nephew, the young	2, 9/4
as likely to make them	TRUE	by our going, if we	2, 50/15
all the world wist was	TRUE	, and that nevertheless every man	2, 54/22
they were good men, too	TRUE	to the King and too	2, 58/2
by them alleged to be	TRUE	, yet such entire love he	2, 78/26
well counterfeited jewels make the	TRUE	opinion	2, 82/30
hard but it should be	TRUE	, King Richard, after his Coronation	2, 83/7
more farther to deliver him.	Truly	, Madam, quoth he, and the	2, 37/12
Sanctuary, chests, coffers, packs, fardels,	trusses	, all on men's backs, no	2, 21/21
love other. Which I verily	trust	you will, if ye anything	2, 13/21
is so unwise oversoon to	trust	a new friend made of	2, 15/21
suddenly fallen in so great	trust	that, at the Council next	2, 24/26
good man's life. And I	trust	, quoth he, with God's grace	2, 28/12
we should do it. I	trust	that she shall be with	2, 28/14
not in this matter to	trust	any one man alone, or	2, 33/32
put no person earthly in	trust	with his keeping but myself	2, 35/8
matter jeopardy. Whereby should I	trust	that? quoth the Queen, In	2, 37/3
presume to break? And I	trust	God as strong now to	2, 38/1
betook him to them of	trust	. And at the last she	2, 41/12
I beseech you, for the	trust	that his father put in	2, 42/5
you ever and for the	trust	that I put in you	2, 42/6
well tell whom he might	trust	or whom he might fear	2, 43/27
no man in so special	trust	, reckoning himself to no man	2, 45/24
had not put so special	trust	, the Lord Stanley and he	2, 45/33
the Lord Chamberlain of very	trust	showed unto Catesby the mistrust	2, 46/19
to think nor whom to	trust	, ere ever they should have	2, 58/7
Mayor of London, which upon	trust	of his own advancement, whereof	2, 58/17
pray you be content. I	trust	in God she shall bring	2, 64/16
Ah, whom shall a man	trust	? Those that I have brought	2, 83/25
drifts out of all secret	trust	. Which thing this page well	2, 84/9
a chamberer of like secret	trust	with the Duke of Gloucester	2, 88/6
from thenceforth both in secret	trust	and very special favour; which	2, 91/4
could, showing her that he	trusted	the matter was nothing so	2, 21/30
they were not to be	trusted	with the King's brother, that	2, 25/30
the rather for that he	trusted	by his death to obtain	2, 46/25
they thought meetly to be	trusted	, likely to be induced to	2, 58/13
to love together, as he	trusted	it was in his, than	2, 63/8
out of peril. For whom	trusted	he that mistrusted his own	2, 71/27
John Green, whom he specially	trusted	, unto Sir Robert Brackenbury, constable	2, 83/15
knoweth, whose truth she well	trusteth	, it is easy to perceive	2, 29/11
very faithful, and trusty enough,	trusting	too much. Now flew the	2, 52/22
propose what him liked, verily	trusting	, for the good mind that	2, 78/7
of this matter some honourable	trusty	man such as both tendereth	2, 26/26

the Lord Stanley sent a	trusty	secret messenger unto him at	2, 49/30
well beloved; very faithful, and	trusty	enough, trusting too much. Now	2, 52/22
he could, one Persall, his	trusty	servant, who came to John	2, 88/5
benefits, in most loving and	trusty	manner, departed at Gloucester. But	2, 90/17
ever froward.? It is for	truth	reported that the Duchess, his	2, 7/23
of hatred report above the	truth	, or else that nature changed	2, 7/28
meeting the Lord Hastings, whose	truth	towards the King no man	2, 23/3
forth ere they knew the	truth	nor, turning their private grudges	2, 23/17
whose wisdom she knoweth, whose	truth	she well trusteth, it is	2, 29/10
I think you say very	truth	. And what if a man's	2, 32/32
herself, lacked either wit or	truth	. Wit, if they were so	2, 40/20
perceive what the Protector intended ;	truth	, if they should procure her	2, 40/21
had not had either more	truth	or less wit. For his	2, 45/31
where Catesby was. And of	truth	the Protector and the Duke	2, 46/9
no further break. And of	truth	, the Lord Chamberlain of very	2, 46/19
to the Council, but of	truth	sent by the Protector to	2, 51/2
mistrusted the matter which, of	truth	, no man believed. Yet for	2, 53/10
whose favour, to say the	truth	(for sin it were to	2, 56/14
point to speak all the	truth	, for fear of his displeasure	2, 59/31
were clearly purged and the	truth	well and openly testified. Whereupon	2, 64/32
solemnly sworn to say the	truth	, she confessed that they were	2, 65/2
of the world and the	truth	hid from knowledge, inherited for	2, 66/34
their blood long but, the	truth	coming to light, the rightful	2, 67/2
all other nations where the	truth	were not well known it	2, 78/31
by grace obtained as much	truth	and good will as he	2, 84/2
since come to light. Very	truth	is it and well known	2, 86/9
to escape his hands. Very	truth	it is, the Duke was	2, 90/9
say that he was of	truth	not well at ease, and	2, 90/14
by the tyrant for his	truth	to the King, found the	2, 91/6
so suspicious to mistrust your	truths	. Of which thing I purpose	2, 41/15
that he had on Shrove	Tuesday	at Saint Albans? against King	2, 60/22
consumed away. Then, on the	Tuesday	following this sermon, there came	2, 69/1
hair in despite torn and	tugged	like a cur dog; and	2, 87/6
King's nearest friends, to the	tuition	of his own royal person	2, 25/32
peril, there needeth he the	tuition	? of some special privilege, which	2, 32/7
restless heart continually tossed and	tumbled	with the tedious impression and	2, 87/20
to ruin, but if ^o grace	turn	him to wisdom: which if	2, 12/1
be a thing that should	turn	to the great grudge of	2, 27/30
both lacked in you, might	turn	both me to great sorrow	2, 41/17
not be amended, he would	turn	it as much as he	2, 43/34

warned that it might haply	turn	them to no good to	2, 45/5
if they have an evil	turn	, to write it in marble	2, 57/5
whoso doth us a good	turn	, we write it in dust	2, 57/6
fain at his back to	turn	their face to the wall	2, 77/5

it would, might happen to	turn	me to little good and	2, 93/16
favour, the Duke of Gloucester	turned	unto their destruction, and upon	2, 14/18
kissed him and blessed him,	turned	her back and wept and	2, 42/11
lo how the world is	turned	: now stand mine enemies in	2, 52/11
helped them, that the mischief	turned	upon them that would have	2, 53/6
stood as they had been	turned	into stones, for Wonder of	2, 68/25
hawsed? above the measure: amercements?	turned	into fines, fines into ransoms	2, 70/5
obstinate silence, and therewith he	turned	into the people again with	2, 76/2
saw this manner, they wisely	turned	it to their purpose, and	2, 76/26
came home, he so lightly	turned	from him and so highly	2, 89/5
right well intended our misconstruction	turneth	unto worse, or a small	2, 12/6
with division and variance he	turneth	all to mischief. First longing	2, 12/25
they knew the truth nor,	turning	their private grudges into the	2, 23/17
that a boar with his	tusks	so raced? them both by	2, 50/4

to kindle, and in especial	twain	, Edward, Duke of Buckingham, and	2, 15/28
appointed, and had between them	twain	ensured her, then asked he	2, 61/30
him so familiarly between the	twain	to be bold to say	2, 92/19
and thereof reigned two and	twenty	years, one month, and eight	2, 3/3
were dead in more than	twenty	years of his reign, a	2, 4/6
he was beheaded, his horse	twice	or thrice stumbled with him	2, 50/28
more English blood than hath	twice	the winning of France. In	2, 71/18
of that the Duke had	twice	rehearsed them himself. But the	2, 75/27
And yet must he be	twice	asked whether he will be	2, 80/29
or no, and he must	twice	say nay, and at the	2, 80/30
six days, and thereof reigned	two	and twenty years, one month	2, 3/3
age; Richard, Duke of York,	two	years younger; Elizabeth, whose fortune	2, 3/7
and you love. Of which	two	things, the less loss were	2, 13/12
and the King's favour. These	two	, not bearing each to other	2, 15/31
heinous traitors, and that in	two	places specially, the one at	2, 30/29
that he much disliked these	two	several councils. For while we	2, 45/15
his life, and that within	two	hours after. Thus ended this	2, 52/16
was this Proclamation made within	two	hours after that he was	2, 54/4
had, above the value of	two	or three thousand marks, and	2, 54/17
to his bed. The other	two	were somewhat greater personages, and	2, 56/10
after that, never. Of these	two	, the one had a sermon	2, 58/27
remained for the space of	two	years, leaving his new wife	2, 65/23
preeminence, and kingdom of the	two	noble realms, England and France	2, 80/9
for the younger of those	two	, but for that also that	2, 82/25
in any wise put the	two	children to death. This John	2, 83/18
had to lie, were these	two	noble Princes, these innocent, tender	2, 86/15
by the conjunction of those	two	bloods in one, whose several	2, 91/10

meaning this by Sir James	Tyrell	, which was a man of	2, 83/30
Sir James and Sir Thomas	Tyrell	, of person like and brethren	2, 84/17
that wretchedness. For Sir James	Tyrell	devised that they should be	2, 85/10
such time as Sir James	Tyrell	was in the Tower, for	2, 86/10
he die ; but Sir James	Tyrell	died at Tower Hill, beheaded	2, 87/3
of their friends had not	unarmed	them and left them destitute	2, 5/28
of Gloucester, by nature their	uncle	, by office their protector, to	2, 6/3
the Lord Rivers, the King's	uncle	, intending on the morrow to	2, 17/13
and the Lord Rivers, his	uncle	, had compassed to rule the	2, 19/10

dread hath my lord, his	uncle	, for the tender love he	2, 37/19

said: Alas, I would my	uncle	would let me have my	2, 85/2
cruel ambition of their unnatural	uncle	and his dispiteous tormentors. Which	2, 86/20

shall redound unto your great	weal	and commodity, we require ye	2, 76/31
they thought it for the	weal	universal to take that way	2, 79/19
what unsurety standeth this worldly	weal	, or what mischief worketh the	2, 86/22

King's sake and ours, and	wealth	of the young Duke himself	2, 27/1

Duke himself, whose both great	wealth	it were to be together	2, 34/25

while that party was in	wealth	, and nevertheless left it not	2, 90/24
right well to prosper in	wealthful	peace under your cousins, my	2, 13/11

And yet taken as I	ween	it would, might happen to	2, 93/15

either you see not or	weigh	not. Wherefore we require you	2, 76/8
of Christ's Church bear that	weight	with us that would God	2, 12/16
used, and in his most	weighty	matters put no man in	2, 45/23
remission; and finally, in many	weighty	suits she stood many men	2, 56/20
the chief thing and the	weighty	of all that invention rested	2, 59/18
a matter right great and	weighty	, and no less weighty than	2, 69/14
and weighty, and no less	weighty	than pleasing unto God and	2, 69/14
then went I hence to	welcome	him home, and from hence	2, 39/19
him, with these words: Now	welcome	, my lord, even with all	2, 42/16
Sixth, whom he deposed, was	well	assuaged, and in effect quenched	2, 4/5

as well forget as we	well	remember. Which things if I	2, 13/2
things if I could as	well	have foreseen as I have	2, 13/3

which things these Dukes wist	well	were done for good purposes	2, 19/16
in good faith, I dare	well	answer for mine uncle Rivers	2, 19/19

you that all shall be	well	. I assure him, quoth the	2, 21/13

it will never be so	well	as we have seen it	2, 21/14

Very truth is it and	well	known, that at such time	2, 86/9

Sir Robert should in any	wise	put the two children to	2, 83/18

All which things these Dukes	wist	well were done for good	2, 19/16

be well, though they neither	wist	what they feared nor wherefore	2, 44/24
so lief,? since he well	wist	there was no man to	2, 45/25

at Pomfret: which he well	wist	, but nothing ware that the	2, 52/8

say the thing which he	wist	he should not say, in	2, 73/7
too near them till he	wist	what they meant. And thereupon	2, 77/29
before, when they themselves well	wist	there was no man so	2, 80/23
for him whose pride they	wist	would bear no peer, kept	2, 84/8
fair issue, that is to	wit	: Edward the Prince, a thirteen	2, 3/6

For if she have any	wit	(as would God she had	2, 28/32
will as she hath shrewd	wit), she reckoneth herself no wiser	2, 29/1

lacked either wit or truth.	Wit	, if they were so dull	2, 40/20
which knew better the subtle	wit	of the Protector, deny that	2, 43/2
either more truth or less	wit	. For his dissimulation only, kept	2, 45/31
soon after, that is to	wit	, on the Friday, the thirteenth	2, 46/29

and also longed sore to	wit	what they meant, gave him	2, 78/6
else, as every man may	wit	, would never of likelihood have	2, 79/26
most righteous, that is to	wit	, his own: so began he	2, 82/17
as he had strength and	wit	. The man had an high	2, 84/3
a man of great natural	wit	, very well learned, and honourable	2, 90/22
Duke yet much more to	wit	what it was. Whereupon the	2, 93/17
that sorceress and that other	witch	of her counsel, Shore's wife	2, 48/8
have by their sorcery and	witchcraft	wasted my body. And therewith	2, 48/9
Tell him it is plain	witchcraft	to believe in such dreams	2, 50/13
to destroy the noble lords	withal	. This device, albeit that it	2, 24/10
is the only thing that	withdraweth	the hearts of Englishmen from	2, 5/2
little and little all folk	withdrew	from the Tower and drew	2, 44/31
where he showed a werish?	withered	arm and small, as it	2, 48/11
now is she old, lean,	withered	, and dried up, nothing left	2, 55/30
within few days after he	withered	and consumed away. Then, on	2, 68/34
God as strong now to	withstand	His adversaries as ever He	2, 38/1
no man's death whose life	withstood	his purpose. He slew with	2, 8/13
so unwise to mistrust your	wits	, nor so suspicious to mistrust	2, 41/15
enemies' hand, which without his	witting	might abuse the name of	2, 15/16
prey in his hand: well	witting	that if he deposed the	2, 25/14

creditors go whistle them. Men's	wives	run thither with their husbands'	2, 31/11
bodies, the quiet of your	wives	and your daughters, the safeguard	2, 69/21
house, the chastity of their	wives	and their children, that them	2, 72/14
their own weal or our	woe	, it were hard I ween	2, 15/9

ere she married the Lord	Woodville	, her father. Howbeit, this dame	2, 60/16
to receive him but also	woed	him to come and had	2, 91/3
after many a meeting, much	wooing	, and many great promises, she	2, 61/18
in this wise persuaded, such	word	sent unto her son, and	2, 17/1
my Lord sendeth your Lordship	word	that there is no fear	2, 21/12
to fall off for a	word	. And in conclusion she showed	2, 61/23
forgotten, that was for a	word	spoken in haste cruelly beheaded	2, 70/14
as the preacher's of the	word	of God, namely, a man	2, 73/4
and mute and not one	word	answered thereunto. Wherewith the Duke	2, 75/4
should speak first, not one	word	was there answered of all	2, 75/15
And thereupon the Duke sent	word	unto the Lord Protector of	2, 77/14
have the crown. At which	word	the Prince, sore abashed, began	2, 85/1
in evil part, sent him	word	to rise and come ride	2, 89/19
out of peril, though the	word	be without fault, forasmuch as	2, 92/28
wot ne'er whether any preacher's	words	ought more to move you	2, 12/10
again. Wherefore in these last	words	that ever I look to	2, 13/17

recomforting him with as good	words	as they could, and answering	2, 13/27
his presence (as by their	words	appeared) each forgave other, and	2, 13/29
many years rooted. With these	words	and writings and such other	2, 15/26
they must say. Unto which	words	, the King answered, What my	2, 19/18
in other lands (as evil	words	walk far), that the King's	2, 26/19
chafe and speak sore biting	words	against the Protector, and such	2, 40/10
intended. The Queen with these	words	stood a good while in	2, 40/24
and kissed him, with these	words	: Now welcome, my lord, even	2, 42/16
Catesby to prove with some	words	, cast out afar off, whether	2, 46/14
heard him speak so terrible	words	, that he durst no further	2, 46/18
meaning the Queen, At these	words	many of the other lords	2, 47/30
declare their innocence lest their	words	might have inclined men to	2, 57/29
with so good manner and	words	so well set, that she	2, 61/17
prince. The Duchess with these	words	nothing appeased, and seeing the	2, 64/20
God. By reason of which	words	such obstacle was made in	2, 64/30
his Grace spoke so loving	words	unto her that she verily	2, 65/3
not been for such kind	words	she would never have shown	2, 65/5
in the speaking of these	words	the Protector should have come	2, 67/33
to the end that those	words	, meeting with his presence, might	2, 68/2
lest he should prevent? those	words	, and the doctor, fearing that	2, 68/9
sermon could come to those	words	, hasted his matter thereto: he	2, 68/10
frame, began to repeat those	words	again: This is the very	2, 68/15
while he liveth. While these	words	were in speaking the Protector	2, 68/21
that ye should reckon my	words	of as great authority as	2, 73/3
in other order and other	words	, so well and ornatly, and	2, 75/10
showed everything as the Duke's	words	and no part his own	2, 75/29
the people again with these	words	: Dear friends, we come to	2, 76/2
King or not, At these	words	the people began to whisper	2, 76/13
noble man that would. These	words	much moved the Protector, which	2, 79/25
hurt. For upon this page's	words	King Richard arose (for this	2, 84/14
tale used him with good	words	and put him in the	2, 85/3
with many spiteful and minatory?	words	, which so wounded his heart	2, 89/14
him, fed him with fair	words	and many pleasant praises, and	2, 91/22
worldly weal, or what mischief	worketh	the proud enterprise of an	2, 86/23

respect of God or the	world	, unnaturally contrived to bereave them	2, 6/6
that he came into the	world	with the feet forward, as	2, 7/26
she least would,? all the	world	would put her and her	2, 16/26
honourably entreated that all the	world	shall, to our honour and	2, 27/12
letting her alone), all the	world	would say that we were	2, 29/30
whose innocence to all the	world	his tender youth proveth. And	2, 32/10
both afore God and the	world	. Faithful ye be, that wot	2, 42/1
here. And lo how the	world	is turned: now stand mine	2, 52/11
not deny, that all the	world	wist was true, and that	2, 54/22
of heaven into this vicious	world	for the amendment of men's	2, 54/26

for very shame of the	world	, into which he durst never	2, 59/6
by the ignorance of the	world	and the truth hid from	2, 66/34
murmur or grudge of the	world	, he would importunley pursue his	2, 72/10
so long space abusing the	world	, was as well with princes	2, 82/23
pondered, God never gave this	world	a more notable example, neither	2, 86/21
him that in this new	world	he would take such part	2, 88/12
what need in that green?	world	the Protector had of the	2, 90/4
more to meddle with the	world	, till the noble Prince, King	2, 91/13
believe, but that if the	world	would have gone as I	2, 92/6
meddled too much with the	world	, and would from that day	2, 92/16
seemed that this marriage, even	worldly	considered, was not unprofitable, for	2, 63/9
in what unsurety standeth this	worldly	weal, or what mischief worketh	2, 86/22
a deep insight in politic	worldly	drifts; whereby, perceiving now this	2, 91/20
more beggarly condition, unfriended and	worn	out of acquaintance, after good	2, 56/30
intended our misconstruction turneth unto	worse	, or a small displeasure done	2, 12/6
that you love together the	worse	for the self? cause that	2, 12/18
more part, they agree much	worse	than with strangers. But the	2, 38/20
Of which immoderate appetite of	worship	,? and thereby of debate and	2, 12/28
judgment. What, Coke, your own	worshipful	neighbour, alderman and Mayor of	2, 70/21
that he pitieth not, that	worshipful	man's loss? What, speak we	2, 70/25
the same. For, as the	worshipful	man groundly? made open unto	2, 73/14
other things which the said	worshipful	doctor rather signified than fully	2, 73/24
graciously incline if ye, the	worshipful	citizens of this the chief	2, 74/24
woman was born in London,	worshipfully	friended, honestly brought up, and	2, 55/8
Wherefore, methinketh it were not	worst	to send unto the Queen	2, 26/25
in dust : which is not	worst	proved by her, for at	2, 57/6
the Lord Chamberlain. Ah, woe	worth	him! quoth she, for he	2, 22/4
York, since he hath nothing	worthily	acquitted, there is of that	2, 72/30
in very prosperous estate, and	worthy	her birth and virtue. This	2, 3/17
he began: What were they	worthy	to have that compass and	2, 47/21
and said that they were	worthy	to be punished as heinous	2, 47/27
so heinously done, they be	worthy	heinous punishment. What! quoth the	2, 48/24
chance so much the more	worthy	to be remembered, in how	2, 56/29
that would not were not	worthy	to have it. Notwithstanding, he	2, 79/1
to break his head, and	worthy	, for marring of the play	2, 81/5
personage and for nature's gifts	worthy	to have served a much	2, 84/1
evil tongues agrieveth. But this	wot	I well: ye never had	2, 12/7
tell you, and yet I	wot	ne'er whether any preacher's words	2, 12/10
to be done with God	wot	what. With which tidings the	2, 20/21
since so long ago, I	wot	ne'er what Pope and what	2, 31/20
world. Faithful ye be, that	wot	I well, and I know	2, 42/1
in the one place, little	wot	we whereof they talk in	2, 45/16
which thing, albeit each man	wot	well daily happeneth to them	2, 50/29
why, that thing that we	wot	well ye have long time	2, 69/16

to speak of; howbeit, this	wot	you well all, that whoso	2, 71/30
errand. It shall not, I	wot	well, need that I rehearse	2, 72/33
just title. Which thing, I	wot	it well, he will be	2, 74/12
murdered, their bodies cast God	wot	where, by the cruel ambition	2, 86/19
‘ In faith, I neither	wot	nor reck, so I were	2, 93/6
’ quoth he, ‘ that	wot	I well enough, But what	2, 93/9
of the man that he	wotteth	of as I am of	2, 50/24
wise that no man better	wotteth	what he should say, and	2, 73/5
of a bishop, every man	wotteth	well, by the paying for	2, 80/28
ye none harm thereby. Thou	wouldst	say so, quoth he, if	2, 52/4
and minatory? words, which so	wounded	his heart with hatred and	2, 89/14
men otherwise; he was malicious,	wrathful	, envious, and, from afore his	2, 7/22
tied his points, nor aught	wraught	of himself, but with that	2, 85/8
hearts, hard it is to	wrest	out, and may grow to	2, 26/23
high heart, or finally, what	wretched	end ensueth such despiteous cruelty	2, 86/24
death delivered them of that	wretchedness	. For Sir James Tyrell devised	2, 85/10
bed. Which after that the	wretches	perceived, first by the struggling	2, 85/23
could both read well and	write	, merry in company, ready and	2, 56/3
have an evil turn, to	write	it in marble ; and whoso	2, 57/5
us a good turn, we	write	it in dust : which is	2, 57/6
if we hereafter happen to	write	the time of the late	2, 83/1
some by mouth, some by	writing	and secret messengers, that it	2, 14/21
have sufficed unto the bare	writing	alone, all had it been	2, 54/8
rooted. With these words and	writings	and such other, the Duke	2, 15/26
curiously indicted and so fair	written	in parchment, in so well	2, 54/5
answered him that it was	written	by prophecy. Now then, by	2, 54/13
slight a thing to be	written	of and set among the	2, 56/26
the murder in manner above	written	, but whither the bodies were	2, 86/12
that helped to carry a	wrong	way. The Queen herself sat	2, 21/25
one man to do another	wrong	? That no man unlawfully take	2, 32/3

innocent of any such matters.	Yea	, my liege, quoth the Duke	2, 19/21
the boldness of these places:	yea	, and rich men run thither	2, 31/9
me, my lord? quoth he.	Yea	, thee, Traitor, quoth the Protector	2, 48/31
once with an heavy heart?	Yea	my lord, quoth he, that	2, 52/3

May, the first and last	year	of his reign. But the	2, 24/22
that thought every day a	year	till it were achieved, yet	2, 25/12
had lived fifty and three	years	, seven months, and six days	2, 3/2
thereof reigned two and twenty	years	, one month, and eight days	2, 3/3
Richard, Duke of York, two	years	younger; Elizabeth, whose fortune and	2, 3/7

dead in more than twenty	years	of his reign, a great	2, 4/6
trouble hath within these few	years	grown in this realm, I	2, 13/1

broken, which had so many	years	been kept, which both Kings	2, 27/33
was more than five hundred	years	ago by Saint Peter, his	2, 28/2

took within less than three	years	of the mischief that he	2, 87/7
said, Go afore, gentlemen and	yeomen	; keep your rooms.° And	2, 19/2
that he so suddenly had	yielded	up the Great Seal to	2, 22/30
